FOREWORD

The Kentucky Constitution requires each chamber of the General Assembly to keep a journal as a public accounting of daily legislative activity. The journal is the official record of action.

The Kentucky Revised Statutes require the Legislative Research Commission to compile, edit, correct, and publish the journals of each chamber. This is the House Journal for the Regular Session of the 2002 General Assembly.

Texts of bills, joint resolutions, and concurrent resolutions appear in the journal on the day of their first reading. Texts of simple resolutions appear on the day of either their first reading or adoption. Texts of committee amendments appear when they are reported out of committee and floor amendments are inserted at the end of the day on which they were filed. The appendices include a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a sponsor and subject index.

JoAnn Paulin, Rhonda Carter, and Shelly Purvis prepared the *House Journal* for the 2002 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

Reauthorization

The General Assembly authorizes the Department to develop and implement a facility replacement and renovation program to improve the quality of Workforce Development Cabinet facilities used by the Department and its clients, and to reduce departmental reliance on lease/rental properties. The Department is directed to coordinate this program with the Secretary of the Finance and Administration Cabinet. Proceeds acquired from the sale, transfer, or other disposition of existing facilities may be expended toward the purchase, construction, renovation, and equipping and furnishing of replacement facilities. Expenditures authorized by this provision are limited to the use of funds solely derived from the sale of Cabinet-owned facilities, which equity rights are shared between both the state and the federal government. Any project estimated to cost over $400,000 shall be reported to the Capital Projects and Bond Oversight Committee by the Secretary of the Finance and Administration Cabinet.

R. COAL SEVERANCE TAX PROJECTS

Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are comprised of estimated receipts for fiscal year 2002-2003 and fiscal year 2003-2004 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Coal County Development Office.

CAPITAL PROJECTS BUDGET PROVISIONS FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 2002, unless reauthorized in this Act with the following exceptions: (1) a construction contract for the project shall have been awarded by June 30, 2002; (2) permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties; and (4) any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky Acts, Ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), unless expressly reauthorized or reallotted in this Act. Any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky Acts, Ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), that is not expressly reauthorized or reallotted in this Act is deemed to be reauthorized. Notwithstanding the criteria set forth in this section, the disposition of 2000-2002 non-statutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to the provisions of KRS 45.770(4)(c) and (d) with the exception of the Cabinet for Families and Children. To facilitate the transfer of five (5) buildings from the Cabinet for Families and Children to the Finance and Administration Cabinet, it is the intent of the General Assembly that any remaining balance in any currently authorized Cabinet for Families and Children non-bond funded project be credited to the Finance and Administration Cabinet Maintenance Pool. Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 2002.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium. The full amount of annualized debt service has been included at the beginning of fiscal year 2003-2004. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 2003.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

4. Notwithstanding the provisions of KRS 45.750 to 45.782, the General Assembly has determined that certain individual capital projects identified in this Act as eligible for funding from the Emergency Repair, Maintenance and Replacement Fund, the Capital Construction and Equipment Purchase Contingency Fund or the Deferred Maintenance Fund require a direct appropriation from the Emergency Repair, Maintenance and Replacement Fund, the Capital Construction and Equipment Purchase Contingency Fund and the Deferred Maintenance Fund in this Act. KRS 45.782 notwithstanding, certain of the Deferred Maintenance projects identified in Part II of this Act exceed $400,000 each.

5. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding the provisions of KRS 48.720, KRS 48.010, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited to the Deferred Maintenance Pool Account each year. Unneeded debt service resulting due to any other circumstance shall lapse in accordance with KRS 48.720, KRS 48.010, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance and Replacement Fund falls below $5,000,000 in fiscal year 2001-2002 or in fiscal year 2002-2003, any debt service lapse necessary to bring the fund balance to $5,000,000 in either of these fiscal years shall be credited to the Emergency Repair, Maintenance and Replacement Fund. If the Emergency Repair, Maintenance and Replacement Fund remains at $5,000,000 or above, the first $2,000,000 in fiscal year 2001-2002 or fiscal year 2002-2003 in debt service lapse shall be deposited to the General Fund Surplus Account for the purpose of

paying unbudgeted Necessary Government Expenses. No transfer to the Emergency Repair, Maintenance and Replacement Fund or the General Fund Surplus Account shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other parts of this Act.

6. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction and Equipment Purchase Contingency Account established in KRS 45.770.

7. The Council on Postsecondary Education subheading in this Part includes a project entitled "Agency Bond Pool," (L.1.a.). Agency Bond Pool, $66,800,000 in projects are authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2002-2004 biennium.

The provisions of KRS 45.750 to 45.816 notwithstanding, capital construction projects at institutions of postsecondary education involving no state or Federal Funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.

8. The Research Challenge Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.c.) shall be transferred to the Research Challenge Trust Fund as established in KRS 164.7911 and KRS 164.7917.

9. The Regional University Excellence Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.d.) shall be transferred to the Regional University Excellence Trust Fund as established in KRS 164.7911 and KRS 164.7919.

10. Notwithstanding 2000 KY Acts Ch. 549, Part II, 10., pertaining to the Capital Renewal and Maintenance Pool, the matching requirement is extended until June 30, 2004. Each postsecondary education institution may access any unmatched funds allocated from the Capital Renewal and Maintenance Pool to that institution after entering into an agreement with the Council on Postsecondary Education agreeing to fulfill the matching requirement by June 30, 2004. The Council on Postsecondary Education shall develop guidelines for the agreements.

11. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under the provisions of KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

12. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Repair of State-Owned Dams, Land Acquisition, Property Demolition, Guaranteed Energy Savings projects, Purchase of Agricultural Conservation Easements (PACE), Wetland and Stream Mitigation, Phase I Tobacco Settlement Agricultural Development Initiative, Economic Development projects which shall include authorization for the High-Tech Construction Pool and the High-Tech Investment Pool, Infrastructure projects, Employment Services facilities projects authorized in this part of this Act, Asbestos Abatement projects, Technology Trust Fund projects, systems, initiatives, and the Council on Postsecondary Education Agency Bond Pool and Capital Renewal and Maintenance Pool. Any projects estimated to cost over $400,000 and equipment estimated to cost over $100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

13. Notwithstanding KRS 42.560 or any other statute or provision of law to the contrary, all undisbursed funds in the Energy Assistance Trust Fund, the expenditure authority for which expired February 19, 1998, are hereby transferred and appropriated to the Energy Efficiency in State Government Buildings Revolving Loan Fund, contingent upon passage of enabling legislation. These funds represent receipts and accumulated interest thereon from the Stripper Well Settlement Agreement under the U.S. Department of Energy Stripper Well Exemption Litigation, as provided in KRS 42.560 to 42.566. These funds are appropriated as Restricted Funds in the Finance and Administration Cabinet's Capital Budget.

14. Notwithstanding the provisions of KRS 154.33-600 to 154.33-609 or any other statute or provision of law to the contrary, all moneys appropriated by the 1998 General Assembly and added to or reauthorized by the 2000 General Assembly for the Red Fox golf course are hereby reauthorized and reallocated to a new entity entitled "The Perry/Knott County Recreational Authority"(PKCRA) with the following exception: the $700,000 originally appropriated by the 1998 General Assembly from the Letcher County/Single County Coal Severance tax money is hereby directed to be returned to Letcher County. The balance of funds remaining in the heretofore entitled Red Fox/Carr Fork golf course project are authorized to be directed to a public recreational project or projects including, but not limited to, a public golf course at a site or sites to be determined by the Authority. The recreational project or projects supported by these funds shall be administered through a new bi-county cooperative authority comprised of one (1) member from both Knott and Perry Counties who shall be appointed by the respective

County Judge/Executive and three (3) members who shall be appointed by the Governor. The new five (5) member Board of the Authority shall develop, operate, and manage the project. This authorization shall supersede any previous authorization by the General Assembly and any memorandum of agreement or understanding that has been entered into among the Commonwealth, Perry, Knott, and Letcher counties.

4. No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly, legislative and executive records, and the statutory budget memorandum.

5. Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account respectively to the extent the Federal Funds otherwise become available.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of[~~ state~~] employees. (5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the ***Commonwealth***[~~state~~] not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, ***public postsecondary educational institution,*** or branch of state, ***city***[~~municipal~~], urban-county, charter county,[~~ or~~] county***, or consolidated local*** government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. ~~(9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.~~

~~(10)~~] Group rates under this section shall be made available to the disabled child of ***an***[~~a state~~] employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11)[~~(13)~~] Notwithstanding any other provision of law to the contrary, the policy or policies provided to[~~ state~~] employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of[~~ state~~] employees or their dependents.

(12)[~~(14)~~] Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the ***Department of Insurance***[~~Personnel Cabinet~~], if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. (f) If any agency participating in the ***state-sponsored***[~~state~~] employee health insurance program for its active ***employees***[~~members~~] terminates participation [~~in the state employee health insurance program for its active members~~] and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, ***then*** neither the agency nor the employees shall receive the state-funded contribution after termination from the ***state-sponsored***[~~state~~] employee health insurance program.

(g) An entity's participation in the state-sponsored health insurance program shall continue as long as that entity participates in any state-administered retirement system.

(h) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the ***state-sponsored***[~~state~~] health insurance plan's appropriation account.

(i) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to, but not greater than, the state contribution rate.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of[~~ state~~] employees. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for[~~ state~~] employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the[~~ insured~~] employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, ***public postsecondary education institution,*** or branch of state, ***city***[~~municipal~~], urban-county, charter county,[~~ or~~] county***, or consolidated local*** government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, ***postsecondary education institution,*** or branch of state, ***city***[~~municipal~~], urban-county, charter county,[~~ or~~] county***, or consolidated local*** government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the ***Commonwealth***[~~state~~] not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, ***public postsecondary educational institution,*** or branch of state, ***city***[~~municipal~~], urban-county, charter county,[~~ or~~] county***, or consolidated local*** government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, ***public postsecondary educational institution,*** or branch of state, ***city***[~~municipal~~], urban-county, charter county,[~~ or~~] county***, or consolidated local*** government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement[~~, and other provisions the commissioner of insurance may approve~~].

(8)[~~ The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.~~

~~(9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.~~

~~(10)~~] Group rates under this section shall be made available to the disabled child of ***an***[~~a state~~] employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(9)[~~(11)~~] The health care contract or contracts for[~~ state~~] employees shall be entered into for a period of not less than one (1) year.

(10)[~~(12)~~] The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the ***state-sponsored***[~~state~~] health insurance program for[~~ state~~] employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11)[~~(13)~~] Notwithstanding any other provision of law to the contrary, the policy or policies provided to[~~ state~~] employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of[~~ state~~] employees or their dependents.

(12)[~~(14)~~] Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the ***Department of Insurance***[~~Personnel Cabinet~~], if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

Section 2. KRS 18A.227 is amended to read as follows:

(1) For purposes of this section, the following definitions shall apply:

(a) "Cafeteria plan" shall mean a flexible benefits plan which meets the requirements of Section 125 of the Federal Internal Revenue Code;

(b) "Employee" shall mean a person, including an elected public official, who is regularly employed by any department, board, agency, or branch of state[~~, municipal, urban-county, charter county, or county~~] government, and who is a contributing member to any one (1) of the retirement systems administered by the state;

(2) As part of the employee benefits provided to state employees under this chapter, the cabinet may develop and make available to eligible employees a flexible benefits plan which meets the requirements for treatment as a cafeteria plan under Section 125 of the Internal Revenue Code. The plan shall be in writing and shall be available on an equal basis to all eligible employees within each county.

(3) Options available under the plan may include, but are not limited to:

(4)[~~ Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse of a retiree, under any one (1) of the Kentucky Retirement Systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of employment under KRS Chapter 16, KRS Chapter 18A, or KRS Chapter 151B.~~

~~(5)~~] Any employee who desires to participate in options offered under the plan, may direct that any options elected shall be funded through payroll deduction.[~~ The election shall be made in writing; and~~] Once an option is chosen, it shall not be changed until the end of the period for which election is made unless the employee experiences a change in family status, other change of status, or special enrollment rights under the Federal Health Insurance Portability and Accountability Act of 1996 which necessitates a revision of his benefit election.

(5)[~~(6)~~] Any employee contributions required toward the purchase of the selected options shall be made by a salary reduction contribution, to the extent the benefits would be considered to be tax-free under Chapter 1 of the Internal Revenue Code, and by after-tax salary deduction where the elected option is not tax-free.

Section 3. (1) The Legislative Research Commission is directed to have a study conducted by the Interim Joint Committee on State Government, with assistance from the LRC Chief Economist, to determine the cost, if any, to members of the state health insurance group as a result of agencies participating in state-administered retirement systems while insuring their active employees outside the state health insurance group. The Legislative Research Commission shall hire an actuary that has no contractual relations with any state-administered retirement system, the Office of Public Employee Health Insurance, the Kentucky Education Association, KACO, the League of Cities, any regional university, or any governmental entity affected by this study to assist with the study. The committee shall develop and transmit a report of its findings to the Legislative Research Commission on or before October 1, 2002. If it is determined that there is such a cost, the report shall project the cost for at least five years into the future and recommend the administrative procedures through which this cost can be paid by these agencies.

(2) Provisions of this section to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

The Interim Joint Committee on Labor and Industry is directed to review studies and reports and to take testimony to assess if nonsupervisory health facility employees are routinely and regularly required to work extended work shifts and forego taking time off, and the impact of such practices on patient care, during the 2002 and 2003 interims.

Section 2. The Interim Joint Committee on Labor and Industry shall make a final report to the Legislative Research Commission no later than October 1, 2003.

Section 3. Provisions of this Act to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternately assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

HB 782, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.140 is amended to read as follows:

The average weekly wage of the injured employee at the time of the injury or last injurious exposure shall be determined as follows:

(1) If at the time of the injury which resulted in death or disability or the last date of injurious exposure preceding death or

disability from an occupational disease:

(a) The wages were fixed by the week, the amount so fixed shall be the average weekly wage;

(b) The wages were fixed by the month, the average weekly wage shall be the monthly wage so fixed multiplied by twelve (12) and divided by fifty-two (52);

(c) The wages were fixed by the year, the average weekly wage shall be the yearly wage so fixed divided by fifty-two (52);

(d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury***, except that overtime shall be included for an employee whose work week consists of an average of fifty-six (56) hours including at least one (1) twenty-four (24) hour shift in the work week***.

(e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for that purpose to be the amount he would have earned had he been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where the services are rendered by paid employees.

(2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.

(3) In the case of volunteer firemen, police, and emergency management agency members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.

(4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his wages should be expected to increase during the period of disability, that fact may be considered in computing his average weekly wage.

(5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of the employment prior to the injury, his wages from all the employers shall be considered as if earned from the employer liable for compensation.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent the gratuities are reported for income tax purposes.

(7) The commissioner shall, from time to time, based upon the best available information, determine by administrative regulation industries which ordinarily do not have a full working day for five (5) days in every week. In those industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used in this subsection means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

HB 832, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.020 is amended to read as follows:

(1) ***(a)*** In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee.

(b) The employer, insurer, or payment obligor acting on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of the services within thirty (30) days of receipt of a statement for services. The commissioner shall promulgate administrative regulations establishing conditions under which the thirty (30) day period for payment may be tolled.

(c) The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter, if appropriate, as long as medical services are rendered.

(d) If medical services or benefits, or overdue payments for medical services are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation.

(e) Except as provided in subsection (4) of this section, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate administrative regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.

(2) Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.

(3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.

(4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:

(a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;

(b) The employee shall be allowed choice of provider within the plan;

(c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;

(d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;

(e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;

(f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and

(g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.

(h) A schedule of fees for all medical services to be provided under this chapter which shall not be subject to the limitations on medical fees contained in this chapter.

(i) Restrictions on provider selection imposed by a managed health care system authorized by this chapter shall not apply to emergency medical care.

(5) Except for emergency medical care, medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.

(6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces as may reasonably be required at the time of the injury and thereafter during disability.

(7) Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat the injury or disease, or because of the hospital selected by the employee in which treatment is being rendered, that the employee is not receiving proper medical treatment and the recovery is being substantially affected or delayed; or that the funds for medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for the injury or disease. No action shall be brought against any

employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(8) An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury or disease for which the employee claims compensation.

(9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 2. KRS 342.125 is amended to read as follows:

(1) Upon motion by any party or upon an administrative law judge's own motion, an administrative law judge may reopen and review any award or order on any of the following grounds:

(a) Fraud;

(b) Newly-discovered evidence which could not have been discovered with the exercise of due diligence;

(c) Mistake; and

(d) Change of disability as shown by objective medical evidence of worsening or improvement of impairment due to a condition caused by the injury since the date of the award or order.

(2) No claim which has been previously dismissed or denied on the merits shall be reopened except upon the grounds set forth in this section.

(3) Except for reopening solely for determination of the compensability of medical expenses, fraud, or conforming the award as set forth in KRS 342.730(1)(c)2., or for reducing a permanent total disability award when an employee returns to work, or seeking temporary total disability benefits during the period of an award, no claim shall be reopened more than four (4) years following the ***termination*** date of the original award or order granting or denying benefits, and no party may file a motion to reopen within one (1) year of any previous motion to reopen by the same party.

(4) Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding under this chapter. Upon reopening, the administrative law judge may end, diminish, or increase compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke a previous order. The administrative law judge shall immediately send all parties a copy of the subsequent order or award. Reopening shall not affect the previous order or award as to any sums already paid thereunder, and any change in the amount of compensation shall be ordered only from the date of filing the motion to reopen. No employer shall suspend benefits during pendency of any reopening procedures except upon order of the administrative law judge.

(5) (a) Upon the application of the affected employee, and a showing of progression of his previously-diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to that pneumoconiosis and two (2) additional years of employment in the Commonwealth wherein the employee was continuously exposed to the hazards of the disease, the administrative law judge may review an award or order for benefits attributable to coal-related pneumoconiosis under KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.

(b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits or income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount which shall be apportioned in accordance with the provisions of KRS 342.316.

(6) In a reopening or review proceeding where there has been additional permanent partial disability awarded, the increase shall not extend the original period, unless the combined prior disability and increased disability exceeds fifty percent (50%), but less than one hundred percent (100%), in which event the awarded period shall not exceed five hundred twenty (520) weeks, from commencement date of the original disability previously awarded. The law in effect on the date of the original injury controls the rights of the parties.

(7) Where an agreement has become an award by approval of the administrative law judge, and a reopening and review of that award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the administrative law judge as an admission against

the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.

(8) The time limitation prescribed in this section shall apply to all claims irrespective of when they were incurred, or when the award was entered, or the settlement approved. However, claims decided prior to December 12, 1996, may be reopened within four (4) years of the award or order or within four (4) years of December 12, 1996, whichever is later, provided that the exceptions to reopening established in subsections (1) and (3) of this section shall apply to these claims as well.

Section 3. KRS 342.185 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, no proceeding under this chapter for compensation for an injury or death shall be maintained unless a notice of the accident shall have been given to the employer as soon as practicable after the happening thereof and unless an application for adjustment of claim for compensation with respect to the injury shall have been made with the department within two (2) years after the date of the accident, or in case of death, within two (2) years after the death, whether or not a claim has been made by the employee himself for compensation ***except for injuries caused by cumulative trauma, in which case an application for adjustment of claim for compensation shall be filed within two (2) years after the last injurious exposure to the cumulative trauma***. The notice and the claim may be given or made by any person claiming to be entitled to compensation or by someone in his behalf. If payments of income benefits have been made, the filing of an application for adjustment of claim with the department within the period shall not be required, but shall become requisite within two (2) years following the suspension of payments or within two (2) years of the date of the accident, whichever is later.

(2) The right to compensation under this chapter resulting from work-related exposure to the human immunodeficiency virus shall be barred unless notice of the injurious exposure is given in accordance with subsection (1) of this section and unless an application for adjustment of claim for compensation shall have been made with the commissioner within five (5) years after the injurious exposure to the virus.

Section 4. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.

(2) The commissioner shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.

(5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The commissioner shall cooperate on a reciprocal basis with the Department of Vocational Rehabilitation and the Department for Employment Services of the Kentucky Cabinet for Workforce Development. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Department of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.

(7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds

percent (66-2/3%) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

(8) If rehabilitation services or benefits, or overdue payments for such benefits or services are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation.

Section 5. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.

(b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	0.65
6 to 10%	0.85
11 to 15%	1.00
16 to 20%	1.00
21 to 25%	1.15
26 to 30%	1.35
31 to 35%	1.50
36% and above	1.70

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be multiplied by three (3) times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; or

2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.

3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve

(12) years of education or a high school General Educational Development diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).

4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.

(d) For permanent partial disability, if an employee has a permanent disability rating of ***thirty-five***[~~fifty~~] percent ***(35%)***[~~(50%)~~] or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than ***thirty-five***[~~fifty~~] percent ***(35%)***[~~(50%)~~], the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding ***thirty-five***[~~fifty~~] percent ***(35%)***[~~(50%)~~] arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.

(e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the commissioner provides by administrative regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.

(4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee ***reaches age seventy (70)***[~~qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f~~], or ***five (5)***[~~two (2)~~] years after the employee's injury or last exposure, whichever last occurs.[~~ In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.~~]

(5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be

offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.

(6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.

(7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

The Committee Substitute to **HB 832** is as follows:

HB 832, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.

(b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, times the factor set forth in the table that follows:

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be multiplied by three (3) times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; or

2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.

3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a high school General Educational Development diploma, the multiplier shall be

increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).

4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.

(d) For permanent partial disability, if an employee has a permanent disability rating of ***thirty-five***[~~fifty~~] percent ***(35%)***[~~(50%)~~] or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than ***thirty-five***[~~fifty~~] percent ***(35%)***[~~(50%)~~], the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding ***thirty-five***[~~fifty~~] percent ***(35%)***[~~(50%)~~] arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.

(e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the commissioner provides by administrative regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.

(4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.

(5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.

(6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.

(7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

HJR 191, A JOINT RESOLUTION directing the Cabinet for Health Services to study the problem of teenage in-vehicle drinking and related drug abuse.

WHEREAS, teenagers with ready access to the motor vehicle have become increasingly mobile; and

WHEREAS, in the United States in 1998, 1,695 youths in the 15- to 19-year-old age range lost their lives as a result of alcohol-related traffic accidents; and

WHEREAS, the Aluminum Anonymous Project surveyed 1,072 miles of Kentucky roadsides from Pikeville to Hazard to London to Lebanon to Glasgow to the Tennessee state line, and from the West Virginia state line to Maysville to Frankfort to Owensboro to Hopkinsville in September 1997, November 1998, and October 2000 for the discard rate of alcohol beverage containers, finding an average of 1,025 beer cans or beer bottles per mile of road annually; and

WHEREAS, the Aluminum Anonymous Project followed up the survey with "Who's Doing the Tossing?" interviews of professionals working with teens and adults in alcohol and drug settings, and it was estimated that 50% of the discarded alcohol containers were coming from teenagers; and

WHEREAS, in spite of the January 2001 national survey of teenagers by the National Institute on Alcohol Abuse and Alcoholism (NIAAA) that includes questions of drinking and drug use while driving and riding, perhaps for the first time at the federal level, too little is known about alcohol and drug behavior of Kentucky teenagers after the car doors close; and

WHEREAS, the January 2001 report of the National Center on Substance Abuse and Addiction, "Shoveling Up: Impact of Substance Abuse on State Budgets," states that only 1% of the $957 million total that is spent annually on substance abuse problems is for prevention and treatment;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Cabinet for Health Services, in cooperation with the Transportation Cabinet, the Justice Cabinet, the Kentucky Agency for Substance Abuse Policy, the Department for Juvenile Justice, and the Cabinet for Families and Children, and any other appropriate state agency or commission that deals with or has or should have knowledge of the problem of teenage in-vehicle drinking and related drug use, shall study this problem by:

(1) Assembling what is known about this behavior, its dynamics, prevalence and incidence;

(2) Identifying gaps in knowledge, program, policy and interagency interaction; and

(3) Recommending action that should be taken by the involved state agencies and the Kentucky General Assembly.

Section 2. The Cabinet for Health Services shall report by October 1, 2002, to the Governor and the Legislative Research Commission with a recommended plan of action for policy and program that would comprehensively incorporate teenage in-vehicle drinking and related drug use into the scope of the state's prevention strategies. The report shall include, if appropriate, the identification of new programs along with their estimated costs.

(7) Allocate revenue growth beyond the base revenue level among the county and the cities within the county based upon the provision of services that are funded from the local tax base effort;

(8) Provide that if the total revenues collected within the county from insurance premium taxes and occupational license fees fall below the base revenue level, then revenues from those taxes and fees shall be allocated to each local government based on their proportionate share of the combined base revenue level or by some other method specified in the agreement; and

(9) Have a minimum effective period of ten (10) years.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) A tax base coordination agreement shall be effective and be binding upon the county and each city within the county upon adoption of an ordinance approving the agreement by the fiscal court and each of the legislative bodies of a number of cities representing seventy-five percent (75%) or more of the population within the incorporated areas of the county as determined by the most recent decennial census or annual census estimates by the United States Bureau of the Census. Notwithstanding the provisions of KRS 67.077, a county ordinance approving a tax base coordination agreement shall comply with the same publication requirements as required for city ordinances in KRS 83A.060.

(a) At least every ten (10) years from when the negotiating process is initiated;

(b) Whenever the process of negotiating a tax base coordination agreement is reinitiated by the county or by the number of cities required to initially begin the process based on significant and identifiable changes in the laws or economic circumstances that make the current tax base coordination agreement unworkable; or

(c) In the event of the creation, abolition, or consolidation of governments within the county.

(2) A tax base coordination agreement may be terminated by a vote of the fiscal court and its cities in the same manner and numbers as required to approve the agreement. Termination of a tax base coordination agreement shall be effective the following July 1, provided notice of the termination is given to the Department for Local Government and the Department of Insurance at least one hundred (100) days prior to July 1.

SECTION 9. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

A tax base coordination agreement may supersede the crediting requirements on county occupational license fees as set forth in subsection (1) of Section 12 of this Act and on insurance premium taxes as set forth in Section 13 of this Act as long as the tax base coordination agreement is in effect. Any provision of an agreement that supercedes the crediting requirement on insurance premium taxes shall be effective the following July 1, provided notice of the agreement is given to the Department of Insurance at least one hundred (100) days prior to July 1.

SECTION 10. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) If a county and the cities within the county are unable to successfully negotiate a tax base coordination agreement within eighteen (18) months of notification by the Department for Local Government in accordance with Section 3 of this Act, the local governments shall notify the Department for Local Government and attempt to resolve their differences through mediation by a neutral third party mediator.

(2) The mediator shall be appointed by the Commissioner of the Department for Local Government, with the consent of the county and a majority of the cities within the county, from a list of trained mediators.

(3) The cost of mediation shall be apportioned among the county and the cities within the county based on relative population

(4) The mediator shall render his or her final report on the matter not later than ninety (90) days following the final submission of the matter to the mediator.

(5) The mediator's report shall not be binding upon any party and any tax base coordination agreement offered by the mediator but not agreed to by the county and the cities within the county as required by Section 7 of this Act shall be void. Failure of the county and the cities within the county to adopt a tax base coordination agreement following mediation shall not affect the continuation of the provisions of Section 4(1) of this Act.

SECTION 11. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

The provisions of Sections 1 to 11 of this Act may be cited as the Local Government Service and Tax Base Coordination Act.

Section 12. KRS 68.197 is amended to read as follows:

(1) The fiscal court of each county having a population of thirty thousand (30,000) or more may by ordinance impose license fees on franchises, provide for licensing any business, trade, occupation, or profession, and the using, holding, or exhibiting of any animal, article, or other thing. License fees on such business, trade, occupation, or profession for revenue purposes, except those of the common schools, may be imposed at a percentage rate not to exceed one percent (1%) of:

(a) Salaries, wages, commissions, and other compensation earned by persons within the county for work done and services performed or rendered in the county;

(b) The net profits of self-employed individuals, partnerships, professional associations, or joint ventures resulting from trades, professions, occupations, businesses, or activities conducted in the county; and

(c) The net profits of corporations resulting from trades, professions, occupations, businesses, or activities conducted in the county.

In order to reduce administrative costs and minimize paperwork for employers, employees, and businesses, the fiscal court may provide:

1. For an annual fixed amount license fee which a person may elect to pay in lieu of reporting and paying the percentage rate as provided in this subsection on salaries, wages, commissions, and other compensation earned within the county for work done and services performed or rendered in the county; and

2. For an annual fixed amount license fee which an individual, partnership, professional association, joint venture, or corporation may elect to pay in lieu of reporting and paying the percentage rate as provided in this subsection on net profits of businesses, trades, professions, or occupations from activities conducted in the county.

Licenses imposed for regulatory purposes are not subject to such limitations as to form and amount. No public service company that pays an ad valorem tax is required to pay a license tax, and no license tax shall be imposed upon or collected from any insurance company except as provided in KRS 91A.080, bank, trust company, combined bank and trust company, combined trust, banking, and title business in this state, or any savings and loan association whether state or federally chartered, or in other cases where the county is prohibited by law from imposing a license tax.

(2) No license fee shall be imposed or collected on income received by members of the Kentucky National Guard for active duty training, unit training assemblies, and annual field training, or on income received by precinct workers for election training or work at election booths in state, county, and local primary, regular, or special elections.

(3) Persons who pay a county license fee pursuant to this section and who also pay a license fee to a city contained in the county may, upon agreement between the county and the city, credit their city license fee against their county license fee.

(4) The provisions of subsection (3) of this section notwithstanding, effective with license fees imposed under the provisions of subsection (1) of this section on or after July 15, 1986, persons who pay a county license fee and a license fee to a city contained in the county shall***, subject to the provisions of a tax base coordination agreement adopted in accordance with Sections 1 to 11 of this Act,*** be allowed to credit their city license fee against their county license fee.

(5) On July 14, 2000, the provisions of subsection (4) of this section notwithstanding, city license fees not credited against county license fees enacted under this section or KRS 67.083 as of January 1, 2000, shall not be credited against county license fees. However, this exception shall not apply to county license fees enacted for the first time, or increased, on or after January 1, 2000. This provision shall expire ***on June 30, 2002, in counties containing a city of the first class, urban-counties, charter counties, consolidated local governments, and counties with a population of less than thirty thousand (30,000) as shown by the 2000 decennial census by the United States Bureau of Census, and shall expire in all other counties on June 30, 2003***[~~July 15, 2002, unless otherwise extended by the General Assembly~~].

(6) A county that enacted an occupational license fee under the authority of KRS 67.083 shall not be required to reduce its occupational tax rate when it is determined that the population of the county exceeds thirty thousand (30,000).

Section 13. KRS 91A.080 is amended to read as follows:

(1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those city, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.

(3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, or urban-county government to which the tax or fee is remitted with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

(a) Casualty;
(b) Automobile;
(c) Inland marine;
(d) Fire and allied perils;
(e) Health; and
(f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) (a) ***Subject to the provisions of a tax base coordination agreement adopted in accordance with the provisions of Sections 1 to 11 of this Act,*** insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

(b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The provisions of this paragraph shall expire on ***June 30, 2002, in counties containing a city of the first class, urban-counties, charter counties, consolidated local governments, and counties with a population of less than thirty thousand (30,000) as shown by the 2000 decennial census by the United States Bureau of the Census, and shall expire in all other counties on*** June 30, ***2003*** [~~2002, unless extended by the General Assembly~~].

(13) No license fee or tax imposed under this section shall apply to premiums received on health insurance policies issued to individuals nor to policies issued through Kentucky Access created in KRS 304.17B-005.

On page 12, after line 25, by adding the following new section:

"Section 11. KRS 117.045 is amended to read as follows:

(1) The county board of elections shall in the manner prescribed by this section, not later than March 20 each year, except in a year in which no primary and regular elections are scheduled, appoint for each precinct in the county two (2) judges, one (1) clerk and one (1) sheriff of election. They shall serve in all elections held in the county during the year[~~, except as provided in KRS Chapter 242~~]. If a special election is ordered to be held in a year in which no elections are scheduled, the county executive committee of each political party in each county in the territory affected by the special election shall, not later than twenty-eight (28) days preceding the date of the special election, submit a written list of nominees for precinct election officers to serve in the special election in a manner consistent with the provisions of subsection (2) of this section. The county board of elections in each county in the territory affected by the special election shall, not later than twenty-one (21) days preceding the date of the special election, appoint precinct election officers to serve in the special election in a manner consistent with the provisions of subsections (4), (5), and (6) of this section. The State Board of Elections shall promulgate an administrative regulation establishing evaluation procedures which county boards of elections may use to qualify persons nominated to serve as precinct election officers.

(2) The county executive committees of the two (2) political parties having representation on the State Board of Elections may, on or before March 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct; except that, in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a lesser number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one (1) authorized to submit the lists. The lists shall contain the full name, address, phone number, and Social Security number, if available, of each person listed. The lists shall be accompanied by a signed statement from each person stating that he is willing to serve, has not failed to serve without excuse in the past, and has not been convicted of an election law offense or any felony, unless the person's civil rights have been restored by the Governor. The State Board of Elections shall prescribe by administrative regulation the form of the list.

(3) The Attorney General shall notify each party state central committee of the duties of the party.

(4) If lists are submitted, the county board of elections shall select one (1) judge at each voting place from each political party's list, and the county board shall select the sheriff from one (1) political party's list and the clerk from the other. If no lists are submitted, the two (2) members of the county board of elections who are appointed by the State Board of Elections may submit lists; and the county board shall select the sheriff and one (1) judge from one (1) list and the clerk and the other judge from the remaining list. If no lists are submitted, the county board shall select the sheriff and one (1) judge from the membership of one (1) party and the clerk and the other judge from the membership of the remaining party. The county board shall, when possible, also appoint an adequate number of alternate precinct election officers from names on the lists which were submitted but which were not selected by the county board as precinct election officers. If alternate precinct election officers are not appointed from the lists of nominees who were not selected as precinct election officers, the county board of elections shall submit its method of selecting alternate precinct election officers to the State Board of Elections for its approval.

(5) If, after all reasonable efforts have been made, the county board of elections is unable to find two (2) qualified officers for each precinct who are affiliated with the two (2) political parties having representation on the State Board of Elections, the county board shall submit a list of emergency election officer appointments to the State Board of Elections. The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. The list of emergency appointments may include qualified voters not affiliated with the two (2) parties represented on the state board. The state board, after its review, may approve any or all of the emergency appointments submitted by the county board or may direct the county board to take other action. Any emergency appointment shall be made for the next ensuing election only.

(6) In addition to precinct election officers appointed under subsection (1) of this section, a county board of elections may appoint up to two (2) additional precinct election officers per precinct with the approval of the State Board of Elections. The state board shall promulgate an administrative regulation establishing conditions under which additional precinct officers may be approved.

(7) The county board of elections shall, within ten (10) days before the next ensuing election, give each election officer written notice of his appointment. The board may direct the sheriff of the county to serve the notice of appointment, if it deems the action is necessary.

(8) The State Board of Elections may require the county board of elections to submit its list of precinct officers for review. The State Board of Elections may, after a hearing, direct the removal of any election officer who the board finds would not fairly administer the state election laws. The state board shall replace any officer so removed. The board shall provide for

the method and manner of the hearing by administrative regulation.

(9) An election officer shall be a qualified voter of the precinct; except that, where no qualified voter of the required political party is available within the precinct, the election officer shall be a qualified voter of the county. An election officer shall not be a candidate or the spouse, parent, brother, sister, or child of a candidate who is to be voted for at the election. An election officer shall not have changed his voter registration party affiliation for one (1) year prior to his appointment. An election officer may be removed, for cause, at any time up to five (5) days before an election. Vacancies shall be filled by the county board with alternate precinct election officers and the person appointed to fill the vacancy shall be of the same political party as the vacating officer, except for emergency appointments made as provided in subsection (5) of this section.

(10) If the county board of elections fails to appoint election officers, or if any officer is not present at the precinct at the time for commencing the election, or refuses to act, and if no alternate is available, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

(11) Each election officer shall be paid a minimum of sixty dollars ($60) per election day served, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering the election packets to the polls, the precinct election officers shall receive in addition the mileage reimbursement provided for state employees, for each mile necessarily traveled in the delivery of the packets to the polls, or a flat fee if the fee equals or exceeds that amount. For delivering election returns, the precinct election judges shall receive in addition the mileage reimbursement provided for state employees for each mile necessarily traveled from the place of voting to and from the place of delivery, or a flat fee if the fee equals or exceeds that amount. The fee paid to the precinct election judges for delivering election returns shall be paid by the county."

5. Persons who are prevented from voting in person at the polls on election day and from casting an absentee ballot in person in the county clerk's office on all days absentee voting is conducted prior to election day because their employment location requires them to be absent from the county all hours and all days absentee voting is conducted in the county clerk's office.

(b) Residents of Kentucky who are members of the Armed Forces, dependents of members of the Armed Forces, and overseas citizens, may apply for an absentee ballot by means of the federal post-card application, which may be transmitted to the county clerk's office by mail or by facsimile machine. The application may be used to register, reregister, and to apply for an absentee ballot. If the federal post-card application is received at any time not less than seven (7) days before the election, the county clerk shall affix his seal to the application form upon receipt.

(c) Any other qualified voter in the county who is not permitted to vote by absentee ballot under paragraph (a) of subsection (1) of this section who shall be absent from the county on any election day may, at any time during normal business hours on at least any of the twelve (12) working days before the election, make application in person to the county clerk to vote on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. A county board of elections may permit absentee voting to be conducted on a voting machine for a period longer than the twelve (12) working days before the election prescribed above.

(d) Any member of the county board of elections, any precinct election officer appointed to serve in a precinct other than that in which he is registered, and any alternate precinct election officer may vote on a voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, up to the close of normal business hours on the day before the election. The application form for those persons shall be prescribed by the State Board of Elections and, in the case of application by precinct election officers, shall contain a verification of appointment signed by a member of the county board of elections. If an alternate precinct election officer or a precinct election officer appointed to serve in a precinct other than that in which he is registered receives his appointment while absentee voting is being conducted in the county, such officer may vote on a voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, up to the close of normal business hours on the day before the election. In case of such voters, the verification of appointment shall also contain the date of appointment. The applications shall be restricted to the use of the voter only.

(e) Any pregnant woman who is in her last trimester of pregnancy at the time she wishes to vote under this paragraph may vote on a voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections. She may vote at any time during business hours on at least any of the twelve (12) working days before the election up to the close of business hours on the day before the election. The application form for those persons shall be prescribed by the State Board of Elections, which shall contain the woman's sworn statement that she is in fact in her last trimester of pregnancy at the time she wishes to vote, and shall be made in person to the county clerk, at any time during any of the twelve (12) working days before the election. A county board of elections may permit absentee voting to be conducted on a voting machine for a period longer than the twelve (12) working days before the election as prescribed above.

(f) The members of the county board of elections or their designees who provide equal representation of both political parties may serve as precinct election officers, without compensation, for all absentee voting performed on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. If the members of the county board of elections or their designees serve as precinct election officers for the absentee voting, they shall perform the same duties and exercise the same authority as precinct election officers who serve on the day of an election. If the members of the county board of elections or their designees do not serve as precinct election officers for the absentee voting, the county clerk or deputy county clerks shall supervise the absentee voting.

(g) Any individual qualified to appoint challengers for the day of an election may also appoint challengers to observe all absentee voting performed at the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, and those challengers may exercise the same privileges as challengers appointed for observing voting on the day of an election at a regular polling place.

(h) Residents of Kentucky who are members of the Armed Forces confined to a military base on election day and learn of that confinement within seven (7) days or less of an election and are not eligible for a paper absentee ballot under subsection (1) of this section may, at any time during normal business hours on those days absentee voting is conducted in the county clerk's office, make application in person to the county clerk to vote on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections.

(2) The clerk shall type the name of the voter permitted to vote by absentee ballot on the application form for that person's use and no other. The absentee ballot application form shall be in the form prescribed by the State Board of Elections, shall bear the seal of the county clerk, and shall contain the following information: name, residential address, precinct, party affiliation, statement of the reason the person cannot vote in person on election day, statement of where the voter shall be on election day, statement of compliance with residency requirements for voting in the precinct, and the voter's mailing address for an absentee ballot. The form shall be verified and signed by the voter. A notice of the actual penalty provisions in KRS 117.995(2) and (5) shall be printed on the application.

(3) If the county clerk finds that the voter is properly registered as stated in his application and qualifies to receive an absentee ballot by mail, he shall mail to the voter an absentee ballot, two (2) official envelopes for returning the ballot, and instructions for voting. The county clerk shall complete a postal form for a certificate of mailing for ballots mailed within the fifty (50) states, and it shall be stamped by the postal service when the ballots are mailed. An absentee ballot may be transmitted by facsimile machine to a resident of Kentucky who is a member of the Armed Forces, a dependent of a member of the Armed Forces, or a citizen residing overseas.

(4) Absentee ballots which are requested prior to the printing of the ballots shall be mailed by the county clerk to the voter within three (3) days of the receipt of the printed ballots; and absentee ballots which are requested subsequent to the receipt of the ballots by the county clerk shall be mailed to the voter within three (3) days of the receipt of the request.

(5) The clerk shall cause ballots to be printed fifty (50) days prior to each primary or general election and fifteen (15) days prior to each runoff primary.

(6) The outer envelope shall bear the words "Absentee Ballot" and the address and official title of the county clerk and shall provide space for the voter's signature, voting address, and precinct number. A detachable flap on the inner envelope shall provide space for the voter's signature, voting address, precinct number, and notice of penalty provided in KRS 117.995(5). The clerk shall type the voter's address and precinct number in the upper left hand corner of the outer envelope and of the detachable flap on the inner envelope immediately below the blank space for the voter's signature. The inner envelope shall be blank. The clerk shall retain the application and the postal form required by subsection (3) of this section for twenty-two (22) months after the election.

(7) Any person who has received an absentee ballot by mail but who knows at least seven (7) days before the date of the election that he will be in the county on election day and who has not voted pursuant to the provisions of KRS 117.086 shall cancel his absentee ballot and vote in person. He shall return his absentee ballot to the county clerk's office no later than seven (7) days prior to the date of the election. Upon the return of the absentee ballot, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Canceled because voter appeared to vote in person." Sealed envelopes so marked shall not be opened. The clerk shall remove the voter's name from the list of persons who were sent absentee ballots, and the voter may vote in the precinct in which he is properly registered."

HB 243, AN ACT relating to property tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.820 is amended to read as follows:

(1) The cabinet shall value and assess unmined coal, oil, and gas reserves, and any other mineral or energy resources which are owned, leased, or otherwise controlled separately from the surface real property at no more than fair market value in place, considering all relevant circumstances. Unmined coal, oil, and gas reserves and other mineral or energy resources shall in all cases be valued and assessed by the Revenue Cabinet as a distinct interest in real property, separate and apart from the surface real estate *unless:*

(a) The unmined coal, oil and gas reserves, and other mineral or energy resources are owned in their entirety by the surface owner;

(b) The surface owner is neither engaged in the severance, extraction, processing, or leasing of mineral or other energy resources nor is he an affiliate of a person who engages in those activities; and

(c) The surface is being used by the surface owner primarily for the purpose of raising for sale agricultural crops, including planted and managed timberland, or livestock or poultry.

For purposes of this section, "affiliate" means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another individual, partnership, committee, association, corporation, or any other organization or group of persons.

(2) Each owner or lessee of property assessed under subsection (1) of this section shall annually, between January 1 and April 15, file a return with the cabinet in a form as the cabinet may prescribe. Other individuals or corporations having knowledge of the property defined in subsection (1) of this section gained through contracting, extracting, or similar means may also be required by the cabinet to file a return.

(3) Any property subject to assessment by the cabinet under subsection (1) of this section which has not been listed for taxation, for any year in which it is taxable, by April 15 of that year shall be omitted property.

(4) After the valuation of unmined minerals or other energy sources has been finally fixed by the cabinet, the cabinet shall certify to the county clerk of each county the amount liable for county, city, or district taxation. The report shall be filed by the county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection.

(5) The notification, protest, and appeal of assessments under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 131.

(6) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(7) The collection of tax bills generated from the assessments made under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 134.

Section 2. The amendments contained in this Act shall apply to tax assessments made on or after January 1, 2003.

HB 444, AN ACT relating to capital projects.

WHEREAS, the General Assembly finds and determines that protecting prior and future investments of public funds in state-owned facilities through planned major maintenance and capital repair of these facilities is of critical importance to the Commonwealth of Kentucky; and

WHEREAS, the General Assembly further recognizes that arresting deterioration of existing state-owned facilities, limiting the effects of cost inflation associated with the deferral of necessary maintenance and repair, and assuring that facilities comply with necessary health and safety requirements require a proactive policy to protect the public investment; and

WHEREAS, the Capital Planning Advisory Board of the General Assembly has consistently recommended that adequate maintenance of our state-owned facilities should be the Commonwealth's highest capital-related priority; and

WHEREAS, it is the goal of the General Assembly to ensure that the Commonwealth provides appropriate mechanisms for identifying needs and for financing the maintenance and capital repair of state-owned facilities;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

The Commissioner of Facilities Management shall submit a list of five (5) state employees with expertise in facilities management from which these appointments shall be made.

Section 3. The State Facilities Maintenance and Renewal Task Force shall review the information available regarding the inventory of state facilities, the condition of those facilities, and proposed projects to address the maintenance and renewal of those facilities including any backlog of unmet needs. It shall review the methods currently used in Kentucky to finance the maintenance and renewal of state facilities as well as the methods used by other states and in the private sector.

Section 4. The task force shall report its findings and recommendations to the Legislative Research Commission for distribution to the appropriate legislative committees, including the Capital Planning Advisory Board, by November 30, 2002.

Section 5. Provisions of this Act to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

The Committee on Appropriations and Revenue reported **HB 707**, with Committee Amendment attached thereto, **HB 812, SB 59, SB 133, SB 138,** with Committee Substitute attached thereto, and **SB 178** with the expression of opinion that the same should pass. HB 812, AN ACT relating to property tax collections.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 186.021 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, a county clerk shall not issue a replacement plate, decal, or registration certificate as provided in KRS 186.180, or a registration for renewal to any person who on January 1 of any year owned a motor vehicle on which state, county, city, urban-county government, school, or special taxing district ad valorem taxes are delinquent.

(2) Pursuant to KRS 134.810(4), the owner ***as defined in KRS 186.010(7)(a) and (c)***[~~of record~~] on January 1 of any year shall be liable for taxes due on a motor vehicle. A person other than the owner of record who applies to a county clerk to transfer the registration of a motor vehicle may pay any delinquent ad valorem taxes due on the motor vehicle to facilitate the county clerk's transferring registration of the motor vehicle. The person applying shall not be required to pay delinquent ad valorem taxes due on any other motor vehicle owned by the owner of record from which he is purchasing his motor vehicle as a condition of registration.

(3) A county clerk shall not issue a replacement plate, decal, or registration certificate as provided in KRS 186.180, or a registration renewal for any motor vehicle that is not insured in compliance with KRS 304.39-080. Each applicant for registration renewal shall present proof of compliance to the county clerk in a manner prescribed in administrative regulations issued by the Department of Insurance.

Section 2. KRS 134.805 is amended to read as follows:

(1) The county clerk shall be allowed by the Revenue Cabinet, for collecting state ad valorem taxes on motor vehicles, a commission of four percent (4%) on state taxes collected.

(2) The county clerk shall be allowed by the county treasurer, for collecting county and special district ad valorem taxes on motor vehicles, a commission of four percent (4%) on county and special taxes collected.

(3) The county clerk shall be allowed a commission of four percent (4%) of the school district taxes collected.

(4) Effective January 1, 1985, the county clerk shall be allowed a commission of four percent (4%) of the city or urban-county government taxes collected.

(5) (a) For the convenience and benefit of the Commonwealth's citizens and to maximize ad valorem tax collections, county clerks shall be responsible for causing the preparation and mailing of a notice of ad valorem taxes due to the January 1 owner***, as defined in KRS 186.010(7)(a) and (c),***[~~of record~~] of each motor vehicle no later than ***forty-five (45) days***[~~one (1) month~~] prior to the ad valorem tax and registration renewal due date in each calendar year.

(b) When a vehicle is transferred in any year before the ad valorem taxes on that vehicle have been paid, a notice of taxes due shall be sent within ten (10) working days after the date of transfer or notice of transfer to the owner[~~ of record~~] as of January 1 of that year.

(c) When ad valorem taxes on a vehicle become delinquent for sixty (60) days, as defined by KRS 134.810, a second notice shall be sent within ten (10) working days to the January 1 owner of record. The notice shall inform the delinquent owner of the lien provisions provided by KRS 134.810 on all vehicles owned or acquired by the owner of the vehicle at the time the tax liability arose.

(d) These notices shall be calculated, prepared, and mailed first class on behalf of county clerks by the AVIS. Nonreceipt of the notices required herein shall not constitute any defense against applicable penalty, interest, lien fees, or costs recovery.

Section 3. KRS 134.810 is amended to read as follows:

(1) All state, county, city, urban-county government, school, and special taxing district ad valorem taxes shall be due and payable on or before the earlier of the last day of the month in which registration renewal is required by law for a motor vehicle renewed or the last day of the month in which a vehicle is transferred.

(2) All state, county, city, urban-county government, school, and special taxing district ad valorem taxes due on motor vehicles shall become delinquent following the earlier of the end of the month in which registration renewal is required by law or the last day of the second calendar month following the month in which a vehicle was transferred.

(3) Any taxes which are paid within thirty (30) days of becoming delinquent shall be subject to a penalty of three percent (3%) on the taxes due. However, this penalty shall be waived if the tax bill is paid within five (5) days of the tax bill being declared delinquent. Any taxes which are not paid within thirty (30) days of becoming delinquent shall be subject to a penalty of ten percent (10%) on the taxes due. In addition, interest at an annual rate of fifteen percent (15%) shall accrue on said taxes and penalty from the date of delinquency. A penalty or interest shall not accrue on a motor vehicle under dealer assignment pursuant to KRS 186A.220.

(4) When a motor vehicle has been transferred before registration renewal or before taxes due have been paid, the owner ***pursuant to KRS 186.010(7)(a) and (c)***[~~of record~~] on January 1 of any year shall be liable for the taxes on the motor vehicle, except as hereinafter provided.

(5) If an owner obtains a certificate of registration for a motor vehicle valid through the last day of his second birth month following the month and year in which he applied for a certificate of registration, all state, county, city, urban-county government, school, and special tax district ad valorem tax liabilities arising from the assessment date following initial registration shall be due and payable on or before the last day of the first birth month following the assessment date or date of transfer, whichever is earlier. Any taxes due under the provisions of this subsection and not paid as set forth above shall be considered delinquent and subject to the same interest and penalties found in subsection (3) of this section.

(6) For purposes of the state ad valorem tax only, all motor vehicles held for sale by a licensed Kentucky dealer and all motor vehicles with a salvage title held by an insurance company on January 1 of any year shall not be taxed as a motor vehicle pursuant to KRS 132.485 but shall be subject to ad valorem tax as goods held for sale in the regular course of business under the provisions of KRS 132.020(10) and 132.220.

(7) Any provision to the contrary notwithstanding, when any ad valorem tax on a motor vehicle becomes delinquent, the state and each county, city, urban-county government, or other taxing district shall have a lien on all motor vehicles owned or acquired by the person who owned the motor vehicle at the time the tax liability arose. A lien for delinquent ad valorem taxes shall not attach to any motor vehicle transferred while the taxes are due on that vehicle. For the purpose of delinquent ad valorem taxes on leased vehicles only, a lien on a leased vehicle shall not be attached to another vehicle owned by the lessor.

(8) The lien required by subsection (7) of this section shall be filed and released by the automatic entry of appropriate information in the AVIS database. For the filing and release of each lien or set of liens arising from motor vehicle ad valorem property tax delinquency, a fee of one dollar ($1) shall be added to the delinquent tax account. The fee shall be collected and retained by the county clerk who collects the delinquent tax.

(9) The implementation of the automated lien system provided in this section shall not affect the manner in which commercial liens are recorded or released.

Section 4. The amendments contained in this Act shall apply for tax assessments made on or after January 1, 2003.

SB 133, AN ACT relating to the collection of delinquent child support obligations by the Revenue Cabinet.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 131.130 is amended to read as follows:

Without limitation of other duties assigned to it by law, the following powers and duties are vested in the Revenue Cabinet:

(1) The cabinet may make administrative regulations, and direct proceedings and actions, for the administration and enforcement of all tax laws of this state.

(2) The cabinet, by representatives appointed by it in writing, may take testimony or depositions, and may examine the records, documents, files, and equipment of any taxpayer or of any person whose records, documents, or equipment will furnish knowledge concerning the tax liability of any taxpayer, when it deems this reasonably necessary for purposes incident to the performance of its functions. The cabinet may enforce this right by application to the Circuit Court in the county wherein the person is domiciled or has his principal office, or by application to the Franklin Circuit Court, which courts may compel compliance with the orders of the cabinet.

(3) The cabinet shall prescribe the style, and determine and enforce the use or manner of keeping, of all assessment and tax forms and records employed by state and county officials, and may prescribe forms necessary for the administration of any revenue law by the promulgation of an administrative regulation pursuant to KRS Chapter 13A incorporating the forms by reference.

(4) The cabinet shall advise on all questions respecting the construction of state revenue laws and the application thereof to various classes of taxpayers and property.

(5) Attorneys employed by the cabinet and approved by the Attorney General as provided in KRS 15.020 may prosecute all violations of the criminal and penal laws relating to revenue and taxation. If a Revenue Cabinet attorney undertakes any of the actions prescribed in this subsection, he shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including, but not limited to, the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas, and processes of any kind, and to appear before all grand juries, courts, or tribunals.

(6) In the event of the incapacity of attorneys employed by the cabinet or at the request of the secretary of the Revenue Cabinet, the Attorney General or his designee shall prosecute all violations of the criminal and penal laws relating to revenue and taxation. If the Attorney General undertakes any of the actions prescribed in this subsection, he shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including, but not limited to, the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas, and processes of any kind, and to appear before all grand juries, courts, or tribunals.

(7) The cabinet may require the Commonwealth's attorneys and county attorneys to prosecute actions and proceedings and perform other services incident to the enforcement of laws assigned to the cabinet for administration.

(8) The cabinet may conduct research in the fields of taxation, finance, and local government administration, and publish its findings, as the secretary may deem wise.

(9) The cabinet may make administrative regulations necessary to establish a system of taxpayer identifying numbers for the purpose of securing proper identification of taxpayers subject to any tax laws or other revenue measure of this state, and may require such taxpayer to place on any return, report, statement, or other document required to be filed, any number assigned pursuant to such administrative regulations.

(10) The cabinet may, when it is in the best interest of the Commonwealth and helpful to the efficient and effective enforcement, administration, or collection of sales and use tax, motor fuels tax, or the petroleum environmental assurance fee, enter into agreements with out-of-state retailers or other persons for the collection and remittance of sales and use tax, the motor fuels tax, or the petroleum environmental assurance fee.

(11) The cabinet may enter into annual memoranda of agreement with the Cabinet for Families and Children to assume the collection duties for support obligations and may renew that agreement for up to five (5) years. Under such an agreement, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of support obligations as provided under:

(a) KRS Chapters 131, 134, and 135 for the collection, refund, and administration of delinquent taxes; and

(b) KRS Chapters 205 and 405 for the collection, refund, and administration of support obligations by the Cabinet for Families and Children.

SB 138, AN ACT relating to property tax and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 134.450 is amended to read as follows:

(1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale***, or in a county containing a city of the first class, within fourteen (14) working days of the sale,*** and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

(4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.

(5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 2. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be excluded from the interest calculation ***in any county that has by ordinance excluded all three (3) of these fees from interest***. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

  (a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

(8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 3. Whereas the sheriff's sale of tax claims occurs before the effective date of this Act, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

The Committee Substitute to **SB 138** is as follows:

SB 138, AN ACT relating to property tax and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 134.450 is amended to read as follows:

(1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale***, or in a county containing a city of the first class or consolidated local government, within fourteen (14) working days of the sale,*** and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

(4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.

(5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 2. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be excluded from the interest calculation ***except in counties containing cities of the first class or consolidated local government***. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

(8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 3. Whereas the sheriff's sale of tax claims occurs before the effective date of this Act, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

The Committee Substitute to **HB 801** is as follows:

HB 801, AN ACT relating to state government.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 78.530 is amended to read as follows:

(1) ***(a)*** Each county and school board, as defined in KRS 78.510, will participate in the system by appropriate order authorizing such participation which has been entered and duly recorded in the records of the governing body of the county or school board. In cases where general purpose county government does not participate, but the sheriff and his employees or the county clerk and his employees do, the sheriff or the clerk shall retain the order in his office. The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.

(b) Notwithstanding any statute to the contrary, after the effective date of this Act, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 for its active employees.

(2) Once a county or school board participates, it shall thereafter continue to participate, except as provided in KRS 78.535.

(3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employee electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(2), current service credit for employment in regular full-time positions between July 1, 1958, and the participation date of the county. Cities which participate in the system pursuant to subsection (7) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 shall be required to purchase on behalf of each

employee electing coverage only as much service credit as the employee has accumulated in the city-administered plan, up to the participation date of the city. Accumulated service shall include service for which an employee received a refund pursuant to KRS 95.620 or 95.866, if such refund has been repaid. If the employee has not yet repaid the refund, he may make payment to the system by any method acceptable to the system, and the requirement of five (5) years of continuous reemployment prior to repayment of refunds shall not apply. Upon the employee's repayment, the city shall purchase the associated service credit for the employee. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county;

(b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years, with interest at the rate actuarially assumed by the board. A shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period, except that cities which participate in the system pursuant to subsection (7) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their option, extend the payment schedule to a maximum of thirty (30) years, may choose to make level payments at the interest rate actuarially assumed by the board over the life of the payment schedule chosen, and may retain employer contributions and the earnings thereon attributable to employees electing coverage;

(c) A city entering the system under the alternate participation plan, may, by ordinance, levy a special property tax to pay for current service credit purchased for the period between July 1, 1958, and the participation date of the city. The special tax shall be to pay, within a period of no more than fifteen (15) years, for the cost of such service credit over that which would be funded within the existing employer contribution rate, as determined by the board's consulting actuary. The reason for levying the special tax and the disposition of the proceeds shall be part of the ordinance levying the tax. The special tax shall be rescinded when the unfunded prior service liability has been amortized, and shall not be subject to the provisions of KRS 132.017 or 132.027. In addition, the city may maintain any tax, the proceeds of which had been devoted to funding pension obligations under the locally administered plan prior to participation in the system, for the purpose of funding current service costs incurred after the date of participation. The city may increase the tax to pay current service costs which exceed the local pension system costs to which the tax had been devoted, but the city shall not collect from the tax more revenues than are necessary to pay current service costs incurred after the date of participation. The city may continue the tax so long as it participates in the system, and the tax shall not be subject to the provisions of KRS 132.017 or 132.027. The city shall not collect either tax authorized by this paragraph if its participation has been terminated pursuant to KRS 78.535;

(d) The county may at a later date purchase current service credit from July 1, 1958, to the participation date of the county by alternate participation plan for those employees who rejected membership in the system at the time the county first participated. In addition, the employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by adding it to the existing payment schedule established under paragraph (b) of this subsection;

(e) A county which did not participate by alternate participation may, until July 1, 1991, purchase current service credit for those employees who rejected membership in the system at the time the county first participated. The employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. The county shall pay the cost of the service credit by lump sum or by establishing a payment schedule under paragraph (b) of this subsection; and

(f) A county which participated in the system but did not elect the alternate participation plan may at a later date elect the alternate participation plan. In this case, the county shall purchase on behalf of each employee participating in the system current service credit for employment in regular full-time positions between July 1, 1958, or a later date selected by the county government, and the participation date of the county. The county shall also purchase, for employees who decide to participate when the county elects the alternate participation plan, current service credit for employment in regular full-time positions between July 1, 1958, or the later date selected by the county government, and the participation date of the county. In addition, the county shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by a payment schedule established under paragraph (b) of this subsection.

(4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.

(5) The order of the governing body of a county, as provided for in subsection (1) of this section, may exclude from participation in the system hospitals and any other semiindependent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.

(6) An agency whose participation in the County Employees Retirement System has been terminated by the board of trustees in accordance with KRS 78.535 may at a later date request participation in the retirement system by the adoption of an appropriate order as authorized by subsection (1) of this section. The board may accept the participation of such agency provided it is determined that such participation is in the best interest of the agency, the employees thereof and the County Employees Retirement System.

(7) *(a)* After August 1, 1988, except as permitted by KRS 65.156, no local government retirement system shall be created pursuant to KRS 70.580 to 70.598 and any local government retirement systems created pursuant to KRS 79.080, 90.400, 90.410, 95.768, and KRS Chapter 96 shall be closed to new members. New employees who would have been granted membership in such retirement systems shall instead be granted membership in the County Employees Retirement System. Employees who would have been granted membership in retirement systems created pursuant to KRS 95.768, or any other policemen or firefighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400, or 90.410, or any such policemen or firefighter members employed on or prior to August 1, 1988, who transfer to the County Employees Retirement System, shall be certified by their employers as working in hazardous positions. Each city participating in the County Employees Retirement System pursuant to this subsection shall execute the appropriate order authorizing such participation, shall select the alternate participation plan as described in subsection (3) of this section, and shall pay for the actuarial services necessary to determine the additional costs of alternate participation. Cities which closed their local pension systems to new members and participated in the system prior to July 15, 1988, whose employees at the time of transition were given the option to join the system shall not be required to offer said employees a second option to join the system.

(b) Notwithstanding any statute to the contrary, after the effective date of this Act, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 for its active employees.

(8) Any city which closed a police and firefighter pension plan to new members between January 1, 1988, and July 15, 1988, and participated in the system under the alternate participation plan shall, if its police and firefighters were not covered by Social Security, or any city which operates a pension under KRS 90.400 or 90.410, shall be required to certify that its police and firefighters are working in hazardous positions, and shall offer its police and firefighters in service at the time of entry a second option to participate under hazardous duty coverage if they were not offered hazardous duty coverage at the time of their first option. The provisions of subsection (3)(b) of this section notwithstanding, a city affected by this subsection may, at its option, extend its payment schedule to the County Employees Retirement System for alternate participation to thirty (30) years at the rate actuarially assumed by the board.

Section 2. Whereas the cost of health insurance for state and local employees within the state group is expected to rise at least eleven percent (11%) annually and the cost is dramatically affected by agencies whose retirees are in the state group but whose active employees are not, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

The Committee Amendment No. 1 Title to **HB 801** is as follows:

Delete the title "AN ACT relating to state government." and in lieu thereof insert "AN ACT relating to retirement and declaring an emergency.".

HB 857, AN ACT designating "Deo gratiam habeamus" as the Commonwealth's official Latin motto.

WHEREAS, the first Constitution of the Commonwealth of Kentucky was established in 1792 as the governing instrument of the state of Kentucky; and

WHEREAS, the Preamble to the current Constitution of the Commonwealth of Kentucky was established at Frankfort on the 28th day of September in the year of our Lord one thousand eight hundred ninety-one and in the one hundredth year of the Commonwealth; and

WHEREAS, the Preamble states, "We, the people of the Commonwealth of Kentucky, grateful to Almighty God for the civil, political and religious liberties we enjoy, and invoking the continuance of these blessings, do ordain and establish this Constitution."; and

WHEREAS, the Latin phrase "Deo gratiam habeamus," which is rendered in English "Let us be grateful to God," does correctly express the sentiment clearly stated in the Preamble to our Constitution;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 2 IS CREATED TO READ AS FOLLOWS:

The phrase "Deo gratiam habeamus" is named and designated the Commonwealth's official Latin motto.

HCR 132, A CONCURRENT RESOLUTION to study how best to implement a disaster relief funding program for the Commonwealth, its local governments, and citizens.

WHEREAS, the Commonwealth is subject to many types of natural and manmade disasters and emergencies which leave recovery costs in their wake; and

WHEREAS, these disasters include floods, tornadoes, snowstorms, hazardous materials incidents, fires, power outages, and others too numerous to mention; and

WHEREAS, in a large disaster, following a Presidential disaster declaration, the Federal Emergency Management Agency covers a large portion of the costs of recovering from the disaster; and

WHEREAS, even with a Presidential disaster declaration, state and local governments must routinely match the federal dollars, dollars which local government does not have; and

WHEREAS, small disasters which do not qualify for federal assistance require 100% funding of recovery efforts for local governments and the citizens by local governments; and

WHEREAS, the Governor's emergency fund is sometimes used to provide relief in such situations but is not always able to fund recovery efforts in specific incidents; and

WHEREAS, in reality, the Commonwealth has no fund specifically dedicated to helping local governments and the citizens recover from disasters, either large or small; and

WHEREAS, disasters and emergencies do not recognize that local government and the citizens may not have the money to recover and rebuild after disasters and emergencies, so these incidents keep occurring; and

WHEREAS, the House of Representatives, the Senate concurring therein, recognizing the need to establish such a fund, wants to gather together local government officials, emergency management professionals, and members of the General Assembly to work out the most feasible and efficient means of establishing and operating a disaster relief funding program;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Disaster Relief Funding Task Force is created and is directed to study the establishment of a disaster relief funding program for the Commonwealth which would provide grants that require no matching funds to units of local government and the citizens to recover and rebuild following a disaster or emergency where federal funds were either unavailable or insufficient to fund the recovery and rebuilding effort.

Section 2. The Legislative Research Commission shall appoint not less than five Representatives and five Senators who are members of the Interim Joint Committee on State and Local Government to the Task Force on Disaster Grant Funding and one (1) person each recommended by the following organizations: Division of Emergency Management; Department for Local Government; Kentucky Emergency Management Association; Kentucky Association of Counties; Kentucky County Judge/Executives Association; Kentucky Magistrates and Commissioners Association; and Kentucky Municipal League. The agencies and organizations specified in this section shall inform the Legislative Research Commission as to their recommended permanent representative to the task force within twenty days after the effective date of this resolution. Any organization which does not make such a notification shall forfeit membership on the task force. Only the permanent member of a state agency or organization may represent the agency or organization or vote at any meeting of the task force.

Section 3. Members of the task force may be reimbursed for travel and other necessary expenses. All members shall have voting privileges. The chair and vice chairs of the task force shall be members of the Interim Joint Committee on State and Local Government and shall be chosen by the Legislative Research Commission.

Section 4. The task force shall report to the Interim Joint Committee on State and Local Government and the Legislative Research Commission recommendations relating to at least the following subjects: sources of revenue; the agency or official which should administer the program; whether grant decisions should be made by a committee or by a single official; eligibility for grant funding; the constitutionality of providing grants to individual citizens; amount of grant funding; the handling of requests in excess of the amount of funding available; disqualifying factors relating to application for funds; and similar details. The report shall include a draft of legislation necessary to accomplish the program recommended. The report shall be completed and presented to the Interim Joint Committee on State and Local Government and the Legislative Research Commission not later than October 15, 2002.

Section 5. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

WHEREAS, the Governor's emergency fund is sometimes used to provide relief in such situations but is not always able to fund recovery efforts in specific incidents; and

WHEREAS, in reality, the Commonwealth has no fund specifically dedicated to helping local governments and the citizens recover from disasters, either large or small; and

WHEREAS, disasters and emergencies do not recognize that local government and the citizens may not have the money to recover and rebuild after disasters and emergencies, so these incidents keep occurring; and

WHEREAS, the House of Representatives, the Senate concurring therein, recognizing the need to establish such a fund, wants to gather together local government officials, emergency management professionals, and members of the General Assembly to work out the most feasible and efficient means of establishing and operating a disaster relief funding program;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Disaster Relief Funding Task Force is created and is directed to study the establishment of a disaster relief funding program for the Commonwealth which would provide grants that require no matching funds to units of local government and the citizens to recover and rebuild following a disaster or emergency where federal funds were either unavailable or insufficient to fund the recovery and rebuilding effort.

Section 2. The Legislative Research Commission shall appoint the following members to the Task Force on Disaster Grant Funding:

(1) Two Representatives and two Senators who are members of the Interim Joint Committee on State Government;

(2) Two Representatives and two Senators who are members of the Interim Joint Committee on Local Government;

Only the permanent member of a state agency or organization may represent the agency or organization or vote at any meeting of the task force.

Section 3. Members of the task force may be reimbursed for travel and other necessary expenses. All members shall have voting privileges. The chair and vice chairs of the task force shall be members of the Interim Joint Committee on State Government or the Interim Joint Committee on Local Government and shall be chosen by the Legislative Research Commission.

Section 4. The task force shall report to the Interim Joint Committee on State Government, the Interim Joint Committee on Local Government, the Interim Joint Committee on Appropriations and Revenue, and the Legislative Research Commission recommendations relating to at least the following subjects: sources of revenue; the agency or official which should administer the program; whether grant decisions should be made by a committee or by a single official; eligibility for grant funding; the constitutionality of providing grants to individual citizens; amount of grant funding; the handling of requests in excess of the amount of funding available; disqualifying factors relating to application for funds; and similar details. The report shall include a draft of legislation necessary to accomplish the program recommended. The report shall be completed and presented to the interim committees and the Legislative Research Commission not later than October 15, 2002.

(3) An appointment of a proxy shall be effective when ***a signed***[~~the~~] appointment form ***or an electronic transmission of the appointment*** is received by the secretary or other officer or agent authorized to tabulate votes. An appointment shall be valid for eleven (11) months unless a longer period is expressly provided in the appointment form.

(4) An appointment of a proxy shall be revocable[~~ by the shareholder~~] unless the appointment form ***or electronic transmission***[~~conspicuously~~] states that it is irrevocable and the appointment is coupled with an interest. Appointments coupled with an interest include the appointment of:

(a) A pledgee;

(c) A creditor of the corporation who extended it credit under terms requiring the appointment;

(6) An appointment made irrevocable under subsection (4) of this section shall be revocable when the interest with which it is coupled is extinguished. The revocation of an appointment under this subsection shall not be effective until the secretary of the corporation has received written notice of the revocation.

(7) A transferee for value of shares subject to an irrevocable appointment may revoke the appointment if he did not know of its existence when he acquired the shares and the existence of the irrevocable appointment was not noted conspicuously on the certificate representing the shares or on the information statement for shares without certificates.

(8) Subject to KRS 271B.7-240 and to any express limitation on the proxy's authority ***stated in***[~~appearing on the face of~~] the appointment form ***or electronic transmission***, a corporation shall be entitled to accept the proxy's vote or other action as that of the shareholder making the appointment.

Section 17. KRS 271B.7-240 is amended to read as follows:

(1) If the name signed on ***or submitted with*** a vote, consent, waiver, or proxy appointment corresponds to the name ***or electronic signature*** of a shareholder, the corporation if acting in good faith shall be entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder. For purposes of this section, a telegram or cablegram appearing to have been transmitted by the proper person, or a photographic, photostatic, or equivalent reproduction of a writing appointing a proxy may be accepted by the corporation if acting in good faith, as a sufficient, signed appointment form.

(2) If the name signed on ***or submitted with*** a vote, consent, waiver, or proxy appointment does not correspond to the name ***or electronic signature*** of its shareholder, the corporation if acting in good faith shall nevertheless be entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder if:

(a) The shareholder is an entity and the name signed purports to be that of an officer or agent of the entity;

(b) The name signed purports to be that of an administrator, executor, guardian, or conservator representing the shareholder and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(c) The name signed purports to be that of a receiver or trustee in bankruptcy of the shareholder and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(d) The name signed purports to be that of a pledgee, beneficial owner, or attorney-in-fact of the shareholder and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the shareholder has been presented with respect to the vote, consent, waiver, or proxy appointment; or

(e) Two (2) or more persons are the shareholder as cotenants or fiduciaries and the name signed purports to be the name of at least one (1) of the co-owners and the person signing appears to be acting on behalf of all the co-owners.

(3) The corporation shall be entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the shareholder ***or, in the case of an electronic record, to affix the shareholder's electronic signature to the electronic record***.

(4) The corporation and its officer or agent who accepts or rejects a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section ***or subsection (2) of Section 16 of this Act*** shall not be liable in damages to the shareholder for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section ***or subsection (2) of Section 16 of this Act*** shall be valid, unless a court of competent jurisdiction determines otherwise.

(6) Shares standing in the name of another corporation, domestic or foreign, may be voted by either the president of such corporation or by proxy appointed by him, unless the board of directors of such other corporation authorizes another person to vote such shares.

(7) Shares held by an administrator, executor, guardian, or conservator may be voted by him, either in person or by proxy, without a transfer of such shares into his name. Shares standing in the name of a trustee may be voted by him, either in person or by proxy, but no trustee shall be entitled to vote shares held by him without a transfer of such shares into his name.

(8) Where shares are held jointly by three (3) or more fiduciaries acting under an instrument becoming effective after June 30,

1946, the will of the majority of such fiduciaries shall control the manner of voting or the giving of a proxy, unless the instrument or order appointing the fiduciaries otherwise directs. Where, in any case, fiduciaries are equally divided upon the manner of voting shares jointly held by them, any court of competent jurisdiction may, upon petition filed by any of the fiduciaries, or by any beneficiary, appoint an additional person to act with the fiduciaries in determining the manner in which the shares shall be voted upon the particular questions as to which the fiduciaries are divided.

(9) Shares standing in the name of a receiver may be voted by such receiver, and shares held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his name if authority so to do be contained in an appropriate order of the court by which such receiver was appointed.

(10) A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the share so transferred.

Section 18. KRS 271B.7-280 is amended to read as follows:

(1) Unless otherwise provided in the articles of incorporation, directors are elected by a plurality of votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. A "plurality" means that the individuals with the largest number of votes are elected as directors up to the maximum number of directors to be chosen at the election.

(2) Shareholders do not have the right to cumulate their votes for directors unless the articles of incorporation so provide~~[At each election for directors each shareholder entitled to vote at such election shall have the right to cast, in person or by proxy, as many votes in the aggregate as he shall be entitled to vote under the corporation's articles of incorporation, multiplied by the number of directors to be elected at such election; and each shareholder may cast the whole number of votes for one (1) candidate, or distribute such votes among two (2) or more candidates. Such directors shall not be elected in any other manner]~~.

(3) A statement included in the articles of incorporation that "all, or a designated group of, shareholders are entitled to cumulate their votes for directors," or words of similar import, means that the shareholders designated are entitled to multiply the number of votes they are entitled to cast by the number of directors for whom they are entitled to vote and cast the product for a single candidate or distribute the product among two (2) or more candidates.

Section 19. KRS 271B.8-080 is amended to read as follows:

(1) The shareholders may remove one (1) or more directors with or without cause, unless the articles of incorporation provide that directors may be removed only for cause.

(2) If a director is elected by a voting group of shareholders, only the shareholders of that voting group may participate in the vote to remove him ***or her***.

(3) ***If cumulative voting is authorized, a director shall not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal. If cumulative voting is not authorized, a director shall be removed only if the number of votes cast to remove him or her exceeds the number of votes cast not to remove him or her***~~[A director may not be removed if the number of votes sufficient to elect him under cumulative voting is voted against his removal]~~.

(4) A director shall be removed by the shareholders only at a meeting called for the purpose of removing him ***or her*** and the meeting notice shall state that the purpose, or one (1) of the purposes, of the meeting is removal of the director.

Section 20. KRS 271B.8-250 is amended to read as follows:

(1) Unless ***this chapter,*** the articles of incorporation***,*** or ***the*** bylaws provide otherwise, a board of directors may create one (1) or more committees and appoint ***one (1) or more*** members of the board of directors to serve on ***any such committee***~~[them. Each committee shall have two (2) or more members, who serve at the pleasure of the board of directors]~~.

(2) ***Unless this chapter provides otherwise,*** the creation of a committee and appointment of members to it shall be approved by the greater of:

  (a) A majority of all the directors in office when the action is taken; or

  (b) The number of directors required by the articles of incorporation or bylaws to take action under KRS 271B.8-240.

(3) KRS 271B.8-200 to 271B.8-240~~[, which govern meetings, action without meetings, notice and waiver of notice, and quorum and voting requirements of the board of directors,]~~ shall apply ***both*** to committees ***of the board*** and ***to*** their members as well.

(4) To the extent specified by the board of directors or in the articles of incorporation or bylaws, each committee may exercise the ***powers***~~[authority]~~ of the board of directors under KRS 271B.8-010.

(5) A committee shall not, however:

  (b) Approve or propose to shareholders action that this chapter requires be approved by shareholders;

  (c) Fill vacancies on the board of directors or***, subject to the provisions of subsection (7) of this section,*** on any of its committees; ***or*** (d)[~~Amend articles of incorporation pursuant to KRS 271B.10-020;~~

(6) The creation of, delegation of authority to, or action by a committee shall not alone constitute compliance by a director with the standards of conduct described in KRS 271B.8-300.

(7) The board of directors may appoint one (1) or more directors as alternate members of any committee to replace any absent or disqualified member during the member's absence or disqualification. Unless the articles of incorporation, the bylaws, or the resolution creating the committee provide otherwise, in the event of the absence or disqualification of a member of a committee, the member or members present at any meeting and not disqualified from voting may unanimously appoint another director to act in place of the absent or disqualified member.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 156.070 is amended to read as follows:

(1) The Kentucky Board of Education shall have the management and control of the common schools and all programs operated in these schools, including interscholastic athletics, the Kentucky School for the Deaf, the Kentucky School for the Blind, and community education programs and services.

(2) The Kentucky Board of Education may designate an organization or agency to manage interscholastic athletics in the common schools, provided that the rules, regulations, and bylaws of any organization or agency so designated shall be approved by the board, and provided further that any administrative hearing conducted by the designated managing organization or agency shall be conducted in accordance with KRS Chapter 13B.

(a) The state board or its designated agency shall assure through promulgation of administrative regulations that if a secondary school sponsors or intends to sponsor an athletic activity or sport that is similar to a sport for which National Collegiate Athletic Association members offer an athletic scholarship, the school shall sponsor the athletic activity or sport for which a scholarship is offered. The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.

(b) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws which prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity soccer and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity soccer and football for students who have not successfully completed the eighth grade.

(c) Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only.

(d) If the state board***,***[~~ or~~] any agency designated by the state board to manage interscholastic athletics***, a local school board, or a school-based decision making council*** promulgates administrative regulations ***or policies*** that permit a school district to employ or assign nonteaching personnel to serve in a coaching position, those administrative regulations ***or policies*** shall apply to all sports and sports activities, including basketball and football. The administrative regulations ***or policies*** shall give preference to the hiring or assignment of certified personnel over nonteaching personnel in coaching positions.

(3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

(c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity soccer and football for students who have not successfully completed the eighth grade.

(c) Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only.

The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

(b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

(c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

(4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

(5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.

(2) (a) The authority shall commit to provide to each eligible high school student the base amount of the Kentucky educational excellence scholarship for each academic year of high school study in the Kentucky educational excellence scholarship curriculum that the high school student has attained at least a 2.5 grade point average. The award shall be based upon the eligible high school student's grade point average at the close of each academic year. An award attributable to a past academic year shall not be increased after the award has been earned by an eligible high school student, regardless of any subsequent increases made to the base amount of the Kentucky educational excellence scholarship through the promulgation of an administrative regulation by the council.

(b) Notwithstanding the definitions of "eligible high school student" and "high school" in KRS 164.7874, any high school student who maintains Kentucky residency and completes the academic courses that are required for a Kentucky educational excellence scholarship while participating in an approved educational high school foreign exchange program or participating in the United States Congressional Page School may apply his or her grade point average for that academic year toward the base as described in paragraph (a) of this subsection. The grade point average shall be reported by the student's Kentucky home high school, based on an official transcript from the school that the student attended during the out-of-state educational experience. The council shall promulgate administrative regulations that describe the approval process for the educational exchange programs that qualify under this paragraph. The provisions in this paragraph shall likewise apply to any Kentucky high school student who participated in an approved educational exchange program or in a Congressional Page School since the 1998-99 school year and maintained his or her Kentucky residency throughout.

(3) (a) The authority shall commit to provide to each eligible high school student graduating from high school before June 30, 1999, and achieving a score of at least 15 on the American College Test, a supplemental award for the award period beginning in the fall of 1999, based on the eligible high school student's highest ACT score attained by the date of graduation from high school. Subsequent supplemental awards for eligible high school students graduating before June 30, 1999, shall be determined in accordance with the provisions of paragraph (b) of this subsection.

(b) The authority shall commit to provide to each eligible high school student upon achievement after June 30, 1999, of an ACT score of at least 15 on the American College Test a supplemental award based on the eligible high school student's highest ACT score attained by the date of graduation from high school. The amount of the supplemental award shall be determined as follows:

ACT Score	Amount	ACT Score	Amount
15	$36	22	$286

The council shall review the base amount of the supplemental award beginning with the 2001-2002 academic year and each academic year thereafter and may promulgate an administrative regulation to make adjustments after considering the availability of funds.

(c) ***Notwithstanding the definitions of "eligible high school student," "eligible postsecondary student," and "high school" in KRS 164.7874, a student who graduates from any nonpublic secondary school and has attained a perfect composite score of thirty-six (36) on the American College Test (ACT) or the score of one thousand six hundred (1,600) on the Scholastic Aptitude Test (SAT) shall be eligible to receive the maximum for one (1) year of the base amount of the scholarship and the supplemental award for one (1) academic year.***

(d) The council shall promulgate administrative regulations establishing the eligibility criteria and procedures for making a supplemental award to Kentucky residents who are citizens, nationals, or permanent residents of the United States and who graduate from a nonpublic secondary school not certified by the Kentucky Board of Education and Kentucky residents who are citizens, nationals, or permanent residents of the United States and who obtain a General Educational Development (GED) diploma within five (5) years of their high school graduating class.

Section 2. KRS 164.7881 is amended to read as follows:

(1) Eligible high school students who have graduated from high school and eligible postsecondary students who have earned a Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and a supplemental award, or a supplemental award only pursuant to KRS 164.7879(3)***(d)***~~[(c)]~~, shall be eligible to receive the Kentucky educational excellence scholarship, the Kentucky educational excellence scholarship and the supplemental award, or a supplemental award only for a maximum of eight (8) academic terms in an undergraduate or other postsecondary program of study at a participating institution, except as provided in subsection (6) of this section.

(2) To receive the Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and

supplemental award, or a supplemental award only, an eligible high school or postsecondary student shall:

(a) The expiration of five (5) years following the student's graduation from high school, except as provided in subsection (5) or (6) of this section; or

(b) The successful completion of an undergraduate or other postsecondary course of study. However, any student who successfully completes the requirements for a degree or certification involving a postsecondary course of study that normally requires less than eight (8) academic terms to complete may continue to receive the benefits of a Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and supplemental award, or a supplemental award only, for a cumulative total of eight (8) academic terms if the student enrolls as at least a part-time student in a four (4) year program.

(4) (a) The maximum award amount shall be determined by the council and shall be adjusted as provided in this subsection. The award amount ultimately determined to be available to an eligible postsecondary student for an award period shall be disbursed by the authority to the eligible postsecondary student in two (2) installments, with one (1) installment being disbursed in each of the two (2) academic terms during the award period.

(b) The authority shall, by promulgation of administrative regulations, provide for the proportionate reduction of the maximum award amount for an eligible postsecondary student for any academic term in which the student is enrolled on a part-time basis. Each academic term for which any scholarship or supplemental award funds are accepted by an eligible postsecondary student shall count as a full academic term, even if the award amount was reduced to reflect the part-time status of the eligible postsecondary student.

(c) 1. An eligible postsecondary student who is enrolled full-time in an undergraduate program of study shall receive the maximum award amount for the first award period that the student is enrolled in and attending the program of study. To retain the maximum award for the second award period, an eligible postsecondary student shall have at least a 2.5 grade point average at the end of the first award period. To retain the maximum award amount for subsequent award periods, an eligible postsecondary student shall have a cumulative grade point average of 3.0 or greater at the end of the prior award period.

3. Any eligible postsecondary student who maintains a cumulative grade point average of less than 2.5 at the completion of any award period shall lose his or her award for the next award period.

4. Each participating institution shall certify to the authority at the close of each award period the cumulative grade point average of each Kentucky educational excellence scholarship recipient enrolled as a full-time or part-time student at the participating institution.

5. Any student who loses eligibility through failure to maintain the required cumulative grade point average may regain eligibility in a subsequent award period upon reestablishing at least a 2.5 cumulative grade point average or its equivalent during a subsequent award period, as certified by the participating institution.

(5) The expiration of a student's five (5) year eligibility shall be extended by the authority upon a determination that the student was unable to enroll for or complete an academic term due to any of the following circumstances:

(a) A serious and extended illness or injury of the student, certified by an attending physician;

(b) The death or serious and extended illness or injury of an immediate family member of the student, certified by an attending physician, which would render the student unable to attend classes;

(c) Natural disasters that would render a student unable to attend classes; or

(d) Active duty status for the student in the United States Armed Forces or as an officer in the Commissioned Corps of the United States Public Health Service, or active service by the student in the Peace Corps Act or the Americorps, for up to three (3) years.

(6) An eligible postsecondary student who is enrolled at a participating institution in a five (5) year undergraduate degree program designated in an administrative regulation promulgated by the council shall be eligible to receive the Kentucky educational excellence scholarship, the Kentucky educational excellence scholarship and the supplemental award, or the supplemental award only for a maximum of ten (10) academic terms. The expiration of an eligible postsecondary student's five (5) year eligibility shall be extended to six (6) years for eligible postsecondary students meeting the requirements of this subsection.

(7) Each eligible high school student who attains a 28 or above on the ACT and a 4.0 grade point average for all four (4) years of high school shall be designated as a "Senator Jeff Green Scholar" in honor of the late Senator Jeff Green of Mayfield,

(f) After receiving notification of the funds available for the school from the local board, the school council shall determine, within the parameters of the total available funds, the number of persons to be employed in each job classification at the school. The council may make personnel decisions on vacancies occurring after the school council is formed but shall not have the authority to recommend transfers or dismissals;

(g) The school council shall determine which textbooks, instructional materials, and student support services shall be provided in the school. Subject to available resources, the local board shall allocate an appropriation to each school that is adequate to meet the school's needs related to instructional materials and school-based student support services, as determined by the school council. The school council shall consult with the school media librarian on the maintenance of the school library media center, including the purchase of instructional materials, information technology, and equipment;

(h) From a list of applicants submitted by the local superintendent, the principal at the participating school shall select personnel to fill vacancies, after consultation with the school council, consistent with subsection (2)(i)10. of this section. Requests for transfer shall conform to any employer-employee bargained contract which is in effect. If the vacancy to be filled is the position of principal, the school council shall select the new principal from among those persons recommended by the local superintendent. When a vacancy in the school principalship occurs, the school council shall receive training in recruitment and interviewing techniques prior to carrying out the process of selecting a principal. The council shall select the trainer to deliver the training. Personnel decisions made at the school level under the authority of this subsection shall be binding on the superintendent who completes the hiring process. 10. Procedures to assist the council with consultation in the selection of personnel by the principal, including, but not limited to, meetings, timelines, interviews, review of written applications, and review of references. Procedures shall address situations in which members of the council are not available for consultation; and

(j) Each school council shall annually review data on its students' performance as shown by the Commonwealth Accountability Testing System. The data shall include, but not be limited to, information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, and participation in the federal free and reduced price lunch program. After completing the review of data, each school council***, with the involvement of parents, faculty and staff,*** shall ***develop and*** adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b) ***by April 1 of each year and submit the plan to the superintendent and local board of education for review as described in Section 4 of this Act***. The Kentucky Department of Education shall provide each school council the data needed to complete the review required by this paragraph no later than ***November 1***[~~December 31~~] of each year. If a school does not have a council, the review shall be completed by the principal ***with the involvement of parents, faculty, and staff***.

(3) The policy adopted by the local board to implement school-based decision making shall also address the following:

(a) School budget and administration, including: discretionary funds; activity and other school funds; funds for maintenance, supplies, and equipment; and procedures for authorizing reimbursement for training and other expenses;

(b) Assessment of individual student progress, including testing and reporting of student progress to students, parents, the school district, the community, and the state;

(g) Requirements for waiver of district policies;

(h) Requirements for record keeping by the school council; and

(i) A process for appealing a decision made by a school council.

(4) In addition to the authority granted to the school council in this section, the local board may grant to the school council any other authority permitted by law. The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.

(5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

(6) The Department of Education shall provide professional development activities to assist schools in implementing school-based decision making. School council members elected for the first time shall complete a minimum of six (6) clock hours of training in the process of school-based decision making, no later than thirty (30) days after the beginning of the service year for which they are elected to serve. School council members who have served on a school council at least one (1) year shall complete a minimum of three (3) clock hours of training in the process of school-based decision making no later than one hundred twenty (120) days after the beginning of the service year for which they are elected to serve. By November 1 of each year, the principal through the local superintendent shall forward to the Department of Education the names and addresses of each council member and verify that the required training has been completed. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.

(7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the commissioner of education and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(8) The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. Included in the school council formula shall be an allocation for professional development that is at least sixty-five percent (65%) of the district's per pupil state allocation for professional development for each student in average daily attendance in the school. The

school council shall plan professional development in compliance with requirements specified in KRS 156.095***, except as provided in Section 1 of this Act***. School councils of small schools shall be encouraged to work with other school councils to maximize professional development opportunities.

(9) (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

(d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

SB 192, AN ACT relating to teachers' certification.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.030 is amended to read as follows:

(1) Notwithstanding the age of the pupil, the certification of all teachers and other school personnel, in public schools only, is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board. After July 15, 1994, all certificate applications and other data collection instruments of the board shall include a request for voluntary information about the applicant's ethnic background. This information shall be available to help local school districts locate minority candidates. A person who holds a certificate prior to this requirement may request that ethnic information be added to his or her file. Nothing in this section shall preclude the right of an individual in a nonpublic school from seeking voluntary certification by the Education Professional Standards Board.

(2) Certificates shall be issued upon written application and in accordance with statutes and regulations in effect at the time of application to persons who have completed, at colleges, universities, or local school district programs approved by the Education Professional Standards Board for the preparation of teachers and other school personnel, the curricula prescribed by the administrative regulations of the Education Professional Standards Board.

(3) ***(a)*** Certification of all new teachers and teachers seeking additional certification shall require the successful completion of appropriate assessments prior to certification. The assessments shall be selected by the Education Professional Standards Board and shall measure knowledge in the specific teaching field of the applicant, including content of the field and teaching of that content. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a certificate valid for one (1) year shall be issued.

(b) If an applicant for teacher certification has completed the approved teacher preparation program and has taken but failed to successfully complete the appropriate assessments selected by the Education Professional Standards Board, a conditional certificate may be issued for a period not to exceed one (1) year, if the employing school district, in collaboration with the teacher education institution, agrees to provide technical assistance and mentoring support to the conditionally certified teacher. The teacher shall retake the assessments during the validity period of the conditional certificate. The conditional certificate shall not be reissued. Upon successful completion of the required assessments, a certificate valid for one (1) year shall be issued and the teacher shall be eligible to participate in the internship program as provided in subsection (5) of this section. The teacher shall not be eligible to participate in the internship program while teaching on the conditional certificate. The Education Professional Standards Board shall promulgate administrative regulations to establish the standards and procedures for issuance of the conditional certificate.

(c) If an out-of-state teacher with less than two (2) years' experience comes to Kentucky after the deadline for taking the assessments, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the assessments if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments. If the teacher fails the assessments, the temporary certificate shall be valid only for the current semester.

(4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the assessments shall be established by the Education Professional Standards Board. Provisions shall be made for persons having less than minimum levels of performance on any assessment to repeat that assessment, and candidates shall be informed of their strengths and weaknesses in the specific performance areas. The Education Professional Standards Board shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. Scores shall be used only in the assessment for certification of new teachers and of out-of-state teachers with less than two (2) years of teaching experience who are seeking initial certification in Kentucky.

(5) ***Except as provided in subsection (3)(b) of this section,*** all new teachers and out-of-state teachers with less than two (2) years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one (1) year internship. The teacher shall be a full-time employee or shall have an annual contract and serve on at least a half-time basis and shall have supervision, assistance, and assessment during the one (1) year internship. The internship may be served in a public school or a nonpublic school which meets the state performance standards as established in KRS 156.160 or which has been accredited by a regional or national accrediting association. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility, and benefits for single salary experience increments. Upon successful completion of the beginning teacher program, the one (1) year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by Education Professional Standards Board administrative regulations.

(6) The beginning teacher committee shall be composed of three (3) persons who have successfully completed special training in the supervision and assessment of the performance of beginning teachers as provided in subsection (8) of this section, except as provided in paragraph (g) of this subsection. The committee shall consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator appointed by a state-approved teacher training institution.

(a) If more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal.

(b) In unusual situations, the Education Professional Standards Board may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee.

(c) If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district.

(d) If the intern is teaching in a regionally or nationally accredited nonpublic school without a principal, the person filling the principal member position may have other appropriate qualifications as required by administrative regulations promulgated by the Education Professional Standards Board.

(e) If the teacher training institution is unable to provide a member to serve on the beginning teacher committee in a nonpublic school, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator.

(f) The resource teacher shall be appointed by the Education Professional Standards Board with recommendations from the local school district from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Education Professional Standards Board for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Education Professional Standards Board. Priority shall be given to resource teachers in the following order, except as provided in paragraph (g) of this subsection:

1. Teachers with the same certification in the same school;
2. Teachers with the same certification in the same district;
3. Teachers in the same school;
4. Teachers in the same district; and
5. Teachers in an adjacent school district.

(g) 1. The resource teacher for an individual pursuing initial certification as a baccalaureate level teacher of exceptional children/communication disorders shall be a master's level teacher of exceptional children/communication disorders, if one is available.

2. If a master's level teacher of exceptional children/communication disorders is not available, the Education Professional Standards Board may allow a licensed speech-language pathologist to serve on the beginning teacher committee in lieu of a resource teacher.

(h) The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.

(7) The resource teacher shall spend a minimum of seventy (70) hours working with the beginning teacher. Twenty (20) of these hours shall be in the classroom setting, and fifty (50) of these hours shall be in consultation other than class time or attending assessment meetings. The resource teacher shall have completed at least four (4) years of successful teaching experience as attested to by his or her immediate supervisor or by having achieved tenure and be able to show evidence of continuing professional development by having achieved a master's degree or its equivalent or the accumulation of two thousand (2,000) hours of continuing professional activities.

(8) By contract with teacher education institutions in the Commonwealth, the Education Professional Standards Board shall provide special training for persons who will be serving on the beginning teacher committees. Completion of special training shall be evidenced by successfully passing the assessments as prescribed by the Education Professional Standards Board. A principal hired after July 15, 1996, shall be required to complete the beginning teacher committee training program within one (1) year after his or her appointment.

(9) If an applicant establishes eligibility for a one (1) year certificate under the provisions of subsection (3)***(a)*** of this section, but does not become employed on the basis needed to satisfy the one (1) year internship requirement, the applicant shall be eligible for the issuance of a certificate for substitute teaching as provided by the administrative regulations of the Education Professional Standards Board. The applicant shall remain eligible for the one (1) year certificate, as provided in subsection (3)***(a)*** of this section, and for the opportunity to serve the internship for a period of five (5) years after establishing eligibility. If the internship is not completed within the five (5) year period, the applicant must reestablish eligibility by repeating and passing the assessment program in effect for new teachers at that time or by completing a minimum of six (6) graduate hours toward completion of a graduate program required by administrative regulations promulgated by the Education Professional Standards Board. The option for renewal through completion of graduate hours shall be available only for the first reestablishment of eligibility.

(10) The Education Professional Standards Board shall approve the curricula of any college or university, or of any department thereof, for the training of teachers, and any nontraditional or alternative teacher preparation program offered in a public or private postsecondary education institution, private contractor, or state agency, and shall also approve the curricula of any local district alternative certification program, when the curricula comply with the administrative regulations of the Education Professional Standards Board for the issuance of certificates and when the institution has met the terms and conditions provided in KRS 161.010 to 161.120. Any student who has completed any of these curricula, as approved by the Education Professional Standards Board, and who has completed the prescribed requirements for the issuance of certificates shall be granted a certificate corresponding to the curricula completed.

Section 2. The Education Professional Standards Board shall conduct a study during the 2002-2003 school year with at least one (1) school district and at least one (1) teacher education institution to evaluate the reliability, validity, and efficacy of one (1) or more alternative assessment instruments for testing a new teacher's content knowledge and teaching skills. If a teacher candidate successfully completes an alternative assessment under the provisions of this study, the candidate may receive a statement of eligibility upon recommendation of the employing superintendent, the teacher education institution, and the Education Professional Standards Board. The Education Professional Standards Board shall report the findings of the study to the Interim Joint Committee on Education by October 1, 2003.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.790 is amended to read as follows:

(1) The contract of a teacher shall remain in force during good behavior and efficient and competent service by the teacher and shall not be terminated except for any of the following causes:

(a) Insubordination, including but not limited to violation of the school laws of the state or administrative regulations adopted by the Kentucky Board of Education, the Education Professional Standards Board, or lawful rules and regulations established by the local board of education for the operation of schools, or refusal to recognize or obey the authority of the superintendent, principal, or any other supervisory personnel of the board in the performance of their duties;

(b) Immoral character or conduct unbecoming a teacher;

(c) Physical or mental disability;

(d) Inefficiency, incompetency, or neglect of duty, when a written statement identifying the problems or difficulties has been furnished the teacher or teachers involved.

(2) Charges under subsections (1)(a) and (1)(d) of this section shall be supported by a written record of teacher performance by the superintendent, principal, or other supervisory personnel of the district, except when the charges are brought as a result of a recommendation made under KRS 158.6455.

(3) No contract shall be terminated except upon notification of the board by the superintendent. Prior to notification of the board, the superintendent shall furnish the teacher with a written statement specifying in detail the charge against the teacher. The teacher may within ten (10) days after receiving the charge notify the ***commissioner of education***[~~chief state school officer~~] and the superintendent of his intention to answer the charge, and upon failure of the teacher to give notice within ten (10) days, the dismissal shall be final.

(4) Upon receiving the teacher's notice of his intention to answer the charge, the ***commissioner of education***[~~chief state school officer~~] shall appoint a three (3) member tribunal, consisting of one (1) teacher***, who may be retired***, one (1) administrator***, who may be retired***, and one (1) lay person, none of whom reside in the district, to conduct an administrative hearing in accordance with KRS Chapter 13B within the district. ***Priority for selection as a tribunal member shall be from a pool of potential tribunal members who have been designated and trained to serve as tribunal members on a regular and ongoing basis, pursuant to administrative regulations promulgated by the Kentucky Board of Education. Funds appropriated to the Department of Education for professional development may be used to provide tribunal member training.*** The ***commissioner of education***[~~chief state school officer~~] shall name the chairman and set the date and time for the hearing. The hearing shall begin no later than forty-five (45) days after the teacher files the notice of intent to answer the charge.

(5) A hearing officer shall have final authority to rule on dispositive prehearing motions.

(6) The hearing may be public or private at the discretion of the teacher. At the hearing, a hearing officer appointed by the ***commissioner of education***[~~chief state school officer~~] shall preside with authority to rule on procedural matters, but the tribunal shall be the ultimate trier of fact. The local board shall pay each member of the tribunal a per diem of one hundred dollars ($100) and travel expenses.

(7) Upon hearing both sides of the case, the tribunal may by a majority vote render its decision or may defer its action for not more than five (5) days. Provisions of KRS Chapter 13B notwithstanding, the tribunal decision shall be a final order and may be rendered on the record.

(8) The superintendent may suspend the teacher pending final action to terminate the contract, if, in his judgment, the character of the charge warrants the action. If after the hearing the decision of the tribunal is against termination of the contract, the suspended teacher shall be paid his full salary for any period of suspension.

(9) The teacher shall have the right to make an appeal to the Circuit Court having jurisdiction in the county where the school district is located in accordance with KRS Chapter 13B. The review of the final order shall be conducted by the Circuit Court as required by KRS 13B.150.

The procedures set out in subsection (3) of this section shall apply if the teacher is suspended without pay or publicly reprimanded. The teacher may appeal the action of the superintendent if these sanctions are imposed in the same manner as established in subsections (4) to (9) of this section. Upon completion of a suspension period, the teacher may be reinstated.

The Committee on Natural Resources and Environment reported **HB 738,** and **HB 798,** with Committee Amendment attached thereto, with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 738, AN ACT relating to water withdrawal.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 151.140 is amended to read as follows:

No person, business, industry, city, county, water district, or other political subdivision shall have the right to withdraw, divert, or transfer public water from a stream, lake, ground water source or other body of water, unless such person, business, industry, city, county, water district or other political subdivision has been granted a permit by the cabinet for such withdrawal, diversion, or transfer of water. Provided, however, no permit shall be required for and nothing herein shall interfere with the use of water for agricultural and domestic purposes including irrigation; and no permit shall be required if the amount of water withdrawn, diverted or transferred is less than the amount established by regulation and no permit shall be required for water[~~ used in the production of steam generating plants of companies whose retail rates are regulated by the Kentucky Public Service Commission or for which plants a certificate of environmental compatibility from such commission is required by law, or water~~] injected underground in conjunction with operations for the production of oil or gas.

HB 798, AN ACT relating to water quality certifications.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.16-070 is amended to read as follows:

(1) This section shall apply to the cabinet's issuance, waiver, or denial of water quality certifications for surface coal mining

operations, as defined in KRS 350.010, if:

(a) The applicant for the water quality certification has applied to the cabinet for a permit in accordance with KRS Chapter 350 and the administrative regulations promulgated pursuant thereto;

(b) The applicant for the water quality certification is eligible for Nationwide Permit 21[~~ or 26~~] issued in accordance with 33 U.S.C. sec. 1344 and 33 C.F.R. Part 330, Appendix A;

(c) The applicant's surface coal mining operation will not impact waters of the Commonwealth designated by the cabinet in its water quality standards as outstanding state or national resource waters or as cold water aquatic habitat; and

(d) The applicant's surface coal mining operation will not impact waters of the Commonwealth which are wetlands one (1) acre or more in size.

(2) If the watershed above the toe of the farthest downstream permanent structure authorized pursuant to Nationwide Permit 21[~~ or 26~~] is less than four hundred eighty (480) acres for the surface coal mining operation meeting the criteria of subsection (1) of this section, the cabinet shall issue a water quality certification containing only the standard conditions set out in paragraphs (a) to (e) of this subsection.

(a) All earthwork operations shall be carried out so that sediment runoff and soil erosion to waters of the Commonwealth are controlled and minimized. Best management practices for water pollution control shall be used by the surface coal mining operation.

(b) Heavy equipment, such as bulldozers, backhoes, and draglines, shall not be used or operated within waters of the Commonwealth outside of the boundaries of a permanent structure, unless that use cannot be avoided. If use of heavy equipment within waters of the Commonwealth outside the boundaries of a permanent structure is unavoidable, then the work shall be performed so as to minimize resuspension of sediments and disturbance to substrates, banks, or riparian vegetation.

(c) Measures shall be taken to prevent and to control spills of fuels, lubricants, and other materials from entering waters of the Commonwealth.

(d) Any fill or riprap shall be of a composition that shall not cause violations of water quality standards by adversely affecting the biological, chemical, or physical properties of waters of the Commonwealth. If riprap is used, it shall be of a weight and size that bank stress or slump conditions shall not occur.

(e) Removal of riparian vegetation outside the boundaries of a permanent structure shall be minimized.

(3) (a) If the watershed above the toe of the farthest downstream permanent structure authorized pursuant to Nationwide Permit 21[~~ or 26~~] is greater than or equal to four hundred eighty (480) acres for the surface coal mining operation meeting the criteria of subsection (1) of this section ***or if the activity requires an individual permit instead of Nationwide Permit 21***, the cabinet may require a water quality certification containing conditions in addition to those standard conditions identified in subsection (2) of this section for the purpose of protecting water quality.

(b) The water quality certification may require mitigation at a maximum ratio of one (1) acre of mitigation area for every one (1) acre of permanent loss of waters of the Commonwealth on the permitted area, except for waters of the Commonwealth isolated as a result of the permanent structure.

(c) For waters of the Commonwealth isolated as a result of a permanent structure, the maximum mitigation ratio shall be five-tenths (0.5) acre of mitigation area for every one (1) acre of those isolated waters.

(d) The cabinet shall accept mitigation on the permitted area, mitigation off the permitted area, mitigation banking of waters of the Commonwealth, or any combination thereof, or any other mitigation measure acceptable to the cabinet.

1. Physical mitigation measures which shall be accepted by the cabinet shall include, but not be limited to the following. Alternatives to these options shall be acceptable on a case-by-case basis at the approval of the Division of Water:

a. Removing abandoned sediment control structures at surface coal mining operations;

b. Improving chemically or physically impaired streams;

c. Upgrading existing wastewater treatment facilities of local communities;

d. Extending sanitary sewer lines to areas presently not served;

e. Preparing wastewater facility plans under 33 U.S.C. sec. 1281 for local entities lacking these planning documents;

f. Upgrading local roads, which directly impact water quality and aquatic habitat in state waters adjacent to the permitted area; and

g. Purchasing conservation easements for the purpose of developing riparian protection zones.

2. As an alternative to providing physical mitigation for losses of waters of the Commonwealth, the coal company may choose to pay into the in-lieu fund established by subsection (9) of this section to monetarily compensate for stream loss. This compensation shall be at the rate of two hundred thousand

dollars ($200,000) per acre of impacted stream.

(e) Upon completion of all mitigation work required by the water quality certification required by this subsection, the surface coal mining operation shall obtain a certification from a registered professional engineer that all mitigation work has been completed in accordance with the conditions of the water quality certification. The surface coal mining operation shall promptly submit the professional engineer's certification to the cabinet. The cabinet shall promptly review the certification and provide to the surface coal mining operation written notice that all mitigation work has been successfully completed, or that further mitigation work is necessary to meet the conditions imposed by the water quality certification.

(4) The cabinet shall not require a water quality certification for a road crossing on the permitted area impacting less than two hundred (200) linear feet of waters of the Commonwealth.

(5) The cabinet shall confer with representatives of the surface coal mining industry and representatives of environmental organizations with an interest in water quality ***every time the existing mitigation manual is modified***[~~in developing a manual of approvable options for mitigation on permitted areas, mitigation off permitted areas, mitigation involving banking of waters of the Commonwealth, and removal of temporary sediment structures at surface coal mining operations as a mitigation option~~].

(6) (a) The cabinet shall have ten (10) working days to make a determination that an application for a water quality certification is administratively complete or to notify the applicant of specific deficiencies.

(b) The cabinet shall have forty (40) working days to review an administratively complete application for a water quality certification, to issue or waive that certification, or to deny that certification with specific deficiencies identified, and to notify the applicant of the final determination. If the cabinet has not notified the applicant of its final determination within forty (40) days of receiving an administratively complete application, the water quality certification shall be deemed waived.

(7) Nothing in this section shall be construed as abrogating the cabinet's ability to require water quality certifications for surface coal mining operations that do not meet the criteria of subsection (1) of this section.

(8) The secretary shall establish a committee to assist and advise the cabinet on the management of any in-lieu fund receipts from a coal company deposited to the fund established by subsection (9) of this section. The committee shall consist of ten (10) individuals from the following groups:

Money which is unexpended at the end of a fiscal year shall not lapse but shall be carried over to the following fiscal year. The cabinet shall administer the fund for the purpose of funding mitigation projects within a three (3) county region of the permitted area of the coal operator who has chosen to mitigate the effects of the coal operation by making the in lieu payment. All coal related in lieu fund contributions shall be spent only in a coal producing county. Any interest received from earnings on any coal company money shall be used for other mitigation projects in a coal producing county.

(10) The cabinet shall appoint a committee that will work toward reforming the existing water quality certification process into a more structured process for certification review, including time limits and establishing an administratively complete certification application.

"WHEREAS, the Natural Resources and Environmental Protection Cabinet is responsible under state law for review and issuance or denial of certifications of consistency with state water quality standards for surface coal mining activities seeking approval from the United States Army Corps of Engineers for placement of dredged or fill material in waters of the United States within Kentucky; and

WHEREAS, the United States Army Corps of Engineers reviews requests by surface coal mining operations to place dredged or fill material in waters of the United States under individual permit applications or, when appropriate, under nationwide permits, including Nationwide Permit 21; and

WHEREAS, the United States Army Corps of Engineers allows, as an option for persons required to conduct mitigation for losses or impacts to streams, the payment of a fee in lieu of conducting mitigation on or off-site; and

WHEREAS, the General Assembly believes that any funds paid in lieu of physical mitigation should be expended in the coal counties in the watershed basin in which the activity is proposed; and

WHEREAS, the General Assembly recognizes that qualitative improvements in water quality through reduction of pollutant loadings from sources other than surface coal mining activities, such as improvements in local wastewater management, can enhance water quality and constitute positive mitigation measures;

"The United States Army Corps of Engineers, the United States Environmental Protection Agency, and United States Department of Fish and Wildlife are encouraged, and the Kentucky Department for Fish and Wildlife Resources is directed, to consider as acceptable compensatory mitigation measures for unavoidable impacts under Sections 404 and 401 of the federal Clean Water Act, any combination of the following where deemed adequate by those agencies to fully compensate for and mitigate adverse impacts of the proposed surface coal mining operation:

(a) Removing sediment control structures at abandoned surface mining operations and restoring the stream where the applicant has no legal responsibility to remove or reclaim the structure and the structure is not covered by a bond;

(b) Improving impaired streams for which the applicant has no legal responsibility;

(c) Constructing new or upgraded existing wastewater treatment facilities of local communities or homeowners;

(d) Extending sanitary sewers lines to areas presently not served;

(g) Purchasing conservation easements for the purpose of providing permanent protection for riparian zones, where the applicant has no legal responsibility to conduct remediation or restoration on the property for which the easement will be purchased.

Section 2. Where the United States Army Corps of Engineers, the United States Environmental Protection Agency and the United States Department of Fish and Wildlife, the Kentucky Department for Fish and Wildlife Resources, or the Kentucky Division of Water, recommend or approve payment of fees as compensatory mitigation in lieu of effecting such mitigation, the federal agencies are encouraged and the state agencies are directed to assure that the in lieu payments are expended on projects that are located within the same watershed and coal-producing region as the activity causing the impacts for which the mitigation is proposed."; and

HB 204, AN ACT relating to concessions in state parks.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 6 of this Act, unless the context clearly indicates otherwise:

(1) "Concession" means a commercial activity that includes but is not limited to outfitter services, rafting, canoe and boat rental and livery services, fishing and hunting guide services, and horseback riding stables or services that are provided on lands within the state park system;

(2) "Concessionaire" means a person or entity that conducts a commercial concession activity on lands within the state park system under the authorization of the Department of Parks; and

(3) "Master agreement" means an agreement between a concessionaire and the Department of Parks, having a term of ten (10) years that establishes the terms and conditions for occupancy and use of land in state parks by an authorized concessionaire.

SECTION 2. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds and declares that the experience, skills, trained staff, and investment in equipment that are

provided by authorized concessionaires are necessary for members of the public to facilitate their use and enjoyment of recreational and educational opportunities within the state park system, and that such activities constitute an important contribution toward meeting the recreational and educational objectives of resource management plans administered by the Department of Parks; and that an effective relationship between the Department of Parks and concessionaires requires implementation of policies and programs that facilitate quality concession services to the public and for concessionaires to have a reasonable opportunity to engage in successful business ventures.

SECTION 3. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding the provisions of KRS Chapter 45A, the secretary of the Tourism Development Cabinet, in conjunction with the commissioner of the Department of Parks, shall establish standards for the evaluation of applications for and the issuance of master agreements to concessionaires by the promulgation of administrative regulations in accordance with KRS Chapter 13A.

(2) The secretary of the Tourism Development Cabinet shall consult with the secretary of the Finance and Administration Cabinet when establishing standards to ensure that standards established pursuant to subsection (1) of this section do not conflict with the underlying purposes of KRS Chapter 45A.

(3) With respect to each individual or business entity making an application to the secretary of the Tourism Development Cabinet for a master agreement to operate a concession in state parks that are under the authority and supervision of the Department of Parks, the secretary of the Tourism Development Cabinet shall make inquiries and request materials of the applicant that shall include, but not be limited to, a description of the concession activity; capital and other anticipated expenditures for the concession and the anticipated sources of funding therefor; the anticipated employment and wages to be paid at the concession; business plans which indicate the average number of days in a year in which the concession will be in operation and open to the public; the skill, experience, and knowledge of the persons or entity under consideration; and the anticipated revenues and expenses generated by the concession.

(4) The secretary shall upon receipt of an application complete a review of the application and all supporting materials and take action thereon within ninety (90) days from the date of receipt.

(5) The standards for approval of an application for a master agreement shall include but not be limited to the applicant's skill, experience, and knowledge of the concession's activity, and financial capability of the persons or entity under consideration. Preference shall be given to current concessionaires who are satisfactorily fulfilling the terms of existing licenses and contractual agreements.

SECTION 4. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) The secretary, upon approval of an application for a master agreement, may issue a master agreement to a concessionaire. The terms and provisions of each master agreement shall include and provide for, but not be limited to:

- *(a) Specific requirements that protect the health and welfare of the public;*
- *(b) Specific requirements that concern the conservation of resources within the state park system;*
- *(c) A term of ten (10) years except as provided in subsection (2) of this section;*
- *(d) A return to the Commonwealth through an authorization fee in accordance with subsection (4) of this section;*
- *(e) A plan to conduct performance evaluations in accordance with Section 5 of this Act; and*
- *(f) A means to modify the terms and conditions of a master agreement to reflect material changes in facts and conditions.*

(2) The secretary shall issue a master agreement having a term of ten (10) years, with an initial probation period of two (2) years for a new authorized concessionaire, except that the secretary may, in extraordinary circumstances, issue a master agreement with a term of less than ten (10) years when:

- *(a) Foreseeable changes in the operation of a state park will create conditions that would materially impact and necessitate changes in the master agreement term and conditions in less than ten (10) years; or*
- *(b) The approved concessionaire and the secretary agree to a master agreement term of less than ten (10) years.*

(3) A master agreement shall be automatically renewed for an additional ten (10) year term provided that the concessionaire has received a minimum annual performance rating of "good" in seven (7) of the master agreement's ten (10) year term.

(4) A master agreement shall provide for payment to the Commonwealth of an authorization fee. In determining the amount of an authorization fee, the secretary shall take into consideration the obligations of a concessionaire under the master agreement, the provision of a reasonable opportunity to engage in a successful business, and the fair market value of the use and occupancy granted by the master agreement. In addition, the secretary shall consider the facilities and services provided to a concessionaire, including but not limited to: the facilities and maintenance provided thereto, security, utilities and sewerage, and parking.

(5) The amount of the fee paid to the Commonwealth for the term of the master agreement shall be specified in the master agreement. The amount of the fee shall be expressed as:

- *(a) A simple charge per day of actual use;*

(b) An annual or per season flat fee; or

(c) A flat percentage of annual gross receipts.

(6) The fee shall reflect the amount and extent of a concessionaire's activities that take place within a state park, such that if less than fifty percent (50%) of a concessionaire's activities occur within a state park, no more than fifty percent (50%) of the fee shall be charged to the concessionaire. The fee shall be required to be paid by an authorized concessionaire on a reasonable schedule during the operating season of the concession activity.

(7) A master agreement shall not be transferred, assigned, or conveyed by the authorized concessionaire without prior written notification to, and approval by, the secretary of the Tourism Development Cabinet. A change in ownership of a commercial entity shall not be considered as transferring, assigning, or conveying a master agreement.

SECTION 5. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) The secretary shall, by the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A, develop a process for annual evaluation of the performance of an authorized concessionaire in conducting the activity under the master agreement. Criteria used by the secretary to evaluate the performance of an authorized concessionaire shall be objective, measurable, and attainable, and shall be generally applicable to all concession activities.

(2) The secretary shall define three (3) levels of performance, which are:

(a) Good, indicating a level of performance that fulfills the terms and conditions of the master agreement;

(b) Marginal, indicating a level of performance that, if not corrected, will result in an unsatisfactory level of performance; and

(c) Unsatisfactory, indication a level of performance that fails to fulfill the terms and conditions of the master agreement.

(3) The secretary shall establish a performance evaluation system that assures the Commonwealth and the public of the continued availability of dependable concessionaire activities and suspends or revokes a master agreement for a concessionaire that fails to meet the required standards.

(4) The evaluation procedure shall allow for a concessionaire:

(a) To be present or represented at inspections of operations or facilities described under the terms of a master agreement;

(b) To receive written notice of any conduct or condition that, if not corrected, may lead to a performance evaluation of marginal or unsatisfactory, which shall include an explanation of needed corrections and provide a reasonable period in which the corrections may be made without penalty; and

(c) To receive written notice of the results of the performance evaluation not later than sixty (60) days after the conclusion of the concessionaire's operating season, including the level of performance and the status of corrections that may have been required.

(5) If an authorized concessionaire's annual performance is determined to be marginal, and if the concessionaire fails to complete the corrections within the time specified under subsection (4)(b) of this section, the level of performance shall be determined to be unsatisfactory for that year.

(6) If in any year of the term of a master agreement the secretary fails to evaluate the performance of the authorized concessionaire's activity by the date that is sixty (60) days after the conclusion of the authorized concessionaire's operating season, the performance of the authorized concessionaire in that year shall be considered to have been good.

(7) If a newly authorized concessionaire receives an unsatisfactory performance rating during the initial two (2) year probationary period of the master agreement, the secretary may suspend or revoke the concessionaire's authorization to continue its business activities in the state park under the applicable master agreement.

(8) If an authorized concessionaire receives an unsatisfactory performance rating after the initial two (2) year probationary period of the master agreement, the secretary may suspend or revoke the concessionaire's authorization to continue its business activities in the state park under the applicable master agreement only if the secretary determines that:

(a) The authorized concessionaire has failed to correct a condition for which the concessionaire has received notice under subsection (4) of this section and the condition is considered by the secretary to be significant with respect to the terms and conditions of the master agreement;

(b) The authorized concessionaire is in arrears in the payment of fees under subsection (3) of Section 4 of this Act and has not entered into a payment plan that is acceptable to the secretary;

(c) The authorized concessionaire's conduct demonstrates willful disregard for the health and welfare of the public; or

(d) The authorized concessionaire's conduct demonstrates willful disregard for the conservation of resources on which its activities are conducted.

(9) An authorized concessionaire shall keep such reasonable records as the secretary may require to enable the secretary to determine that all of the terms and conditions of the master agreement are being met.

SECTION 6. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

The issuance of a master agreement under Section 4 of this Act shall not adversely affect any right or obligation that existed under previous agreements, permits, contracts, or other authorizations that are in effect on the effective date of this Act.

The Committee Substitute to **HB 204** is as follows:

HB 204, AN ACT relating to concessions in state parks.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Interim Joint Committee on Economic Development and Tourism shall study the process of evaluating applicants and issuing master agreements for concessionaires in state parks. The study shall examine commercial concession activities in state parks and shall include but not be limited to food services, outfitter services, rafting, canoe and boat rental and livery services, fishing and hunting guide services, and horseback riding stables or services that are provided on lands within the state park system. The committee shall report its findings and recommendations to the Legislative Research Commission no later than December 1, 2002.

Section 2. Provisions of this statute to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

HB 435, AN ACT relating to fair competition in the marketing of motor fuel.

WHEREAS, the General Assembly finds that the marketing of motor fuel in the Commonwealth affects the public interest; and

WHEREAS, the General Assembly finds that independent and small dealers and distributors of motor fuel are vital to a healthy, competitive marketplace and that certain marketing practices are contrary to the public interest because they impair a fair, competitive environment and tend to create and foster monopolies; and

WHEREAS, the General Assembly finds that independent and small dealers and distributors of motor fuel have made significant investments in property, equipment and environmental controls for the purpose of making motor fuel available to all areas of the Commonwealth; and

WHEREAS, the General Assembly finds that independent and small dealers and distributors cannot survive in a market environment that allows certain pricing schemes at the wholesale or retail level; and

WHEREAS, the General Assembly finds that subsidized pricing of motor fuel is inherently unfair, reduces competition, and ultimately tends to increase the price of motor fuel while decreasing the accessibility and availability of motor fuel in some areas; and

WHEREAS, the General Assembly finds that unfair competition that injures a single competitor results in injury to the entire market, thus creating an environment that injures and is contrary to the public interest; and

WHEREAS, the General Assembly declares it is the legislature's intent to encourage fair and honest competition, and to safeguard the public against the creation of monopolies or other unfair methods of competition, involving the sale of motor fuel in both the wholesale and retail trades within the Commonwealth; and

WHEREAS, the General Assembly declares that it is an unfair trade practice to advertise, offer for sale, or sell motor fuel below cost or at a cost lower than that charged other persons on the same marketing level; and

WHEREAS, the General Assembly declares it to be the policy of the Commonwealth to promote the general welfare through the prohibition of unfair trade practices; and

WHEREAS, the General Assembly declares the purpose of this Act is to carry out fair competition in the public's interest, provide for exceptions under limited circumstances; provide for the enforcement of the provisions of this Act, and to provide penalties for violating the provisions of this Act;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 365 IS CREATED TO READ AS FOLLOWS:

(7) "Person" means an individual, firm, association, organization, partnership, business trust, joint stock company, company, corporation, or legal entity;

(8) "Posted terminal price" means a refiner's posted price at a terminal, by grade of motor fuel, to the wholesale class of trade within a relevant geographic market. If a refiner does not have a posted terminal price in a relevant geographic market, the refiner's posted terminal price shall be deemed to be no lower than the lowest posted terminal price of motor fuel of like grade and quality of any other refiner selling to the wholesale class of trade in the relevant geographic market;

(9) "Refiner" means a person who stores or exchanges motor fuel at a terminal facility inside or outside the boundaries of the Commonwealth and who sells or transfers motor fuel through the loading rack at a terminal facility, or produces or refines motor fuel, whether the production or refining occurs within the boundaries of the Commonwealth or elsewhere, and includes an affiliate of the refiner with respect to the affiliate's sale of motor fuel;

(10) "Refiner cost" means a refiner's posted terminal price plus state, federal, and local taxes, inspection fees applicable to motor fuel, freight charges to the refiner's retail facility, and amortized costs attributed to the UST system;

(11) "Relevant geographic market" means the geographic area of effective competition;

(12) "Retail facility" means retail facility as defined in KRS 363.900;

(13) "Sale" or "sell" means any transfer, gift, sale, barter, offer for sale, or advertisement for sale in any manner or by any means, including any transfer of motor fuel from any person or company to itself or an affiliate at another level of distribution, but does not include product exchanges at the wholesale level of distribution;

(14) "Supplier" means a wholesaler or person that supplies motor fuel to any retail facility;

(15) "Terminal facility" means a facility used for the purpose of storing, handling, or transferring motor fuel, but does not include bulk storage facilities owned or operated by a wholesaler;

(16) "UST system" means the tanks, piping, and pumps associated with the sale of motor fuel at retail facilities; and

(17) "Wholesaler" means a person, other than a refiner or dealer, who purchases motor fuel at a terminal facility and supplies motor fuel to retail facilities.

SECTION 2. A NEW SECTION OF KRS CHAPTER 365 IS CREATED TO READ AS FOLLOWS:

(1) It shall be unlawful for a refiner or nonrefiner who is engaged in commerce in the Commonwealth to sell any grade and quality of motor fuel at retail below refiner or nonrefiner cost where the effect is to injure competition.

(2) It shall be unlawful for a refiner who is engaged in commerce in the Commonwealth to sell any grade and quality of motor fuel at a retail facility at a price that is below the price charged by the refiner to a wholesaler or dealer under written contract for the like grade and quality of motor fuel, to the extent that the wholesaler or dealer resells the motor fuel in the relevant geographic market where the refiner's retail price is in effect, where the effect is to injure competition.

(3) It shall be unlawful for a refiner or nonrefiner engaged in commerce in the Commonwealth to sell for resale any grade and quality of motor fuel at a price lower than the price at which the seller contemporaneously sells motor fuel of like grade and quality to another person on the same level of distribution within the same relevant geographic market as the purchaser, where the effect is to injure competition.

(4) It shall be unlawful for a refiner or nonrefiner engaged in commerce in the Commonwealth to knowingly receive for resale any grade and quality of motor fuel at a price lower than the price at which the seller from which the motor fuel is purchased or received contemporaneously sells motor fuel of like grade and quality to another person on the same level of distribution and within the same relevant geographic market as the purchaser, where the effect is to injure competition.

(5) It shall be unlawful for a refiner engaged in commerce in the Commonwealth to offer or give any rebate, subsidy, or concession on the sale of motor fuel, either directly or indirectly, when the refiner does not provide the same rebate, subsidy, or concession on proportionately equal terms to all persons purchasing for resale in the relevant geographic market, where the effect is to injure competition. If a wholesaler receives a rebate, rent subsidy, or concession, the wholesaler shall offer the rebate, rent subsidy, concession, or the equivalent of the rebate, rent subsidy, or concession to any retail outlet supplied by the wholesaler on proportionately equal terms. A rebate, subsidy, or concession provided in a good faith effort to meet a competitor's price is not a violation of Sections 1 to 7 of this Act, if the refiner provides the same rebate, subsidy, or concession to all similarly situated persons buying the motor fuel in the relevant geographic market on proportionally equal terms.

SECTION 3. A NEW SECTION OF KRS CHAPTER 365 IS CREATED TO READ AS FOLLOWS:

(1) The provisions of Sections 1 to 7 of this Act shall not apply to:

(a) A refiner's or nonrefiner's sale of motor fuel below refiner or nonrefiner cost made in good faith to meet an equally low price of a competitor selling motor fuel in the same relevant geographic market of like grade and quality, even if the competitor's price is a violation of Sections 1 to 7 of this Act;

(b) The sale of motor fuel by any refiner or nonrefiner below refiner or nonrefiner cost for a bona fide clearance sale for the purpose of discontinuing trade in the motor fuel or for the purpose of liquidating a business;

(f) Sales of motor fuel of like grade and quality at different prices to persons at the same level of distribution if the difference in price is due to a difference in the cost of sale or delivery resulting from differing methods or quantities in which the grade and quality of motor fuel is sold or delivered.

(2) Any contract, express or implied, made by any person in violation of Sections 1 to 7 of this Act, shall be illegal and void and recovery shall not be permitted.

SECTION 4. A NEW SECTION OF KRS CHAPTER 365 IS CREATED TO READ AS FOLLOWS:

(1) A person who knowingly violates the provisions of Sections 1 to 7 of this Act shall be assessed a fine not to exceed ten thousand dollars ($10,000) per day during which the violation occurs.

(2) The Attorney General may investigate all claims arising under Sections 1 to 7 of this Act. During the investigatory phase, the Attorney General may issue subpoenas to assist in the fact-finding process. Upon completion of the investigatory phase, the Attorney General may elect to sue for recovery of fines if the Attorney General has a good faith belief that an infraction has occurred.

(3) Damages in any action by the Attorney General shall be limited to the amount of the fine assessed during the violation period. The sum assessed and recovered shall be distributed to the Kentucky Revenue Cabinet.

SECTION 5. A NEW SECTION OF KRS CHAPTER 365 IS CREATED TO READ AS FOLLOWS:

Any action brought by the Attorney General's Office or by a competitor for violations of Sections 1 to 7 of this Act shall be brought within two (2) years after the alleged violation occurred or should reasonably have been discovered.

SECTION 7. A NEW SECTION OF KRS CHAPTER 365 IS CREATED TO READ AS FOLLOWS:

This Act may be cited as the Kentucky Fair Competition Act of 2002.

The Committee Substitute to **HB 435** is as follows:

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Special Subcommittee on Energy shall study the feasibility of legislation to prohibit the practice of selling motor fuel below cost where the effect is to injure competition.

Section 2. The subcommittee shall report its findings and recommendations for legislative action to the Legislative Research Commission on or before December 1, 2002.

Section 3. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

SECTION 1. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly recognizes that certain areas of the Commonwealth possess outstanding and unique scenic, recreational, geological, biological, historical, archaeological and other scientific, aesthetic, and cultural values. Therefore, it is hereby declared that in order to afford the citizens of the Commonwealth an opportunity to enjoy these natural areas, to attract out-of-state visitors, to ensure the well-being of our tourism industry, to preserve for future generations the beauty of certain areas untrammeled by man, to provide for the ever-increasing outdoor recreation needs of an expanding population, and to promote the preservation of, public access to, travel within, and enjoyment and appreciation of the outdoor areas and historic resources of the Commonwealth, there is hereby established a certain defined area in the southeastern part of the Commonwealth for ultimate designation as the Pine Mountain Trail State Park, with land in the defined area owned or leased by the Commonwealth or on which the Commonwealth has obtained an easement comprising the initial state park.

(3) The General Assembly recognizes the valuable contributions that volunteers and private, nonprofit groups have made to the development and maintenance of trails throughout the Commonwealth. In recognition of these contributions, it is further the purpose of Sections 1 to 11 of this Act to encourage and assist volunteer citizen and nonprofit group involvement in the planning, development, maintenance, and management, where appropriate, of the trail.

SECTION 2. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

SECTION 3. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby designated a linear state park known as the Pine Mountain Trail State Park, a trail of approximately one hundred twenty (120) miles in length, located exclusively within the boundaries of Kentucky beginning along the border of Kentucky and Virginia at or near Breaks Interstate Park, and extending generally south-southwest along the crest of Pine Mountain to the vicinity of Pine Mountain State Resort Park and continuing south to the Cumberland Gap National Park or the vicinity thereof. Insofar as practicable, the boundaries of the trail shall extend five hundred (500) feet outward from the crest of Pine Mountain down the northwest face, and five hundred (500) feet outward from the crest of Pine Mountain down the southeast face. The route of the trail from Pine Mountain State Resort Park to

Cumberland Gap National Park shall also be, to the extent feasible, a one thousand (1000) foot wide corridor, and shall be located as determined by the department. The trail shall be depicted on the "Pine Mountain Trail Map," which shall be on file and available for public inspection in the office of the commissioner of the department. The trail map shall delineate those portions of the trail that are owned or leased by the Commonwealth or on which the Commonwealth has obtained an easement and shall be updated periodically solely for the purpose of reflecting additions to those specific areas.

(2) The department may designate connecting or side trails which shall provide additional points of public access to the trail or access to points of interest, and which shall be of the same scenic nature as the trail.

(3) Because of its extended length, the department may supplement the trail by support facilities located on certain designated parts of the trail. These support facilities may include, as the department deems necessary and feasible, primitive shelters, fireplaces, safe water supplies, and other related public use facilities that shall meet department standards. No open wood fires shall be permitted on the trail except in areas with support facilities specifically designated for that purpose.

(4) The trail shall be a state scenic trail, so chosen because of its location and in order to provide maximum potential for the appreciation of natural areas and the conservation and enjoyment of the significant scenic, historic, natural, ecological, geological, and cultural qualities of the area through which the trail passes. It shall be limited exclusively to foot use, except that other nonmotorized uses may be permitted on segments where deemed appropriate by the department.

(5) The department shall, no later than December 31, 2002, determine the boundaries of the trail, to the extent funds are available for that purpose. The boundaries shall be established in a manner that protects the trail's scenic value.

SECTION 4. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) The power of eminent domain may be exercised to acquire land within the boundaries of the trail and for any designated side trails.

(2) Within the boundaries of the trail, the department may acquire, on behalf of the Commonwealth, fee title or lesser interests in land. Acquisition of land may be by gift, by purchase with donated funds, by funds appropriated by the General Assembly, by the use of proceeds from the sale of bonds, by exchange, by assumption of property tax payments, or by other authorized means. Notwithstanding the provisions in KRS 350.085(3), in acquiring any interests the department is authorized to wave the three hundred (300) feet restriction contained in KRS 350.085(3).

SECTION 5. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) Within the boundaries of the trail, the natural vegetation shall be kept undisturbed except for any clearing required for construction of the trail, occasional vistas, or trail-use facilities described in Sections 1 to 11 of this Act. Development and management of each segment of the trail shall be designed to harmonize with and complement any established multiple-use plans for that specific area in order to ensure continual maximum benefits from the land.

(2) Hunting of wild game shall be permitted only on or along areas as identified and permitted in administrative regulations as promulgated by the Department of Fish and Wildlife Resources after consultation with the Department of Parks.

(3) The use of motorized vehicles by the general public within the boundaries of the trail shall be prohibited, and nothing in Sections 1 to 11 of this Act shall be construed as authorizing the use of motorized vehicles in this area, except upon public roadways within the boundaries of the trail.

(4) The department may promulgate administrative regulations authorizing the use of motorized vehicles when these vehicles are required to meet emergencies where life or health is at risk, or to enable adjacent landowners to have access to their lands or mineral rights, where no reasonable alternative methods of access exist or could be constructed.

(5) Except as expressly authorized in Sections 1 to 11 of this Act or in the administrative regulations promulgated by the department, or as may be allowed under a change of use permit issued by the department, permissible land uses within the boundaries of that portion of the trail on Pine Mountain shall be as set forth in this section. Uses that lawfully existed upon the effective date of Sections 1 to 11 of this Act may continue. New or additional uses shall be in compliance with the administrative regulations to be promulgated by the department, shall be compatible with the policy and purposes of Sections 1 to 11 of this Act, and shall minimize disturbance to the trail. Select cutting of timber or other resource removal may be allowed pursuant to administrative regulations promulgated by the department upon the issuance of a change of use permit. Means of ingress and egress, utility facilities and pipelines may be constructed as approved by the commissioner in writing and under provision that the affected land be restored as nearly as possible to its former state.

(6) Any person owning an interest in land within the boundaries of the trail may apply to the department for a change of use permit. The secretary or the secretary's designee shall hold a public hearing after public notice on the application within sixty (60) days. Any person shall be allowed to present evidence as to whether the use proposed by the applicant is in accordance with the management plan developed pursuant to the provisions of Sections 1 to 11 of this Act, the administrative regulations promulgated pursuant to Sections 1 to 11 of this Act, and other applicable law.

(7) The secretary shall, within sixty (60) days after a hearing, issue an order and accompanying opinion granting the

permit, denying the permit, or recommending an alternative use to which the land may be put that is more consistent with the provisions of Sections 1 to 11 of this Act than the use for which the application was made. Any aggrieved party to the hearing shall have the right to petition the Franklin Circuit Court within thirty (30) days after issuance of the secretary's order.

SECTION 6. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

A fund for the purpose of carrying out the provisions of Sections 1 to 11 of this Act is hereby created, to be designated as the Pine Mountain Trail fund, and shall consist of all revenues derived from privileges, concessions, contracts, or otherwise, all moneys received by gifts, contributions, donations, and grants from public or private sources. This shall be a trust and agency fund account maintained and disbursed by the Tourism Development Cabinet to carry out the purposes of Sections 1 to 11 of this Act, after appropriations are made for administration and other expenses and purposes provided in Sections 1 to 11 of this Act. It shall not lapse, and interest earnings shall accrue to the fund.

SECTION 7. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) The trail shall be administered by the department according to the policies and criteria set forth in Sections 1 to 11 of this Act. The department may promulgate administrative regulations that are necessary for the preservation and enhancement of the trail and to carry out the purposes of Sections 1 to 11 of this Act, and for control of recreational, educational, scientific and other uses of these areas in a manner that shall not impair them. Primary emphasis shall be given to protecting aesthetic, scenic, historic, archaeological, biological, geological, and scientific features of the trail. The department shall develop a management plan for the trail and shall publicize and hold public hearings and record the views expressed on the management plan.

(2) The department shall be responsible for maintaining the trail, building bridges, campsites, shelters, and related public-use facilities where required, to the extent funds are available therefor. The department may enter into written agreements to delegate any of these functions to one or more nonprofit entities or other persons.

SECTION 8. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

Nothing in Sections 1 to 11 of this Act shall be construed to confer upon any member of the public the right to use or enter upon private lands adjacent to the boundaries of the trail, or to confer on any member of the public the right to use any private lands designated as part of the trail until such time as the department has delineated that area as being subject to an easement or lease by the Commonwealth under subsection (1) of Section 3 of this Act.

It shall be the duty of the department or, upon the secretary's request, the duty of the Attorney General to bring an action for the recovery of the penalties provided for in Section 10 of this Act, or to bring an action for a restraining order or temporary or permanent injunction to prevent or correct a condition that constitutes or threatens to constitute a violation of any of the provisions of Sections 1 to 11 of this Act. All actions for injunctive relief shall be brought in the name of the Commonwealth of Kentucky and shall be filed in the Franklin Circuit Court.

SECTION 10. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

Each day upon which any violation occurs or continues shall constitute a separate offense.

(2) Any person who trespasses on private land within or adjacent to the boundaries of the trail shall be guilty of a Class B misdemeanor.

SECTION 11. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

Section 1 to 11 of this Act may be cited as the Pine Mountain Trail Act.

The Committee Substitute to **HB 556** is as follows:

HB 556, AN ACT providing for the establishment and management of a state park.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly recognizes that the ridge top of Pine Mountain is a unique area desirable for the creation of a trail. Therefore, it is hereby declared that in order to afford the citizens of the Commonwealth an opportunity to enjoy this natural area, to attract out-of-state visitors, to ensure the well-being of our tourism industry, to preserve for future generations the beauty of certain areas untrammeled by man, to provide for the ever-increasing outdoor recreation needs of an expanding population, and to promote the preservation of, public access to, travel within, and enjoyment and appreciation of the outdoor areas and historic resources of the Commonwealth, there is hereby established a certain defined area in the southeastern part of the Commonwealth for ultimate designation as the Pine Mountain Trail State Park, with land in the defined area owned or leased by the Commonwealth or on which the Commonwealth has obtained an easement comprising the initial state park.

(2) It is the intent of Sections 1 to 12 of this Act to assure preservation of the scenic, ecological, and other values within the boundaries of the trail and to provide proper management of the recreational, wildlife, water, and other resources within those boundaries. It is further the intent of Sections 1 to 12 of this Act to impose reasonable policies governing the use of land within the authorized boundaries of the trail, except for the restrictions set forth in Sections 1 to 12 of this Act, for the general welfare of the people of the Commonwealth and, where necessary, to enable the Commonwealth or any of its agencies to acquire fee title or lesser interests in land within the boundaries of the trail, in order to maintain the public trust in this unique area.

(3) The General Assembly recognizes the valuable contributions that volunteers and private, nonprofit groups have made to the development and maintenance of trails throughout the Commonwealth. In recognition of these contributions, it is further the purpose of Sections 1 to 12 of this Act to encourage and assist volunteer citizen and nonprofit group involvement in the planning, development, maintenance, and management, where appropriate, of the trail.

(4) The General Assembly recognizes that the establishment of Pine Mountain Trail State Park is not intended to create a one hundred twenty (120) mile linear barrier around southeastern Kentucky. The General Assembly further recognizes that to ensure the continued economic development of the area, provisions shall be made for means of ingress and egress for owners of property and those with property rights affected by the creation of the trail, and for new road construction, utility facilities, and pipelines that may cross the trail.

The route of the trail from Pine Mountain State Resort Park to Cumberland Gap National Park shall be a corridor no wider than two hundred fifty (250) feet to be determined by the department. Section 8. KRS 304.17A-617 is amended to read as follows:

(1) Every insurer shall have an internal appeal process to be utilized by the insurer or its designee, consistent with this section and KRS 304.17A-619 and which shall be disclosed to covered persons in accordance with KRS 304.17A-505(1)(g). An expedited appeal is deemed necessary when a covered person is hospitalized or, in the opinion of the treating provider, review under a standard time frame could, in the absence of immediate medical attention, result in any of the following:

1. Placing the health of the covered person or, with respect to a pregnant woman, the health of the covered person or the unborn child in serious jeopardy;

2. Serious impairment to bodily functions; or

3. Serious dysfunction of a bodily organ or part;

1. A statement of the specific medical and scientific reasons for denying coverage or identifying that provision of the schedule of benefits or exclusions that demonstrates that coverage is not available;

2. The[~~ name,~~] state of licensure, medical license number, and the title of the person making the decision;

3. A description of alternative benefits, services, or supplies covered by the health benefit plan, if any; and

(3) The department shall establish and maintain a system for receiving and reviewing requests for review of coverage denials from covered persons, authorized persons, and providers. For purposes of this subsection "coverage denials" shall not include an adverse determination as defined in KRS 304.17A-600 or subsequent denials arising from an adverse determination.

(a) On receipt of a written request for review of a coverage denial from a covered person, authorized person, or provider, the department shall notify the insurer which issued the denial of the request for review and shall call for the insurer to respond to the department regarding the request for review within five (5) days ***of*** receipt of notice to the insurer;

(d) On the receipt of the information described in paragraphs (b) and (c) of this subsection, unless the department is not able to do so because making a determination requires resolution of a medical issue, it shall determine whether the service, treatment, drug, or device is specifically limited or excluded under the terms of the covered person's health benefit plan. If the department determines that the treatment, service, drug, or device is not specifically limited or excluded, it shall so notify the insurer, and the insurer shall either cover the service, or afford the covered person an opportunity for external review under KRS 304.17A-621, 304.17A-623, and 304.17A-625, where the conditions precedent to the review are present. If the department notifies the insurer that the treatment, service, drug, or device is specifically limited or excluded in the health benefit plan, the insurer is not required to cover the service or afford the covered person an external review.

(e) An insurer shall be required to cover the treatment, service, drug, or device that was denied or provide notification of the right to external review in accordance with paragraph (d) of this subsection whether the covered person has disenrolled or remains enrolled with the insurer.

(f) If the covered person has disenrolled with the insurer, the insurer shall only be required to provide the treatment, service, drug, or device that was denied for a period not to exceed thirty (30) days, or provide the covered person the opportunity for external review.

(2) A covered person, an authorized person, or a provider acting on behalf of and with the consent of the covered person, may request an external review of an adverse determination rendered by an insurer, its designee, or agent.

(3) The insurer shall provide for an external review of an adverse determination if the following criteria are met:

(4) The covered person, an authorized person, or a provider with consent of the covered person shall submit a request for external review to the insurer within sixty (60) days, except as set forth in KRS 304.17A-619(1), of receiving notice that an adverse determination has been timely rendered under the insurer's internal appeal process. As part of the request, the covered person shall provide to the insurer or its designee written consent authorizing the independent review entity to obtain all necessary medical records from both the insurer and any provider utilized for review purposes regarding the decision to deny, limit, reduce or terminate coverage.

(5) The covered person shall be assessed a one (1) time filing fee of twenty-five dollars ($25) to be paid to the independent review entity and which may be waived if the independent review entity determines that the fee creates a financial hardship on the covered person. The department shall contract with no less than two (2) independent review entities.

(8) (a) If a dispute arises between an insurer and a covered person regarding the covered person's right to an external review, the covered person may file a complaint with the department. Within five (5) days of receipt of the complaint, the department shall render a decision and may direct the insurer to submit the dispute to an independent review entity for an external review if it finds:

2. All of the requirements of subsection (3) of this section have been met.

(b) The complaint process established in this section shall be separate and distinct from, and shall in no way limit other grievance or complaint processes available to consumers under other provisions of the KRS or duly promulgated administrative regulations. (a) Placing the health of the covered person or, with respect to a pregnant woman, the health of the covered person or her unborn child in serious jeopardy;

(b) Serious impairment to bodily functions; or

(c) Serious dysfunction of a bodily organ or part.

(13) External reviews which are not expedited shall be conducted by the independent review entity and a determination made within twenty-one (21) calendar days of receipt of the request for external review. An extension of up to fourteen (14) calendar days may be allowed if the covered person and the insurer are in agreement.

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical specialists, and clinical guidelines adopted by relevant national medical societies.

(2) The independent review entity shall base its decision on the information submitted under subsection (1) of this section. In making its decision, the independent review entity shall consider safety, appropriateness, and cost effectiveness.

(3) The insurer shall provide any coverage determined by the independent review entity to be medically necessary. The independent review entity shall not be permitted to allow coverage for services specifically limited or excluded by the insurer in its health benefit plan. The decision shall apply only to the individual covered person's external review.

(4) Nothing in this section shall be construed as requiring an insurer to provide coverage for out of network services, procedures, or tests, except as set forth in KRS 304.17A-515(1)(c) and 304.17A-550.

(5) The insurer shall be responsible for the cost of the external review.

(6) The independent review entity shall provide to the covered person, treating provider, insurer, and the department a decision which shall include:

(10) Failure to provide coverage as required by the independent review entity shall also subject the insurer to the provisions of KRS 304.99-010 and 304.99-020 and require the insurer to pay the claim that was the subject of the external review, without need for the covered person or authorized person to further establish a right as to the payment amount. Reasonable

attorney fees associated with the actions of the insured necessary to collect amounts owed the covered person shall be assessed against and borne by the insurer.

(11) ***The insurer shall implement the decision of the independent review entity whether the covered person has disenrolled or remains enrolled with the insurer.***

(12) If the covered person has been disenrolled with the insurer, the insurer shall only be required to provide the treatment, service, drug, or device that was previously denied by the insurer, its agent, or designee and later approved by the independent review entity for a period not to exceed thirty (30) days.

(13) Within thirty (30) days of the decision in favor of the covered person by the independent review entity, the insurer shall provide written notification to the department that the decision has been implemented in accordance with this section.

(14) An independent review entity and any medical specialist the entity utilizes in conducting an external review shall not be liable in damages in a civil action for injury, death, or loss to person or property and is not subject to professional disciplinary action for making, in good faith, any finding, conclusion, or determination required to complete the external review. This subsection does not grant immunity from civil liability or professional disciplinary action to an independent review entity or medical specialist for an action that is outside the scope of authority granted in KRS 304.17A-621, 304.17A-623, and 304.17A-625.

(15)[~~(12)~~] Nothing in KRS 304.17A-600 to 304.17A-633 shall be construed to create a cause of action against any of the following:

2. Except for credit unions, the association collects dues or solicits contributions from members; and

Certificates of group long-term care insurance shall be filed with the commissioner as required by KRS 304.14-120.

Section 14. KRS 304.14-615 is amended to read as follows:

(1) The commissioner shall promulgate administrative regulations that include standards for full and fair disclosure setting forth the manner, content, and require disclosures for the sale of long-term care insurance policies, terms of renewability, initial and subsequent conditions of eligibility, nonduplication of coverage provisions, coverage of dependents, pre-existing conditions, ***incidental benefits, lapse of insurance,*** termination of insurance, continuation of conversion, probationary periods, limitations, exceptions, reductions, elimination periods, ***premium rating practices and rating increases,*** requirements for replacement, recurrent conditions, and definitions of terms.

(b) Contain a provision establishing a new waiting period in the event existing coverage is covered to or replaced by a new or other form within the same insurer, except with respect to an increase in benefits voluntarily selected by the insured individual or group policyholder; or

(c) Provide coverage for skilled nursing care only or provide significantly more coverage for skilled care in a facility than coverage for lower levels of care.

(3) (a) A long-term care insurance policy or certificate, other than a policy or certificate thereunder issued to a group defined in KRS 304.14-600*(5)*[~~(4)~~](a), shall not use a definition of "pre-existing condition" which is more restrictive than the following: "Pre-existing condition means a condition for which medical services or treatment was recommended by, or received from, a provider of health care services within six (6) months preceding the effective date of coverage of an insured person."

(b) A long-term care insurance policy or certificate, other than a policy or certificate under a policy issued to a group as defined in KRS 304.14-600*(5)*[~~(4)~~](a), shall not exclude coverage for a loss or confinement which is the result of a pre-existing condition unless that loss or confinement begins within six (6) months following the effective date of coverage of an insured person.

(c) The commissioner may extend the limitation periods set forth in subsection (3)(a) and (b) of this section as to specific age group categories in specific policy forms upon finding that the extension is in the best interest of the public.

(d) The definition of "pre-existing condition" does not prohibit an insurer from using an application form designed to elicit the complete health history of an applicant, and, on the basis of the answers on that application, from underwriting in accordance with that insurer's established underwriting standards. Unless otherwise provided in the policy or certificate, a pre-existing condition, regardless of whether it is disclosed on the application, need not be covered until the waiting period described in paragraph (b) of this subsection expires. A long-term care insurance policy or certificate shall not exclude or use waivers or riders of any kind to exclude, limit, or reduce coverage or benefits for specifically named or described pre-existing diseases or physical conditions beyond the waiting period described in paragraph (b) of this subsection.

3. Conditions eligibility for any benefits other than waiver of premium, post-confinement, post-acute care, or recuperative benefits on a prior institutionalization requirement.

(b) 1. A long-term care insurance policy containing post-confinement, post-acute care, or recuperative benefits shall clearly label in a separate paragraph of the policy or certificate entitled "limitations or conditions on eligibility for benefits" the limitations or conditions, including any required number of days of confinement.

2. A long-term care insurance policy or rider which conditions eligibility of noninstitutional benefits on the prior receipt of institutional care shall not require a prior institutional stay of more than thirty (30) days.

(5) The commissioner may promulgate administrative regulations establishing loss ratio standards for long-term care insurance policies if a specific reference to long-term care insurance policies is contained in the administrative regulations.

(6) Long-term care insurance applicants shall have the right to return the policy or certificate within thirty (30) days of its delivery and to have the premium refunded if, after examination of the policy or certificate, the applicant is not satisfied for any reason. Long-term care insurance policies and certificates shall have a notice prominently printed on the first page or attached thereto stating in substance that the applicant shall have the right to return the policy or certificate within thirty (30) days of its delivery and to have the premium refunded if, after examination of the policy or certificate, other than a certificate issued pursuant to a policy issued to a group defined in KRS 304.14-600*(5)*[~~(4)~~](a), the applicant is not satisfied for any reason.

(7) (a) An outline of coverage shall be delivered to a prospective applicant for long-term care insurance at the time of initial solicitation through means which prominently direct the attention of the recipient to the document and its purpose.

1. The commissioner shall prescribe a standard format, including style, arrangement and overall appearance, and the content of an outline of coverage.

2. In the case of agent solicitations, an agent shall deliver the outline of coverage prior to the presentation of an application or enrollment form.

4. A statement that the outline of coverage is a summary only, not a contract of insurance, and that the policy or group master policy contains governing contractual provisions;
5. A description of the terms under which the policy or certificate may be returned and premium refunded; and
6. A brief description of the relationship of the cost of care and benefits.

(8) A certificate issued pursuant to a group long-term care insurance policy which is delivered or issued for delivery in this Commonwealth or a certificate subject to approval by the commissioner shall include:

This section applies to all life and health insurance contracts which are delivered or issued for delivery in Kentucky on or after July 13, 1990.

Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration-recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration-recommended test protocol and shall utilize any applicable Centers for Disease Control or

Food and Drug Administration-recommended follow-up tests or series of tests to confirm the indication.

(b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. 2. The availability in the geographic area of any appropriate health-care services, including mental health care, and appropriate social and support services;

3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and

4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3. of this paragraph.

(d) A medical test for human immunodeficiency virus infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.

(e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.

(f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:

1. The applicant;

2. A licensed physician or other person designated by the applicant;

3. An insurance medical-information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to human immunodeficiency virus infection;

5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;

(5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, ***and*** 304.38-050[~~, and 304.43-030~~].

(b) A health insurance contract shall not be canceled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for human immunodeficiency virus infection.

(c) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the human immunodeficiency virus infection. Neither the marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.

SB 152, AN ACT relating to health insurance coverage for hearing aids and related services.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section:

(a) "Hearing aid" means any wearable, nondisposable instrument or device designed to aid or compensate for impaired human hearing and any parts, attachments, or accessories, including earmolds, but excluding batteries and cords; and

(b) "Related services" means those services necessary to assess, select, and appropriately adjust or fit the hearing aid to ensure optimal performance.

(2) A health benefit plan shall provide coverage, subject to all applicable copayments, coinsurance, deductibles, and out-of-pocket limits, for the full cost of one (1) hearing aid per hearing impaired ear up to one thousand four hundred dollars ($1,400) every thirty-six (36) months for hearing aids for insured individuals under eighteen (18) years of age and all related services which shall be prescribed by an audiologist licensed under KRS Chapter 334A and dispensed by an audiologist or hearing instrument specialist licensed under KRS Chapter 334. The insured may choose a higher priced hearing aid and may pay the difference in cost above the one thousand four hundred dollar ($1,400) limit as provided in this section without any financial or contractual penalty to the insured or to the provider of the hearing aid.

(3) A health benefit plan shall not be required to pay a claim filed by its insured for payment of the cost of a hearing aid under the coverage required by subsection (2) of this section if less than three (3) years prior to the date of the claim its insured filed a claim for payment of the cost of a hearing aid under the required coverage and the claim was paid by any health benefit plan.

Section 2. KRS 18A.225 is amended to read as follows:

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service corporation, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board or its successor agency and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is qualified under the requirements of the United States Department of Health, Education and Welfare except as provided in subsection (2) of this section; and

(b) The term "state employee" for purposes of this section shall include a person, including an elected public official, who is regularly employed by any department, board, agency, branch of state government, or any municipal, urban-county, charter county, or county government, whose legislative body has opted to participate in the state health insurance program pursuant to KRS 79.080 and who is a contributing member to any one (1) of the retirement systems administered by the state. It shall also include a person who must fulfill the requirements established by the Kentucky Board of Education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky Retirement Systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employee as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky Retirement Systems and includes members of the Legislators' Retirement Plan as provided in KRS 18A.2287. It shall also include a person who is a present or future recipient of a retirement allowance from the Teachers' Retirement System of Kentucky who either satisfies the requirements of KRS 161.525, 161.620, and 161.675 or who is board certified, including a beneficiary of a retired member who is receiving a retirement allowance from the Teachers' Retirement System of Kentucky, except that a member who is receiving a retirement allowance from the Teachers' Retirement System and who is age sixty-five (65) or older shall not be included.

(2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more health insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health care coverage including, but not limited to, indemnity, health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of state employees. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994. All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to members of the state group shall agree to provide coverage to all members of the state group, including both active employees and retirees within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.

(d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.

(8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.

(9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.

(10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.

(12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.

(14) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

SB 187, AN ACT relating to insurance premium surcharges.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 136.392 is amended to read as follows:

(1) (a) Every domestic, foreign, or alien insurer, other than life and health insurers, which is either subject to or exempted from Kentucky premium taxes as levied pursuant to the provisions of either KRS 136.340, 136.350, 136.370, or 136.390, shall charge and collect a surcharge of one dollar and fifty cents ($1.50) upon each one hundred dollars ($100) of premium, assessments, or other charges, except for those municipal premium taxes, made by it for insurance coverage provided to its policyholders, on risk located in this state, whether the charges are designated as premiums, assessments, or otherwise. The premium surcharge shall be collected by the insurer from its policyholders at the same time and in the same manner that its premium or other charge for the insurance coverage is collected. The premium surcharge shall be disclosed to policyholders pursuant to administrative regulations promulgated by the commissioner of insurance. However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth day of each month, each insurer shall report and remit to the Revenue Cabinet, on forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any moneys returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. Insurers with an annual liability of less than one thousand dollars ($1,000) for each of the previous two (2) calendar years may report and remit to the Revenue Cabinet all premium surcharge moneys collected on a calendar year basis on or before the twentieth (20th) day of January of the following calendar year. The funds derived from the premium surcharge shall be deposited in the State Treasury, and shall constitute a fund allocated for the uses and purposes of the Firefighters Foundation Program fund (KRS 95A.220 and 95A.262) and the Law Enforcement Foundation Program fund (KRS 15.430).

(b) Effective July 1, 1992, the surcharge rate in paragraph (a) of this subsection shall be adjusted by the secretary of revenue to a rate calculated to provide sufficient funds for the uses and purposes of the Firefighters Foundation Program fund as prescribed by KRS 95A.220 and 95A.262 and the Law Enforcement Foundation Program fund as prescribed by KRS 15.430 for each fiscal year. The rate shall be calculated using as its base the number of local government units eligible for participation in the funds under applicable statutes as of January 1, 1994. To allow the secretary of revenue to calculate an appropriate rate, the secretary for the Public Protection and Regulation Cabinet and the secretary for the Justice Cabinet shall certify to the secretary of revenue, no later than January 1, of each year, the estimated budgets for the respective funds specified above, including any surplus moneys in the funds, which shall be incorporated into the consideration of the adjusted rate for the next biennium. As soon as practical, the secretary of revenue shall advise the commissioner of insurance of the new rate and the commissioner shall inform the affected insurers. The rate adjustment process shall continue on a biennial basis.

(2) Within five (5) days after the end of each month, all insurance premium surcharge proceeds deposited in the State Treasury as set forth in this section shall be paid by the State Treasurer into the Firefighters Foundation Program fund trust and agency account and the Law Enforcement Foundation Program fund trust and agency account. The amount paid into each account shall be proportionate to each fund's respective share of the total deposits, pursuant to KRS 42.190. Moneys deposited to the Law Enforcement Foundation Program fund trust and agency account shall not be disbursed, expended, encumbered or transferred by any state official for uses and purposes other than those prescribed by KRS 15.410 to 15.500, except that beginning with fiscal year 1994-95, through June 30, 1999, moneys remaining in the account at the end of the fiscal year in excess of three million dollars ($3,000,000) shall lapse. On and after July 1, 1999, moneys in this account shall not lapse. Money deposited to the Firefighters Foundation Program fund trust and agency account shall not be disbursed, expended, encumbered, or transferred by any state official for uses and purposes other than those prescribed by KRS 95A.200 to 95A.300, except that beginning with fiscal year 1994-95, through June 30, 1999, moneys remaining in the account at the end of the fiscal year in excess of three million dollars ($3,000,000) shall lapse; but moneys in the revolving loan fund established in KRS 95A.262 shall not lapse. On and after July 1, 1999, moneys in this account shall not lapse.

(3) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative, or assessment fire insurance company shall be deposited in the State Treasury, and shall be paid monthly by the State Treasurer into the Firefighters Foundation Program fund trust and agency account as provided in KRS 95A.220 to 95A.262. However, insurance premium surcharge funds collected from policyholders of any mutual company, cooperative, or assessment fire insurance company which transfers its corporate domicile to this state from another state after July 15, 1994, shall continue to be paid into the Firefighters Foundation Program fund and the Law Enforcement Foundation Program fund as prescribed.

(4) No later than July 1 of each year, the Department of Insurance shall provide the Revenue Cabinet with a list of all Kentucky-licensed property and casualty insurers and the amount of premium volume collected by the insurer for the preceding calendar year as set forth on the annual statement of the insurer. No later than September 1 of each year, the Revenue Cabinet shall calculate an estimate of the premium surcharge due from each insurer subject to the insurance premium surcharge imposed pursuant to this section, based upon the surcharge rate imposed pursuant to this section and the amount of the premium volume for each insurer as reported by the Department of Insurance. The Revenue Cabinet shall compare the results of this estimate with the premium surcharge paid by each insurer during the preceding year, and shall provide the Legislative Research Commission, the Commission on Fire Protection Personnel Standards and Education, the Kentucky Law Enforcement Council, and the Department of Insurance with a report detailing its findings on a cumulative basis. In accordance with KRS 131.190, the cabinet shall not identify or divulge the confidential tax information of any individual insurer in this report.

SCR 34, A CONCURRENT RESOLUTION directing the Interim Joint Committee on Banking and Insurance to study the feasibility of self-funding at least one health insurance option for state employees.

WHEREAS, according to the Kentucky Public Employee Health Insurance Program Annual Report, 72% of other states self-fund at least one of their health insurance options; and

WHEREAS, administration expenses under a self-funded health insurance plan are typically lower due to the elimination of insurer risk charges which are normally 2% to 5% of total premiums; and

WHEREAS, through direct contracting a self-funded program may have more negotiation flexibility with providers; and

WHEREAS, a self-funded program typically has more design flexibility which may result in more consistency in the benefit options offered to plan participants in different geographic areas of the Commonwealth; and

WHEREAS, under a self-funded arrangement the Commonwealth could consolidate its risk pool and have increased flexibility in allocating its health care program's costs;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. That the Interim Joint Committee on Banking and Insurance is directed to study the feasibility of self-funding at least one health insurance option for state employees.

The Committee on Licensing and Occupations reported **HB 768, SB 139,** and **SB 230** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 768, AN ACT relating to electronic gaming with related payments to the state and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 230A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

The General Assembly hereby finds and declares that:

(1) In authorizing electronic gaming as described in this chapter, it is the purpose and intent of the General Assembly to:

(a) Provide non-state-supported financial assistance to Kentucky's horse racing and breeding industry in the form of new revenues generated by the operation of electronic gaming devices, which will enable the industry to create new jobs, encourage investment, and promote excellence in racing through higher purses for horsemen, renovation, and modernization of the state's aging racetracks; and

(b) Restrict the operation of electronic gaming devices to the state's existing racetracks where wagering is already permitted and the requisite controls exist.

(2) The operation of electronic gaming devices as described in this chapter will generate substantial new revenue for state government so that state government can better serve the needs of the citizens of this state;

(3) The horse racing industry in Kentucky provides a valuable tourism resource for the Commonwealth and provides significant economic benefits to the citizens of this state through the provisions of jobs and the generation of state revenues;

(4) This valuable tourism resource is facing serious economic harm from competition resulting from increased gaming opportunities in neighboring states, including riverboat casinos and video lottery gaming. The operation of electronic gaming devices at certain facilities in this state would allow the racing industry to more effectively compete with out-of-state gaming to keep racing viable and protect the substantial economic contribution the racing industry makes to the Commonwealth;

(5) The General Assembly recognizes the need to protect the public against a statewide proliferation of gaming;

(6) The racing industry currently operates in limited areas of the Commonwealth where pari-mutuel wagering has been accepted, and the operation of additional gaming options exclusively at existing racetracks would not conflict with established community moral standards;

(7) The playing of electronic gaming devices as described in this chapter will be limited to persons twenty-one (21) years or older;

(8) The Gaming Commission created by this chapter will provide the expertise necessary to oversee the operation of electronic gaming devices in an efficient and effective manner;

(9) The racing industry has extensive experience and expertise in the management of gaming activities, which assures that electronic gaming devices will be operated with honesty and integrity;

(10) To create and maintain public confidence and trust in the integrity of electronic gaming device gaming, the regulatory provisions of this chapter are designed to extend strict regulation by the Gaming Commission to all persons involved in the operation of electronic gaming devices and the manufacturers and distributors of electronic gaming devices and associated equipment; and

(11) The racing industry has extensive experience and expertise in the development and operation of first-class entertainment facilities, including food and other amenities, which ensures that the operation of electronic gaming devices by licensed racetracks as described in this chapter will create additional economic development and provide competition for out-of-state gaming that will promote the racing and tourism industries in the state and will generate substantial revenue for the state and the racing industry.

SECTION 2. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

As used in this chapter, unless the context requires otherwise:

c. Any relative or spouse of that person, or any relative of that spouse, any one of whom has the same home as that person;

(4) "Electronic gaming device" means a Gaming Commission-approved electronic or mechanical device sold, leased, or transferred to a racetrack licensed as an electronic gaming device operator, connected with the Gaming Commission's central computer system, and used for the purpose of playing electronic gaming device games. An electronic gaming device may:

(a) Simulate the play of one or more games of chance;

(c) Allows the player to win additional game play credits, coins, currency, vouchers or tokens based upon game rules which establish the random selection of winning combinations of symbols or numbers or both and the number of free play credits, coins, currency, vouchers, or tokens to be awarded for each winning combination of symbols or numbers or both;

(d) Is based upon machine-generated random selection of winning combinations based wholly or predominantly on chance;

(e) In the case of an electronic gaming device operator choosing to operate an electronic gaming device, allowing the player an option to select replacement symbols, numbers, additional symbols, or numbers after the game is initiated, in the course of play, either:

1. Signals the player, prior to any optional selection by the player of randomly generated replacement symbols or numbers, as to which symbols or numbers should be retained by the player to present the best chance, based upon probabilities, that the player may select a winning combination;

Notice under this subsection may include all types of information provided in subsections (10) to (13) of this section or may consist of a brief statement indicating the subject matter, parties, time, place, and nature of the hearing, manner in which copies of the notice to the parties may be inspected and copied, and name and telephone number of the presiding officer.

(15) The presiding officer, at appropriate stages of the proceedings, shall give all parties full opportunity to file pleadings, motions, objections, and offers of settlement.

(16) The presiding officer, at appropriate stages of the proceedings, may give all parties full opportunity to file briefs, proposed findings of fact and conclusions of law, and proposed initial or final orders.

(17) A party shall serve copies of any filed item on all parties, by mail or any other means described by Gaming Commission rule.

(18) If a party fails to attend or participate in a hearing, or other stage of an adjudicative proceeding, the presiding officer may serve upon all parties written notice of a proposed default order, including a statement of the grounds.

(19) Within seven (7) days after service of a proposed default order, the party against whom it was issued may file a written motion requesting that the proposed default order be vacated and stating the grounds relied upon. During the time within which a party may file a written motion under this subsection, the presiding officer may adjourn the proceedings or conduct them without the participation of the party against whom a proposed default order was issued, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings.

(20) The presiding officer shall either issue or vacate the default order promptly after expiration of the time within which the party may file a written motion under subsection (19) of this section.

(21) After issuing a default order, the presiding officer shall conduct any further proceedings necessary to complete the adjudication without the participation of the party in default and shall determine all issues in the adjudication, including those affecting the defaulting party.

(22) The presiding officer shall grant a petition for intervention if:

- *(a) The petition is submitted in writing to the presiding officer, with copies mailed to all parties named in the presiding officer's notice of the hearing, at least three (3) days before the hearing;*
- *(b) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities, or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervener*

under any provision of law; and

(c) The presiding officer determines that the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

(23) The presiding officer may grant a petition for intervention at any time, upon determining that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(24) If a petitioner qualifies for intervention, the presiding officer may impose conditions upon the intervener's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. Conditions may include:

(a) Limiting the intervener's participation to designated issues in which the intervener has a particular interest demonstrated by the petitioner;

(b) Limiting the intervener's use of discovery, cross-examination, and other procedures so as to promote the orderly and prompt conduct of the proceedings; and

(c) Requiring two (2) or more interveners to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(25) The presiding officer, at least twenty-four (24) hours before the hearing, shall issue an order granting or denying each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The presiding officer may modify the order at any time, stating the reasons for the modification. The presiding officer shall promptly give notice of an order granting, denying, or modifying intervention to the petitioner for intervention and to all parties.

(26) The presiding officer may issue subpoenas, discovery orders, and protective orders, in accordance with the Kentucky Rules of Civil Procedure.

(27) Subpoenas and orders issued under this section may be enforced pursuant to the provisions of this chapter on civil enforcement of commission action.

SECTION 20. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

At a formal hearing, the following procedures shall apply:

(1) The presiding officer shall regulate the course of the proceedings in conformity with any prehearing order.

(2) To the extent necessary for full disclosure of all relevant facts and issues, the presiding officer shall afford to all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence, except as restricted by a limited grant of intervention or by the prehearing order.

(3) The presiding officer may give a nonparty an opportunity to present oral or written statements. If the presiding officer proposes to consider a statement by a nonparty, the presiding officer shall give all parties an opportunity to challenge or rebut it and, on motion of any party, the presiding officer shall require the statement to be given under oath or affirmation.

(4) The presiding officer may conduct all or part of the hearing by telephone, television, or other electronic means, if each participant in the hearing has an opportunity to participate in, to hear, and, if technically feasible, to see the entire proceeding while it is taking place.

(5) The presiding officer shall cause the hearing to be recorded at the Gaming Commission's expense. The Gaming Commission is not required, at its expense, to prepare a transcript, unless required to do so by a provision of law. Any party, at the party's expense, may cause a reporter approved by the Gaming Commission to prepare a transcript from the Gaming Commission's record, or cause additional recordings to be made during the hearing if the making of the additional recordings does not cause distraction or disruption.

(6) The hearing shall be open to public observation, except for the parts that the presiding officer states to be closed pursuant to a provision of law expressly authorizing closure. To the extent that a hearing is conducted by telephone, television, or other electronic means, and is not closed, the availability of public observation shall be satisfied by giving members of the public an opportunity, at reasonable times, to hear or inspect the Gaming Commission's record, and to inspect any transcript obtained by the Gaming Commission.

(7) Upon proper objection, the presiding officer shall exclude evidence that is irrelevant, immaterial, unduly repetitious, or excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts of this Commonwealth. In the absence of proper objection, the presiding officer may exclude objectionable evidence. Evidence may not be excluded solely because it is hearsay.

(8) All testimony of parties and witnesses shall be made under oath or affirmation.

(9) Statements presented by a nonparty in accordance with subsection (3) of this section may be received as evidence.

(10) Any part of the evidence may be received in written form if doing so will expedite the hearing without substantial prejudice to the interests of any party.

(11) Documentary evidence may be received in the form of a copy or excerpt. Upon request, parties may be given an opportunity to compare the copy with the original if available.

(12) (a) Official notice may be taken of:

1. Any fact that could be judicially noticed in the courts of this state;

2. The record of other proceedings before the Gaming Commission;

3. Technical or scientific matters within the Gaming Commission's specialized knowledge; and

4. Codes or standards that have been adopted by an agency of the United States, of this state or of another state, or by a nationally recognized organization or association.

(b) Parties shall be notified before or during the hearing, or before the issuance of any final order that is based in whole or in part on facts or material noticed, of the specific facts or material noticed and the source thereof, including any staff memoranda and data, and shall be afforded an opportunity to contest and rebut the facts or material so noticed.

(13) Except as provided in subsection (14) of this section or unless required for the disposition of ex parte matters specifically authorized by statute, a presiding officer serving in an adjudicative proceeding shall not communicate, directly or indirectly, regarding any issue in the proceeding, while the proceeding is pending, with any party, with any person who has a direct or indirect interest in the outcome of the proceeding, or with any person who presided at a previous stage of the proceeding, without notice and opportunity for all parties to participate in the communication.

(14) A member of a multimember panel of presiding officers may communicate with other members of the panel regarding a matter pending before the panel, and any presiding officer may receive aid from staff assistants if the assistants do not:

(a) Receive ex parte communications of a type that the presiding officer would be prohibited from receiving; or

(b) Furnish, augment, diminish, or modify the evidence in the record.

(15) Unless required for the disposition of ex parte matters specifically authorized by statute, no party to an adjudicative proceeding, and no person who has a direct or indirect interest in the outcome of the proceeding or who presided at a previous stage of the proceeding, shall communicate, directly or indirectly, in connection with any issue in that proceeding, while the proceeding is pending, with any person serving as presiding officer, without notice and opportunity to all parties to participate in the communication.

(16) If, before serving as presiding officer in an adjudicative proceeding, a person receives an ex parte communication of a type that would not properly be received while serving, the person, promptly after starting to serve, shall disclose the communication in the manner prescribed in subsection (17) of this section.

(17) A presiding officer who receives an ex parte communication in violation of this section shall place on the record of the pending matter all written communications received, all written responses to the communications, and a memorandum stating the substance of all oral communications received, all responses made, and the identity of each person from whom the presiding officer received an ex parte communication, and shall advise all parties that these matters have been placed on the record. Any party desiring to rebut the ex parte communication shall be allowed to do so, upon requesting the opportunity for rebuttal within ten (10) days after notice of the communication.

(18) If necessary to eliminate the effect of an ex parte communication received in violation of this section, a presiding officer who receives the communication may be disqualified and the portions of the record pertaining to the communication may be sealed by protective order.

(19) The Gaming Commission shall, and any party may, report any willful violation of this section to appropriate authorities for any disciplinary proceedings provided by law. In addition, the Gaming Commission by rule may provide for appropriate sanctions, including default, for any violations of this section.

(20) Upon recommendation by the presiding officer, the Gaming Commission shall render a final order. The final order shall include, separately stated, findings of fact, conclusions of law, and policy reasons for the decision if it is an exercise of the Gaming Commission's discretion, for all aspects of the order, including the remedy prescribed and, if applicable, the action taken on a petition for stay of effectiveness. Findings of fact, if set forth in language that is more than mere repetition or paraphrase of the relevant provision of law, shall be accompanied by a concise and explicit statement of the underlying facts of record to support the findings. If a party has submitted proposed findings of fact, the order shall include a ruling on the proposed findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief.

(21) Findings of fact shall be based exclusively upon the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based upon the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their serious affairs and may be based upon such evidence even if it would be inadmissible in a civil trial. The presiding officer's experience, technical competence, and specialized knowledge may be utilized in evaluating evidence.

(22) If a person serving or designated to serve as presiding officer becomes unavailable, for any reason, before rendition of the final order or initial order, a substitute presiding officer shall be appointed as provided in subsection (5) of Section 19 of this Act. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(23) The presiding officer may allow the parties a designated amount of time after conclusion of the hearing for the submission of proposed findings.

(24) A final order pursuant to this section shall be rendered in writing within ninety (90) days after conclusion of the hearing or after submission of proposed findings in accordance with subsection (23) of this section unless this period is waived or extended with the written consent of all parties or for good cause shown.

(25) The presiding officer shall cause copies of the final order or initial order to be delivered to each party and to the Gaming Commission.

SECTION 21. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

(1) A party may submit to the presiding officer a petition for stay of effectiveness of a final order within seven (7) days after its rendition unless otherwise provided by statute or stated in the final order. The presiding officer may take action on the petition for stay, either before or after the effective date of the final order.

(2) Unless otherwise provided by statute or rule:

- *(a) Any party, within ten (10) days after rendition of a final order, may file a petition for reconsideration, stating the specific grounds upon which relief is requested. The filing of the petition is not a prerequisite for seeking administrative or judicial review.*
- *(b) The petition shall be disposed of by the same person or persons who rendered the final order, if available.*
- *(c) The presiding officer shall render a written order denying the petition, granting the petition and dissolving or modifying the final order, or granting the petition and setting the matter for further proceedings. The petition may be granted, in whole or in part, only if the presiding officer states, in the written order, findings of fact, conclusions of law and policy reasons for the decision, if it is an exercise of the Gaming Commission's discretion, to justify the order. The petition shall be deemed to have been denied if the presiding officer does not dispose of it within twenty (20) days after the filing of the petition.*

SECTION 22. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

(1) Unless a later date is stated in a final order or a stay is granted, a final order shall be effective ten (10) days after rendition, but:

- *(a) A party shall not be required to comply with a final order unless the party has been served with or has actual knowledge of the final order; and*
- *(b) A nonparty shall not be required to comply with a final order unless the agency has made the final order available for public inspection and copying or the nonparty has actual knowledge of the final order.*

(2) Unless a later date is stated in an initial order or a stay is granted, the time when an initial order becomes a final order shall be determined as follows:

- *(a) When the initial order is rendered, if administrative review is unavailable;*
- *(b) When the Gaming Commission renders an order stating, after a petition for appeal has been filed, that review will not be exercised, if discretion is available to make a determination to this effect; or*
- *(c) Ten (10) days after rendition of the initial order, if no party has filed a petition for appeal and the Gaming Commission has not given written notice of its intention to exercise review.*

(3) Unless a later date is stated in an initial order or a stay is granted, an initial order that becomes a final order shall be effective ten (10) days after becoming a final order, but:

- *(a) A party shall not be required to comply with the final order unless the party has been served with or has actual knowledge of the initial order or of an order stating that review will not be exercised; and*
- *(b) A nonparty shall not be required to comply with the final order unless the Gaming Commission has made the initial order available for public inspection and copying or the nonparty has actual knowledge of the initial order or of an order stating that review will not be exercised.*

(4) This section does not preclude the Gaming Commission from taking immediate action to protect the public interest in accordance with Section 24 of this Act.

SECTION 23. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

(1) The Gaming Commission shall maintain an official record of each adjudicative proceeding under this chapter.

hearing considered before final disposition of the proceeding;

(i) Any final order, initial order, or order on reconsideration;

(j) Staff memoranda or data submitted to the presiding officer, unless prepared and submitted by personal assistants and not inconsistent with subsection (14) of Section 20 of this Act; and

(k) Matters placed on the record after an ex parte communication.

(3) Except to the extent that this chapter or another statute provides otherwise, the official record constitutes the exclusive basis for commission action in adjudicative proceedings under this chapter and for judicial review thereof.

SECTION 24. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

The Gaming Commission may issue an emergency order for suspension, limitation, or conditioning of a license or may issue an emergency order requiring a licensed electronic gaming establishment to keep any individual licensee from the premises of the licensed electronic gaming establishment or not to pay that licensee any remuneration for services or any profits, income, or accruals on his or her investment in the licensed electronic gaming establishment in the following manner:

(1) An emergency order may be issued only when the Gaming Commission believes that:

(a) Any licensee has willfully failed to report, pay, or truthfully account for and pay over any fee imposed by the provisions of this chapter or willfully attempted in any manner to evade or defeat any such fee or payment thereof;

(b) Any licensee or electronic gaming device employee has cheated at any electronic gaming device game; or

(2) The emergency order shall set forth the grounds upon which it is issued, including a statement of facts constituting the alleged emergency necessitating such action.

(3) An emergency order may be issued only with the approval of and upon signature by not less than three (3) members of the Gaming Commission.

(4) The emergency order shall be effective immediately upon issuance and service upon the licensee or resident agent of the licensee or electronic gaming employee. The emergency order may suspend, limit, condition, or take other action in relation to the license of one or more persons in an operation without affecting other individual licensees or the licensed electronic gaming establishment. The emergency order shall remain effective until further order of the Gaming Commission or final disposition of the case.

(5) Within five (5) days after issuance of an emergency order, the executive director shall cause a complaint to be filed and served upon the person or entity involved. Thereafter, the person or entity against whom the emergency order has been issued and served shall be entitled to a hearing before the Gaming Commission in accordance with the provisions of Section 19 and Section 20 of this Act; and to judicial review of the decision and order of the commission thereon in accordance with the provisions of Section 25 of this Act.

The list may include any person whose presence in the establishment is determined by the Gaming Commission to pose a threat to the interests of this state or to licensed electronic gaming or both.

(2) (a) In making the determination under this section, the Gaming Commission may consider whether the person:

(b) Race, color, creed, national origin, ancestry, or sex shall not be grounds for placing the name of a person upon the list identified in this section.

(3) In addition to the foregoing, each electronic gaming licensee shall have the common law right to exclude or eject patrons or others, whether licensed, registered, or otherwise approved under this chapter, from the licensee's gaming establishment. The commission shall be notified of any such exclusion or ejection within three (3) days of such actions.

SECTION 28. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

(1) The Gaming Commission shall adopt such administrative regulations governing the operation of electronic gaming devices consistent with the provisions of this chapter as the Gaming Commission deems necessary in order that the operation of electronic gaming devices shall be initiated at the earliest feasible time after the effective date of this Act and shall produce the maximum amount of gaming income consistent with the dignity of the state and the protection of the public. SECTION 29. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

SECTION 30. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

(1) An electronic gaming device manufacturer and a electronic gaming device distributor may not sell, lease, or otherwise transfer an electronic gaming device or associated equipment for placement at a licensed racetrack in this state unless the electronic gaming device and associated equipment have been approved by the Gaming Commission. Only electronic gaming device manufacturers or electronic gaming device operators may apply for approval of an electronic gaming device or associated equipment. The electronic gaming device manufacturer or the electronic gaming device operator shall submit to the Gaming Commission two (2) copies of electronic gaming device illustrations, schematics, block diagrams, circuit analysis, technical and operation manuals, and any other information requested by the Gaming Commission for the purpose of analyzing and testing the electronic gaming device or associated equipment.

(2) An electronic gaming device manufacturer or electronic gaming device operator which applies for approval as described in subsection (1) of this section shall pay all costs of testing, examination, analysis, and transportation of the prototypes of electronic gaming devices and associated equipment for which such application is made. The Gaming Commission may require that the electronic gaming device manufacturer or electronic gaming device operator provide specialized equipment or pay for the services of an independent technical expert to conduct the tests. If any electronic gaming device or associated equipment fails the acceptance test conducted by the Gaming Commission, the electronic gaming device manufacturer shall make all modifications required by the Gaming Commission.

(3) Each electronic gaming device and associated equipment approved for placement at a licensed racetrack shall conform to the exact specifications of the prototype tested and approved by the Gaming Commission. The request shall contain a detailed description of the type of change, the reasons for the change, and technical documentation of the change. If any electronic gaming device or associated equipment which has not been approved by the Gaming Commission is supplied by a manufacturer and operated by a licensed racetrack, the Gaming Commission shall direct that the use of that licensed racetrack's and manufacturer's noncomplying electronic gaming devices and associated equipment cease immediately.

(4) In those cities, counties, urban-county governments, charter county governments, or consolidated local governments which have engaged in planning operations pursuant to KRS Chapter 100, facilities developed for the activities contemplated by this chapter shall be deemed to be permitted accessory uses to licensed racetracks without further approval from the applicable planning unit or body whether or not such facilities are specifically cited in the applicable zoning regulations. These facilities shall also be deemed to be permitted uses in all zones in which the applicable zoning regulations allow licensed racetracks, subject only to the permitting requirements and conditions upon which racetracks are allowed, whether or not these facilities are specifically cited in such regulations and whether or not these facilities are located on the same premises as a licensed racetrack.

SECTION 31. A NEW SECTION OF KRS CHAPTER 230A IS CREATED TO READ AS FOLLOWS:

Not later than fifteen (15) days after the effective date of this Act, the Gaming Commission shall have taken all actions necessary to furnish application forms to applicants, and to cause the Gaming Commission and its staff to be prepared to receive, process, and act upon these applications.

(2) The application for a license shall include:

(4) In the case of an electronic gaming device operator, the applicant shall also submit to the Gaming Commission a copy of the application previously submitted to the Racing Commission for licensure as a racetrack under KRS Chapter 230, and a copy of the license that was subsequently issued by the Racing Commission, and the Gaming Commission shall

Investigative assistance may be provided by the Kentucky State Police in accordance with subsection (2)(d) of Section 29 of this Act. Fingerprints shall be furnished by all persons required to be named in the application and shall be accompanied by a signed authorization for the release of information by the Kentucky State Police and the Federal Bureau of Investigation. - *(f) An applicant for any license under this chapter shall have secured adequate financing for the business for which the license application is made. The Gaming Commission shall determine whether financing is adequate to support the successful performance of the duties and responsibilities of the licensee. An applicant for an electronic gaming device operator license shall disclose all financing or refinancing arrangements for the purchase, lease, or other acquisition of electronic gaming devices and associated equipment in the degree of detail requested by the Gaming Commission. An electronic gaming device operator shall request Gaming Commission approval of any change in financing or lease arrangements for the purchase, lease, or other acquisition of electronic gaming devices and associated equipment at least thirty (30) days before the effective date of the change and the Gaming Commission shall act upon such application within thirty (30) days after receipt of such request; and*
- *(g) An applicant for an electronic gaming device operator license or a license renewal shall file with the Gaming Commission a copy of any current or proposed agreement between the applicant and any manufacturer for the sale, lease, or other transfer to the racetrack of electronic gaming devices and associated equipment.*

(4) Any person who knowingly allows a person under twenty-one (21) years of age to enter an age-restricted area containing electronic gaming devices shall be guilty of a violation for the first offense and for each subsequent offense shall be guilty of a Class B misdemeanor. In any prosecution for a violation of the provisions of this section, it shall be a defense that the person charged with the violation had a reasonable and good faith basis to believe that the person was at least twenty-one (21) years of age.

(5) Any person who, while an electronic gaming device game is being played at a licensed electronic gaming device operator, uses, or assists another in the use of, an electronic, electrical, or mechanical device which is designed, constructed, or programmed specifically for use in obtaining an advantage at playing any electronic gaming device game shall be guilty of a Class B felony.

Neither the Gaming Commission, the Commonwealth of Kentucky, an electronic gaming device operator or an electronic gaming device operations manager, or their agents or employees, shall be liable for any damages for any such detention or ejection or activity in connection therewith regardless of whether the person so detained or ejected, in fact, committed an offense.

Section 44. KRS 230.260 is amended to read as follows:

The commission, in the interest of breeding or the improvement of breeds of horses, shall have all powers necessary and proper to carry out fully and effectually the provisions of this chapter including, but without limitation, the following:

(1) The commission is vested with jurisdiction and supervision over all horse race meetings in this Commonwealth and over all associations and all persons on association grounds and may eject or exclude therefrom or any part thereof, any person, licensed or unlicensed, whose conduct or reputation is such that his presence on association grounds may, in the opinion of the commission, reflect on the honesty and integrity of horse racing or interfere with the orderly conduct of horse racing or racing at horse race meetings; provided, however, no persons shall be excluded or ejected from association grounds solely on the ground of race, color, creed, national origin, ancestry, or sex;

(2) The commission, its representatives and employees, may visit, investigate and have free access to the office, track, facilities, or other places of business of any licensee for the purpose of satisfying itself that this chapter and its administrative regulations are strictly complied with;

(8) The commission shall have authority to compel any racing association licensed under this chapter to file with the commission at the end of its fiscal year, a balance sheet, showing assets and liabilities, and an earnings statement, together with a list of its stockholders or other persons holding a beneficial interest in the association;

(9) The commission shall promulgate administrative regulations establishing safety standards for jockeys, which shall include the use of rib protection equipment. Rib protection equipment shall not be included in a jockey's weight***;***

Section 45. KRS 230.310 is amended to read as follows:

Every person not required to be licensed under KRS 230.300 who desires to participate in horse racing in the Commonwealth as a horse owner, trainer, jockey, apprentice jockey, agent, stable employee, racing official, association employee, or employee of a person or concern contracting with the association to provide a service or commodity and which requires their presence on association grounds during a race meeting, or veterinarian, farrier, horse dentist, or supplier of food, tack, medication, or horse feed, ***or electronic gaming device employee as defined in subsection (6) of Section 2 of this Act,*** shall first apply to the commission for a license to participate in the activity on association grounds during a race meeting. No person required to be licensed by this section may participate in any activity required to be licensed on association grounds during a race meeting without a valid license therefor. An applicant for a license shall submit to the commission fingerprints as may be required and other information necessary and reasonable for processing a license application. The commission is authorized to exchange fingerprint data with the Kentucky State Police and the Federal Bureau of Investigation in order to conduct a criminal history background check of an applicant. The commission may issue a license if it finds that the financial responsibility, age, experience, reputation, competence, and general fitness of the applicant to perform the activity permitted by a license, are consistent with the best interest of racing and the maintenance of the honesty, integrity, and high quality thereof. A license shall be issued for the calendar year in which it is issued and may be renewed by the commission. The license shall be valid at all horse race meetings in the Commonwealth during the period for which it is issued unless suspended or revoked under the administrative regulations promulgated by the commission under this chapter. With respect to horse owners and trainers, the commission may promulgate administrative regulations to facilitate and promote uniform, reciprocal licensing with other states.

Section 46. KRS 230.377 is amended to read as follows:

(1) Other provisions of the Kentucky Revised Statutes notwithstanding, a track may apply to the commission for simulcasting and intertrack wagering dates. Applications shall be submitted in accordance with KRS 230.300. The commission shall not approve the establishment or relocation of a receiving track within a radius of seventy-five (75) miles of a race track duly licensed as of July 15, 1992, without the prior written consent of the licensed track within whose seventy-five (75) mile radius the new receiving track would be located.

(2) On or before November 1 of each year, the commission shall meet and award intertrack wagering dates to all tracks for the entire succeeding calendar year. In a geographic area containing more than one (1) track within a fifty (50) mile radius of another track, intertrack wagering shall be limited to simulcasting and wagering on racing of the same breed of horse as the receiving track was licensed to race on or before July 15, 1998.

(3) The commission shall approve no more than nine (9) tracks for participation in horse racing, intertrack wagering, and simulcasting. Any approval by the commission of a change in location of these tracks shall be subject to the local-approval process contained in KRS 230.380.

(4) A track may by administrative regulation be required to simulcast its races to one (1) or more receiving tracks approved for simulcasting and intertrack wagering, as a prerequisite for the issuance of a license pursuant to KRS 230.300, provided that:

(a) Each track shall be permitted to exempt one (1) day of racing from simulcasting to both receiving tracks and simulcast facilities, at its discretion;

(b) Tracks in a county containing a city of the first class ***or a consolidated local government*** and tracks in an urban-county government shall not be required to simulcast to each other or to any other facility in those counties. This provision shall not be construed as requiring tracks within the same county to simulcast to each other; and

(c) In the absence of a contract between a host track and a receiving track, the commission shall be split as provided for in KRS 230.378(3).

(5) A track may receive simulcasts and conduct interstate wagering thereon subject to the following limitations which shall be in addition to the limitations set forth in KRS 230.3771:

(a) A track licensed to conduct thoroughbred racing may receive simulcasts and conduct interstate wagering on all thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., without further consents or approvals.

(b) A track licensed to conduct harness racing may receive simulcasts and conduct interstate wagering on all harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000) without further consents or approvals.

(c) A track which applies to the commission to receive an interstate race of a different breed than the breed for which it is licensed by the commission shall receive any simulcast of an interstate race through the intertrack wagering system upon approval by the commission. ***Notwithstanding the foregoing, a track licensed to conduct horse racing may receive simulcasts and conduct interstate wagering on quarter horse races, subject to the limitations of Section 47 of this Act.***

(d) A track may receive simulcasts of special event races conducted in other states or foreign countries which are determined by the commission to be of sufficient national or international significance or interest to warrant interstate wagering and if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., the Kentucky Division of the Horseman's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association for harness racing, and any track conducting live horse races of the same breed at the same time as the simulcast race.

(e) A track may also receive simulcasts and conduct interstate wagering on thoroughbred horse races other than those described in paragraphs (a) and (d) of this section if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., and the Kentucky Horsemen's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association, or its successor, for harness racing.

(f) The consent required by paragraph (e) of this subsection or by subsections (1)(g) and (2)(g) of KRS 230.3771 shall not be withheld:

1. For any reason not specifically related to financial harm to live horse racing; or

2. As a condition to the granting of any contractual or other concession not specifically related to the effects of interstate simulcasting on live horse racing in this Commonwealth, taken as a whole.

(g) A host track located in this state may receive simulcasting of not more than two (2) full cards of racing from another state, if both tracks race horses of the same breed and if:

1. The race date was previously granted by the Kentucky Racing Commission to conduct live racing at the track located in this state;

2. Live racing was canceled due to weather conditions; and

3. The consent required by subsection (5)(d) of this section is obtained.

(h) The in-state track receiving the simulcast specified in paragraph (g) of this subsection shall offer that simulcast to all participating tracks and simulcast facilities in the intertrack wagering system.

(i) All interstate simulcasting shall be conducted in accordance with applicable federal laws.

(6) The commission may promulgate necessary and reasonable administrative regulations for the purpose of administering the conduct of intertrack or interstate wagering and regulating the conditions under which wagering shall be held and conducted. Administrative regulations shall provide for the prevention of practices detrimental to the public interest and to impose penalties for violations. All administrative regulations shall be in conformity with the provisions of KRS Chapter 13A, KRS 138.510, and this chapter.

(7) Subsections (2) and (3) of this section shall apply only to intertrack wagering dates awarded for calendar year 1993 and thereafter, and any unresolved intertrack wagering dates for calendar year 1992 shall be awarded pursuant to applicable provisions of law in effect immediately prior to March 30, 1992.

Section 47. KRS 230.3771 is amended to read as follows:

(1) A thoroughbred track licensed to conduct thoroughbred racing may receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon, subject to the following limitations:

(a) A thoroughbred receiving track may receive interstate simulcasts of thoroughbred races and conduct interstate wagering thereon at any time of day and during any live thoroughbred horse race meet conducted in the Commonwealth of Kentucky so long as the thoroughbred receiving track conducting interstate wagering remits to the thoroughbred host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A thoroughbred host track which receives interstate simulcasts and conducts interstate wagering thereon during the period of time from the first awarded day of its live meet through the last awarded day of its live meet shall offer the simulcasts to all thoroughbred receiving tracks, all harness tracks not subject to the provisions of KRS 230.377(2), and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a receiving track shall conduct intertrack wagering on all live races of all thoroughbred host tracks on any day on which it receives an interstate simulcast for the purpose of conducting interstate wagering.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) thoroughbred track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast of thoroughbred races unless all thoroughbred tracks conducting live racing at the same time of day agree upon all interstate simulcasts to be received and the division of the thoroughbred host track's commission. If more than one (1) thoroughbred track conducts live racing at different times on the same day, the thoroughbred host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and concludes ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each thoroughbred track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding subsection (f) of this subsection, any thoroughbred track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Owners and Breeders Association, Inc.

(h) A separate accounting on all interstate simulcasting shall be submitted to the commission. The accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a host track makes available for interstate wagering through this state's intertrack wagering system on any race day are thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a thoroughbred host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
2. Twenty-five percent (25%) to the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
4. Twenty-five percent (25%) to the purse program of the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, then an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on thoroughbred racing, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(2) A harness track licensed to conduct harness racing may receive interstate simulcasts of harness horse races and conduct interstate wagering thereon subject to the following limitations:

(a) A harness receiving track may receive interstate simulcasts of harness races and conduct interstate wagering thereon at any time of day and during the course of any live harness horse race meet conducted in the Commonwealth of Kentucky so long as the harness receiving track conducting interstate wagering remits to the harness host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.

(b) A harness host track which receives an interstate simulcast and conducts interstate wagering thereon during its live race meet shall offer the simulcasts to all thoroughbred receiving tracks not subject to the provisions of KRS 230.377(2), all harness tracks, and all simulcast facilities through the intertrack wagering system.

(c) Except as otherwise prohibited by law, a harness receiving track or a simulcast facility shall conduct intertrack wagering on all live races of a harness host track on any day it receives an interstate simulcast from a harness host track.

(d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.

(e) If more than one (1) harness track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast on harness races unless all harness tracks conducting live racing at that time of day agree upon the interstate simulcast to be received and the division of the harness host track's commission. If more than one (1) harness track conducts live racing at different times on the same day, the harness host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and conclude ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

(f) Each harness track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the commission for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.

(g) Notwithstanding subsection (f) of this subsection, any harness track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Harness Horsemen's Association, or its successor.

(h) A separate accounting on all interstate simulcasting shall be submitted to the commission. This accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.

(i) If the only simulcast or simulcasts a track participating as a harness host track makes available for interstate wagering through this state's intertrack wagering system on any race day are harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars ($75,000), then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a harness host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.

(j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;

2. Twenty-five percent (25%) to the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;

3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and

4. Twenty-five percent (25%) to the purse program of the harness host track designated by paragraphs (a) and (e) of this subsection. However, if no live meet is occurring, an additional twenty-five percent (25%) shall be paid to the purse program of the receiving track where the interstate wagering occurs.

(k) A simulcast facility's commission on interstate wagering on harness races, after deduction of applicable taxes and any amount required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).

(3) A harness track may only receive interstate simulcasts of thoroughbred horse races and conduct interstate wagering thereon as provided in subsection (1)(b) of this section. A thoroughbred track may only receive interstate simulcasts of harness horse races and conduct interstate wagering thereon as provided in subsection (2)(b) of this section. A simulcast facility may only receive interstate simulcasts of thoroughbred and harness horse races and conduct interstate wagering thereon as provided in subsections (1)(b) and (2)(b) of this section.

(4) ***(a) A track licensed to conduct horse racing may receive interstate simulcasts of quarter horse races and conduct interstate wagering thereon, subject to the limitations stated in paragraph (b) of this subsection.***

(b) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:

1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;

2. Twenty-five percent (25%) to the host track; and

3. Fifty percent (50%) to the quarter horse purse program within this state, to be allocated by the American Quarter Horse Association or its successor to supplement purses for quarter horse racing in this state.

(5) Other provisions of the Kentucky Revised Statutes notwithstanding, any track in a geographic area that contains more than one (1) track within a fifty (50) mile radius of any other track may only receive interstate simulcasts on racing of the same breed of horse as the track was licensed to race on or before July 15, 1998.

Section 48. KRS 230.378 is amended to read as follows:

(1) A receiving track may accept wagers only at the track where it is licensed to conduct its race meeting or conduct intertrack wagering. A receiving track may accept wagers through a telephone account wagering system. Wagers at a receiving track, simulcast facility, or on telephone account wagering shall form a common pool with wagers at a host track. This common pool requirement shall not apply to wagers made in connection with interstate simulcasting pursuant to KRS 230.3771; however, common pools shall be encouraged.

(2) Except as provided in KRS 230.3771(2), the commission of a receiving track, simulcast facility, or on telephone account wagering shall be the same as the commission of the host track as determined in KRS 230.3615 or 230.750.

Twelve percent (12%) of the commission shall be allocated evenly between the host track and the receiving track to cover the cost of simulcasting, unless otherwise agreed to by contract***; and***

(b) With respect to quarter horse races, twenty-five percent (25%) to the host track, twenty-five percent (25%) to the receiving track, and fifty percent (50%) to the quarter horse purse program in this state.

(4) The deduction for the backside improvement fund, as provided for in KRS 230.3615(4) shall not apply to the commission or pari-mutuel tax of a receiving track or telephone account wagering.

(5) A receiving track shall be exempt from the admissions tax levied in KRS 138.480 and from any license fee imposed by

  (b) Loiters or remains in a public place for the purpose of unlawfully using a controlled substance; or

  (c) Loiters or remains in or about a school, college or university building or grounds, not having any reason or relationship involving custody of or responsibility for a pupil or student or any other specific legitimate reason for being there and not having written permission from anyone authorized to grant the same; or

Section 52. KRS 528.010 is amended to read as follows:

The following definitions apply in this chapter unless the context otherwise requires:

(1) "Advancing gambling activity" -- A person "advances gambling activity" when, acting other than as a player, he engages in

conduct that materially aids any form of gambling activity. The conduct shall include, but is not limited to, conduct directed toward the establishment of the particular game, contest, scheme, device, or activity involved; toward the acquisition or maintenance of premises, paraphernalia, equipment, or apparatus therefor; toward the solicitation or inducement of persons to participate therein; toward the actual conduct of the playing phases thereof; toward the arrangement of any of its financial or recording phases or toward any other phase of its operation. A person who gambles at a social game of chance on equal terms with other participants does not otherwise advance gambling activity by performing acts, without remuneration or fee, directed toward the arrangement or facilitation of the game as inviting persons to play, permitting the use of premises therefor and supplying equipment used therein.

(2) "Bookmaking" means advancing gambling activity by unlawfully accepting bets upon the outcome of future contingent events from members of the public as a business.

(3) (a) "Gambling" means staking or risking something of value upon the outcome of a contest, game, gaming scheme, or gaming device which is based upon an element of chance, in accord with an agreement or understanding that someone will receive something of value in the event of a certain outcome. A contest or game in which eligibility to participate is determined by chance and the ultimate winner is determined by skill shall not be considered to be gambling.

(b) Gambling shall not mean charitable gaming which is licensed and regulated under the provisions of KRS Chapter 238***, or the sale of lottery tickets by a lottery retailer regulated under the provisions of KRS Chapter 154A, or the operation of electronic gaming device games by an electronic gaming device operator licensed and regulated under the provisions of KRS Chapter 230A***.

(4) "Gambling device" means:

(a) Any so-called slot machine or any other machine or mechanical device an essential part of which is a drum or reel with insignia thereon, and which when operated may deliver, as a result of the application of an element of chance, any money or property, or by the operation of which a person may become entitled to receive, as the result of the application of an element of chance, any money or property; or

(b) Any other machine or any mechanical or other device, including but not limited to roulette wheels, gambling tables and similar devices, designed and manufactured primarily for use in connection with gambling and which when operated may deliver, as the result of the application of an element of chance, any money or property, or by the operation of which a person may become entitled to receive, as the result of the application of an element of chance, any money or property;

(c) But, the following shall not be considered gambling devices within this definition:

1. Devices dispensing or selling combination or French pools on licensed, regular racetracks during races on said tracks.

2. Electro-mechanical pinball machines specially designed, constructed, set up, and kept to be played for amusement only. Any pinball machine shall be made to receive and react only to the deposit of coins during the course of a game. The ultimate and only award given directly or indirectly to any player for the attainment of a winning score or combination on any pinball machine shall be the right to play one (1) or more additional games immediately on the same device at no further cost. The maximum number of free games that can be won, registered, or accumulated at one (1) time in operation of any pinball machine shall not exceed thirty (30) free games. Any pinball machine shall be made to discharge accumulated free games only by reactivating the playing mechanism once for each game released. Any pinball machine shall be made and kept with no meter or system to preserve a record of free games played, awarded, or discharged. Nonetheless, a pinball machine shall be a gambling device if a person gives or promises to give money, tokens, merchandise, premiums, or property of any kind for scores, combinations, or free games obtained in playing the pinball machine in which the person has an interest as owner, operator, keeper, or otherwise.

3. Devices used in the conduct of charitable gaming.

4. Electronic gaming devices operated by an electronic gaming device operator licensed and regulated under the provisions of KRS Chapter 230A.

(5) "Lottery and gift enterprise" means:

(a) A gambling scheme in which:

1. The players pay or agree to pay something of value for chances, represented and differentiated by numbers or by combinations of numbers or by some other media, one (1) or more of which are to be designated the winning ones; and

2. The ultimate winner is to be determined by a drawing or by some other method based upon the element of chance; and

3. The holders of the winning chances are to receive something of value.

(b) A gift enterprise or referral sales plan which meets the elements of a lottery listed in paragraph (a) of this subsection is to be considered a lottery under this chapter.

(6) "Mutuel" or "the numbers games" means a form of lottery in which the winning chances or plays are not determined upon the basis of a drawing or other act on the part of persons conducting or connected with the scheme, but upon the basis of the outcome or outcomes of a future contingent event or events otherwise unrelated to the particular scheme.

(7) "Player" means a person who engages in any form of gambling solely as a contestant or bettor, without receiving or becoming entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct, or operation of the particular gambling activity. A person who engages in "bookmaking" as defined in subsection (2) of this section is not a "player." The status of a "player" shall be a defense to any prosecution under this chapter.

(8) "Profiting from gambling activity" -- A person "profits from gambling activity" when, other than as a player, he accepts or receives or agrees to accept or receive money or other property pursuant to an agreement or understanding with any person whereby he participates or is to participate in the proceeds of gambling activity.

(9) "Something of value" means any money or property, any token, object, or article exchangeable for money or property, or any form of credit or promise directly or indirectly contemplating transfer of money or property or of any interest therein, or involving extension of a service, entertainment, or a privilege of playing at a game or scheme without charge.

(10) "Charitable gaming" means games of chance conducted by charitable organizations licensed and regulated under the provisions of KRS Chapter 238.

(11) "Electronic gaming device games" means games played on electronic gaming devices on the premises of an electronic gaming device operator licensed and regulated in accordance with KRS Chapter 230A.

Section 53. KRS 528.100 is amended to read as follows:

Any gambling device or gambling record possessed or used in violation of this chapter is forfeited to the state, and shall be disposed of in accordance with KRS 500.090, except that the provisions of this section shall not apply to charitable gaming activity as defined by KRS 528.010(10)***, or to electronic gaming device games as defined in subsection (11) of Section 52 of this Act***.

Section 54. KRS 138.510 is amended to read as follows:

(1) Except for the conduct of harness racing at a county fair, an excise tax is imposed on all tracks conducting pari-mutuel racing under the jurisdiction of the Kentucky Racing Commission. For each track with a daily average handle of one million two hundred thousand dollars ($1,200,000) or above, the tax shall be in the amount of three and one-half percent (3.5%) of all money wagered during the fiscal year. A fiscal year as used in this subsection and subsection (3) of this section shall begin at 12:01 a.m. July 1 and end at 12 midnight June 30. For each track with a daily average handle under one million two hundred thousand dollars ($1,200,000) the tax shall be an amount equal to one and one-half percent (1.5%) of all money wagered during the fiscal year. However, effective January 1, 2001, if a host track located in this state is the location for the conduct of a one (1) day international horse racing event that distributes in excess of a total of ten million dollars ($10,000,000) in purses, an excise tax shall not be imposed on pari-mutuel wagering on live racing conducted that day at the race track. This tax exemption shall remain in effect for any succeeding one (1) day international horse racing event if the event returns within three (3) years of the previously-held event. For the purposes of this subsection, the daily average handle shall be computed from the amount wagered only at the host track on live racing and shall not include money wagered:

(a) At a receiving track;

(b) At a simulcast facility;

(c) On telephone account wagering; or

(d) At a track participating as a receiving track or simulcast facility displaying simulcasts and conducting interstate wagering as permitted by KRS 230.3771 and 230.3773.

Money shall be deducted from the tax paid by host tracks and deposited to the respective development funds in the amount of three-quarters of one percent (0.75%) of the total live racing handle for thoroughbred racing and one percent (1%) of the total live handle for harness racing.

(2) An excise tax is imposed on:

(a) All licensed tracks conducting telephone account wagering;

(b) All tracks participating as receiving tracks in intertrack wagering under the jurisdiction of the Kentucky Racing Commission; and

(c) All tracks participating as receiving tracks displaying simulcasts and conducting interstate wagering thereon.

(3) The tax imposed in subsection (2) of this section shall be in the amount of three percent (3%) of all money wagered under subsection (2) of this section during the fiscal year. A noncontiguous track facility approved by the Kentucky Racing Commission on or after January 1, 1999, shall be exempt from the tax imposed under this subsection, if the facility is established and operated by a licensed track which has a total annual handle on live racing of two hundred fifty thousand dollars ($250,000) or less. The amount of money exempted under this subsection shall be retained by the noncontiguous track facility, KRS 230.3771 and 230.378 notwithstanding. ***Beginning July 1, 2002, all licensed standardbred racing tracks and any noncontiguous track facility of such tracks and approved by the Kentucky Racing Commission on or***

after January 1, 1999, shall be exempt from the tax imposed under this subsection, and the amount of money so exempted shall be retained by the track, notwithstanding the provisions of Sections 47 and 48 of this Act.

(4) An amount equal to two percent (2%) of the amount wagered shall be deducted from the tax imposed in subsection (2) of this section and deposited as follows:

(a) If the money is deducted from taxes imposed under subsection (2)(a) and (b) of this section, it shall be deposited in the thoroughbred development fund if the host track is conducting a thoroughbred race meeting or the Kentucky standardbred, quarter horse, Appaloosa, and Arabian development fund, if the host track is conducting a harness race meeting; or

(b) If the money is deducted from taxes imposed under subsection (2)(c) of this section, to the thoroughbred development fund if interstate wagering is conducted on a thoroughbred race meeting or to the Kentucky standardbred, quarter horse, Appaloosa, and Arabian development fund, if interstate wagering is being conducted on a harness race meeting.

(5) ***Three-tenths***[~~Two tenths~~] of one percent ***(0.3%)***[~~(0.2%)~~] of the total amount wagered on live racing in Kentucky shall be deducted from the pari-mutuel tax levied in subsection (1) of this section, and one-twentieth of one percent (0.05%) of the total amount wagered on intertrack wagering shall be deducted for the pari-mutuel tax levied in subsection (2) of this section, and allocated to the equine industry program trust and revolving fund to be used for funding the equine industry program at the University of Louisville.

(6) One-tenth of one percent (0.1%) of the total amount wagered in Kentucky shall be deducted from the pari-mutuel tax levied in subsections (1), (2), and (3) of this section and deposited to a trust and revolving fund to be used for the construction, expansion, or renovation of facilities or the purchase of equipment for equine programs at state universities. These funds shall not be used for salaries or for operating funds for teaching, research, or administration. Funds allocated under this subsection shall not replace other funds for capital purposes or operation of equine programs at state universities. The Kentucky Council on Postsecondary Education shall serve as the administrative agent and shall establish an advisory committee of interested parties, including all universities with established equine programs, to evaluate proposals and make recommendations for the awarding of funds. The Kentucky Council on Postsecondary Education may by administrative regulation establish procedures for administering the program and criteria for evaluating and awarding grants.

Section 55. KRS 230.265 is amended to read as follows:

(1) There is hereby created a panel, to be known as the Kentucky Equine Drug Research Council, to advise the commission on the conduct of equine drug research and testing commissioned by the Kentucky Racing Commission. The council shall meet at the call of the chairman, a majority of the council, or at the request of the commission. Members shall serve at the pleasure of their respective sponsoring organizations and shall receive no compensation for serving.

(2) The Kentucky Equine Drug Research Council shall review equine drug research and testing research being conducted at the University of Kentucky or with state funds and shall review and report to the commission on drug research and testing research being conducted elsewhere. The council shall advise the commission and make recommendations for establishing an effective drug regulatory policy for Kentucky racing. In addition, the council shall report to the General Assembly any needed changes regarding the regulation of drugs in horse racing in the Commonwealth of Kentucky.

(3) The commission shall receive ***fifteen-hundredths***[~~one tenth~~] of one percent ***(0.15%)***[~~(0.1%)~~] of the total amount wagered and subject to the pari-mutuel tax levied in KRS 138.510. This money shall be deducted from the pari-mutuel tax levied in KRS 138.510 and shall be used in financing drug research and testing research in Kentucky and shall be in addition to any funds appropriated to the commission for these purposes in the executive budget.

The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. The

license shall be suspended until the order is terminated, or until the judge who issued the order terminates the suspension prior to the termination of the underlying domestic violence order or emergency protective order, in writing and by return of the license, upon proper motion by the license holder. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(12) Not less than ninety (90) days prior to the expiration date of the license, the Department of State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of State Police. The licensee may renew his license on or before the expiration date by filing with the sheriff of his county of residence the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section, and the required renewal fee. The license shall be renewed to a qualified applicant upon receipt of the completed renewal application and appropriate payment of fees. When a licensee makes application for a renewal of his or her license, neither the sheriff nor the Department of State Police shall require a surrender of the license until the new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (5), (6) and (7) of this section.

(13) No license issued pursuant to this section shall authorize any person to carry a concealed firearm into:

(a) Any police station or sheriff's office;

(b) Any detention facility, prison, or jail;

(c) Any courthouse, solely occupied by the Court of Justice courtroom, or court proceeding, except that nothing in this section shall preclude a judge from carrying a concealed weapon;

(d) Any meeting of the governing body of a county, municipality, or special district; or any meeting of the General Assembly or a committee of the General Assembly, except that nothing in this section shall preclude a member of the body, holding a concealed deadly weapon license, from carrying a concealed deadly weapon at a meeting of the body of which he is a member;

(e) Any portion of an establishment licensed to dispense beer or alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to that purpose;

(f) Any elementary or secondary school facility without the consent of school authorities as provided in KRS 527.070, any child-caring facility as defined in KRS 199.011, any day-care center as defined in KRS 199.894, or any certified family child-care home as defined in KRS 199.8982, except however, any owner of a certified child-care home may carry a concealed firearm into the owner's residence used as a certified child-care home;

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons in a vehicle on the premises shall not be a criminal offense so long as the weapons are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, other than the weapons issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to

ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(19) The owner of any building or premises desiring to prohibit the carrying of concealed deadly weapons in the building or on the premises pursuant to subsection (13) or (14) of this section shall post at each separate entranceway to the building or premises a sign meeting the requirements of this subsection and displayed as provided in this subsection as follows:

(a) The sign shall be eight and one-half (8 1/2) inches in height by eleven (11) inches in width and manufactured of suitable weather resistant materials;

(b) The sign shall specifically state:

"CONCEALED DEADLY
WEAPONS ARE
PROHIBITED
BEYOND THIS POINT
PURSUANT TO KRS 237.110 AND 237.115.";

(c) The lettering shall be fluorescent orange and of block style no less than three-fourths (3/4) of one (1) inch in height upon a black background. The statute citation shall be no less than three-eighths (3/8) of one (1) inch in height; and

(d) The sign shall be permanently and prominently affixed to a hard surface, other than the door itself, at a centered height of sixty-four (64) inches and parallel to the plane of the entrance adjacent to and not more than twelve (12) inches from a parallel line extending from the door frame.

(20) Upon request, the Department of State Police shall furnish complete specifications, including a detailed illustration of a sign meeting the requirements of subsection (19) of this section, for a reasonable fee.

(21) If a sign meeting the requirements of subsection (19) of this section is not posted, then it shall be presumed that carrying of a concealed deadly weapon on the premises with a permit is permitted.

Section 2. KRS 237.115 is amended to read as follows:

(1) Nothing contained in KRS 237.110 shall be construed to limit, restrict, or prohibit in any manner the right of a college, university, or any postsecondary education facility, including technical schools and community colleges, to control the possession of deadly weapons on any property owned or controlled by them or the right of a unit of state, city, county, urban-county, or charter county government to prohibit the carrying of concealed deadly weapons by licensees in that portion of a building actually owned, leased, or occupied by that unit of government.

(2) The legislative body of a state, city, county, or urban-county government may, by statute, administrative regulation, or

ordinance, prohibit or limit the carrying of concealed deadly weapons by licensees in that portion of a building owned, leased, or controlled by that unit of government. That portion of a building in which the carrying of concealed deadly weapons is prohibited or limited shall be clearly identified by signs posted at the entrance to the restricted area. The statute or ordinance shall exempt any building used for public housing by private persons, highway rest areas, firing ranges, and private dwellings owned, leased, or controlled by that unit of government from any restriction on the carrying or possession of deadly weapons. The statute, administrative regulation, or ordinance shall not specify any criminal penalty for its violation but may specify that persons violating the statute or ordinance may be denied entrance to the building, ordered to leave the building, and if employees of the unit of government, be subject to employee disciplinary measures for violation of the provisions of the statute or ordinance. The provisions of this section shall not be deemed to be a violation of KRS 65.870 if the requirements of this section are followed. The provisions of this section shall not apply to any other unit of government.

(3) Unless otherwise specifically provided by the Kentucky Revised Statutes or applicable federal law, no criminal penalty shall attach to carrying a concealed firearm or other deadly weapon with a permit at any location at which an unconcealed firearm or other deadly weapon may be constitutionally carried.

(4) The owner of any building or premises desiring to prohibit the carrying of concealed deadly weapons in the building or on the premises pursuant to this section shall post at each separate entranceway to the building or premises a sign meeting the requirements of this subsection and displayed as provided in this subsection as follows:

(a) The sign shall be eight and one-half (8 1/2) inches in height by eleven (11) inches in width and manufactured of suitable weather resistant materials;

(b) The sign shall specifically state:

"CONCEALED DEADLY
WEAPONS ARE
PROHIBITED
BEYOND THIS POINT
PURSUANT TO KRS 237.110 AND 237.115.";

(c) The lettering shall be fluorescent orange and of block style no less than three-fourths (3/4) of one (1) inch in height upon a black background. The statute citation shall be no less than three-eighths (3/8) of one (1) inch in height; and

(d) The sign shall be permanently and prominently affixed to a hard surface, other than the door itself, at a centered height of sixty-four (64) inches and parallel to the plane of the entrance adjacent to and not more than twelve (12) inches from a parallel line extending from the door frame.

(5) Upon request, the Department of State Police shall furnish complete specifications, including a detailed illustration of a sign meeting the requirements of subsection (4) of this section, for a reasonable fee.

(6) If a sign meeting the requirements of subsection (4) of this section is not posted, then it shall be presumed that carrying of a concealed deadly weapon on the premises with a permit is permitted.

Section 3. KRS 237.990 is amended to read as follows:

(1) Any person who violates any of the provisions of KRS 237.030 to 237.050 shall be guilty of a Class D felony.

(2) Any person who violates any of the provisions of KRS 237.030 to 237.050, and in so doing uses any destructive device or booby trap device to avoid detection by law enforcement or other government personnel or to avoid theft or detection by any other person, of any controlled substance as set forth in KRS Chapter 218A and held in violation of KRS 218A.140, shall be guilty of a Class C felony.

(3) (a) Any person who violates the provisions of KRS 237.110 or 237.115 relating to the posting of signs meeting the requirements of KRS 237.110 or 237.115 and denying or attempting to deny a holder of a concealed deadly weapon license admission to the building or premises while carrying a concealed deadly weapon shall be subject to a civil fine of twenty-five dollars ($25).

(b) An action to enforce the statute and recover the fine may be instituted by the county attorney.

(c) Any money recovered pursuant to this subsection shall be transferred by the clerk of the court to the Administrative Office of the Courts and utilized by the Administrative Office of the Courts to defray the cost of background checks for applicants for a license to carry concealed deadly weapons.

(d) The court shall order the removal or replacement of any sign not conforming with the requirements of KRS 237.110 or 237.115 within thirty (30) days of the date of finding the person in violation. Failure to remove or replace any sign specified in the court order within the time limit specified in the court order shall be contempt of court and may be punished as such.

(3) The Administrative Office of the Courts shall merge the lists required by subsections (1) and (2) of this section in a manner designed to create an accurate listing of all persons eligible for jury service. The Administrative Office of the Courts may purge names from the master list upon reasonable evidence of death, change of state residence, change of county residence, or any other reason causing a person to be ineligible for jury service as found in Section 4 of this Act.

Section 3. KRS 29A.060 is amended to read as follows:

The judge shall request the Chief Circuit Judge for the adjoining county to draw and summon as many jurors as are needed. Jurors summoned under this subsection need not be given the notice provided in subsection ***(3)***[~~(8)~~] of this section.

[~~(13) The names of jurors drawn from the jury wheel shall be made available to the public.~~]

(3) The Administrative Office of the Courts shall merge the lists required by subsections (1) and (2) of this section in a manner designed to create an accurate listing of all persons eligible for jury service. The Administrative Office of the Courts may purge names from the master list upon reasonable evidence of death, change of state residence, change of county residence, or any other reason causing a person to be ineligible for jury service as found in Section 4 of this Act.

Section 3. KRS 29A.060 is amended to read as follows:

~~(6) In the event that all of the balls in the box have been exhausted the box shall be refilled utilizing the process required by subsections (1) to (4) of this section.~~

~~(7)~~] The Chief Circuit Judge ***or designee*** shall regulate the random assignment of jurors for use in Circuit and District Courts. (5)[~~(10)~~] When there is an unanticipated shortage of available jurors ***obtained***[~~drawn~~] from a ***randomized jury list***[~~jury wheel~~], the ***Chief Circuit Judge***[~~court~~] may cause ***to be summonsed a sufficient number of jurors selected sequentially from the randomized jury list beginning with the first name following the last name previously selected***[~~additional names to be drawn~~]. (7)[~~(12)~~] If, after making a fair effort in good faith, the judge is satisfied that it will be impracticable to obtain a jury free of bias in the county in which the prosecution is pending, ***the judge***[~~he~~] may obtain a sufficient number of jurors from some adjoining county in which the judge believes there is the greatest probability of obtaining impartial jurors. The judge shall request the Chief Circuit Judge for the adjoining county to draw and summon as many jurors as are needed. Jurors summoned under this subsection need not be given the notice provided in subsection ***(3)***[~~(8)~~] of this section.

The judge granting the permanent exemption shall notify the requesting person and the Administrative Office of the Courts. Upon receiving notification of a permanent exemption the Administrative Office of the Courts shall remove the person's name from the master list.***

(4) There shall be no waiver of these disqualifications, except that pursuant to the Federal Americans With Disabilities Act of 1990, an individual with a disability shall not be disqualified solely by reason of the disability. For the purposes of this section, "individual with a disability" means a person with a physical or mental impairment that substantially limits one (1) or more of the major life activities of the individual, a record of the impairment, or being regarded as having the impairment.

Section 6. KRS 29A.110 is amended to read as follows:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 199.462 is amended to read as follows:

(1) Before any applicant to provide foster care home services to a minor may be approved, the cabinet[~~ for Families and Children~~] shall request from the Justice Cabinet records of all conviction information for the applicant ***and, if there is a minor living in the home of the applicant, whether the minor to be placed is a juvenile sexual offender, as that term is defined in KRS 635.505(2)***. The Justice Cabinet shall furnish the information to the cabinet[~~ for Families and Children~~] and shall also send a copy of the information to the applicant.

(2) The request for records shall be on a form approved by the Justice Cabinet and the Justice Cabinet may charge a fee to be paid by the applicant for the actual cost of processing the request.

Section 2. KRS 605.090 is amended to read as follows:

(1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:

(a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;

(b) Placed in the home of the child's parents, in the home of a relative, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a social service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;

(c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;

(d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;

(e) Treated as provided in KRS Chapter 645;

(f) Following the transfer or placement of a child pursuant to paragraphs (b), (c), (d), or (e) of this subsection, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.

(2) No child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;

(3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:

(a) If the social service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the social service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a social service worker finds a committed, unattended child who is too young to take care of himself, the social service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the social service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(6) ***(a)*** The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.

(b) If a child is living in the foster home or in the private facility or agency in which the Department of Juvenile Justice or cabinet has placed the child, then the written summary shall also state whether the child to be placed is a juvenile sexual offender, as that term is defined in KRS 635.505(2).

(7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a social service worker finds a committed, unattended child who is too young to take care of himself, the social service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the social service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.

(7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

(b) Require the bidder to disclose the amount of coal severance and unmined minerals tax to be remitted to the Commonwealth under KRS 132.820 and 143.020 on the coal specified in the bid for the purchase coal contract.

(2) When conducting a review of a utility's coal purchase contract for the purpose of disallowing any portion of the contract price in the utility's rates, the commission shall require the utility to:

(a) Identify any Kentucky suppliers that submitted bids for the utility's consideration; and

(b) Submit the bids by suppliers that remit tax to the Commonwealth under KRS 132.820 or 143.020 to the commission when it submits the original purchase coal contract for commission review.

(3) If the utility accepts a bid from a supplier that does not remit a tax under KRS 132.820 or 143.020, the commission shall:

(a) Determine the amount of coal severance and unmined minerals tax lost to the Commonwealth for the purchase coal contract under commission review;

(5) In determining the reasonableness of a purchase coal contract, the commission may develop a method to consider:

(a) Macroeconomic factors such as the associated value of the coal contract on the local economy in the form of lost wages and benefits; and

(b) Any environmental costs pursuant to the contract that would require the utility to purchase additional nitrogen oxide (NOx) allowances that would otherwise not be needed to meet emissions limitations if another bid were accepted.

(4) The department shall include in the waiver application a request for flexibility to modify the copayment to an upper limit of ten dollars ($10) and to lower the threshold to one thousand dollars ($1,000) in total accumulated department expenditures for a participant prior to requiring a copayment of twenty percent (20%).

The Committee Amendment No. 1 Title to **HB 819** is as follows:

By amending the title to read as follows:

"AN ACT relating to prescription drugs for seniors and Medicare beneficiaries."

SB 113, AN ACT relating to death certificates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the

absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) *(a)* The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(b) In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:

1. "Did the deceased have diabetes?"; and

2. "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

SECTION 2. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

(1) Any certificate of death form developed or distributed by the Cabinet for Health Services shall contain the following questions:

(a) "Did the deceased have diabetes?"; and

(b) "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".

(2) If the person completing the certificate of death fails to answer the questions identified in subsection (1) of this section, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it.

(1) A person under the age of twenty-one (21) at the time of application for an instruction permit may apply for an operator's license to operate a motor vehicle, motorcycle, or moped if the person has possessed the valid instruction permit for at least one hundred eighty (180) days. A person who is at least twenty-one (21) years of age at the time of application for an instruction permit may apply for an operator's license to operate a motor vehicle, motorcycle, or moped if the person has possessed the valid instruction permit for at least thirty (30) days. The person shall apply for an operator's license in the office of the circuit clerk of the county where he lives. The application form shall require the applicant's full legal name and signature, date of birth, Social Security number, sex, present resident address, other information necessary to permit the application to also serve as an application for voter registration, and brief physical description of the applicant. If the person is not a United States citizen, the application form shall be accompanied by a photographic copy of the person's employment authorization card, visa card to enter the United States, or permanent residency card issued by the United States Department of Immigration Services and, if applicable, a photographic copy of the person's international driving permit. All applications shall state:

(a) If the applicant has previously been licensed as an operator and by what nation or state; and

(b) Other information the cabinet may require by administrative regulation promulgated pursuant to KRS Chapter 13A.

(2) The Transportation Cabinet shall issue a plastic laminated operator's license bearing a color photograph of the applicant. The photograph shall be taken by the circuit clerk so that one (1) exposure will photograph the applicant and the application simultaneously, using the process determined under provisions of KRS 186.413. When taking the photograph, the applicant shall be prohibited from wearing sunglasses or any other attire that obscures any features of the applicant's face as determined by the clerk. The clerk shall require an applicant to remove sunglasses or other obscuring attire before taking the photograph required by this subsection. Any person who refuses to remove sunglasses or other attire prohibited by this section as directed by the clerk shall be prohibited from receiving an operator's license. The plastic laminated operator's license issued by the cabinet shall not contain the applicant's Social Security number. The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A that develop a numbering system that uses an identification system other than Social Security numbers. The license shall also designate by color coding and use the phrase "under 21" if the licensee is under the age of twenty-one (21); "CDL" if the license is issued pursuant to KRS Chapter 281A; or "under 21 CDL" if the licensee holds a commercial driver's license issued pursuant to KRS Chapter 281A and is under the age of twenty-one (21).

(3) Every applicant shall make oath to the circuit clerk as to the truthfulness of the statements contained in the form.

(4) The clerk may, after determining that the applicant has fully complied with the law governing applications, issue a temporary operator's license to be valid for not more than ninety (90) days. The temporary license shall be valid in lieu of the permanent license during the certification period and shall be destroyed upon receipt of the permanent operator's license.

(5) The circuit clerk shall issue a color photo nondriver's identification card to any person who resides in the county who applies in person in the office of the circuit clerk. A nondriver's identification card shall be subject to the provisions of this section. An application for a nondriver's identification card shall be accompanied by a signed Social Security card and a

birth certificate, or other proof of the applicant's date of birth provided under subsection (1) of this section. If the person is not a United States citizen, an application for a nondriver's identification card shall be accompanied by a photographic copy of the person's employment authorization card, visa card to enter the United States, or permanent residency card issued by the United States Department of Immigration Services. The application shall require the applicant to provide his or her full legal name and most current resident address that may include, but is not limited to, a mailing address, post office box, or an address provided on a voter registration card. If an applicant for a nondriver's identification card is under the age of twenty-one (21), the applicant's most current resident address shall be required unless a current resident address is not available, in which case a mailing address, post office box, or an address provided on a voter registration card may be used. Every applicant for a nondriver's identification card shall make an oath to the circuit clerk as to the truthfulness of the statements contained on the application form. If the applicant is not the legal possessor of the address provided on the application form, the applicant shall swear that he has permission from the legal possessor to use the address for purposes of obtaining the nondriver's identification card. The nondriver's identification card shall designate by color coding and by use of the phrase "under 21" if the applicant is under the age of twenty-one (21).

(7) If a citizen of the Commonwealth currently serving in the United States military is stationed or assigned to a base or other location outside the boundaries of the Commonwealth, the citizen may renew a Class D operator's license issued under this section by mail. If the citizen was issued an "under 21" operator's license, upon the date of his or her twenty-first birthday, the "under 21" operator's license may be renewed for an operator's license that no longer contains the outdated reference to being "under 21".

(8) A citizen of the Commonwealth renewing an operator's license by mail under subsection (7) of this section may have a personal designee apply to the circuit clerk on behalf of the citizen to renew the citizen's operator's license. An operator's license being renewed by mail under subsection (7) of this section shall be issued a license without a photograph. The license shall show in the space provided for the photograph the legend "valid without photo and signature".

(9) If a citizen of the Commonwealth has been serving in the United States military and has allowed his operator's license to expire, he shall, within ninety (90) days of returning to the Commonwealth, be permitted to renew his license without having to take a written test or road test. A citizen who does not renew his license within ninety (90) days of returning to the Commonwealth shall be required to comply with the provisions of this chapter governing renewal of a license that has expired. If a citizen of the Commonwealth has been issued an "under 21" or "under 21 CDL" operator's license and the person is unable to renew the license on the date of his twenty-first birthday, the "under 21" or "under 21 CDL" operator's license shall be valid for ninety (90) days beyond the date of the person's twenty-first birthday.

(12) An operator's license pursuant to this section shall be designated a Class D license.

(d) The employment of any other method to effectuate an equitable allocation and apportionment of net profit.

SECTION 3. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) For all taxable years beginning on or after January 1, 2003, every business entity, other than a sole proprietorship, subject to taxation under KRS 92.281 or Section 18, 19, or 20 of this Act, shall make quarterly estimated tax payments on or before the fifteenth day of the fourth, sixth, ninth, and twelfth month of each taxable year if the tax liability for the taxable year exceeds five thousand dollars ($5,000).

(2) For all taxable years beginning on or after January 1, 2003, every business entity that is a sole proprietorship, subject to taxation under KRS 92.281 or Section 18, 19, or 20 of this Act, shall make quarterly estimated tax payments on or

(c) Twenty-five percent (25%) of the average tax liability for the three (3) preceding full year taxable years' tax liabilities.

(a) The due date for the quarterly payment until the time when the aggregate quarterly payments submitted for the taxable year equal the minimum aggregate payments due under subsection (3) of this section; or

(b) The due date of the annual return.

(5) The provisions of this section shall not apply to any business entity's first full or partial taxable year of doing business in the tax district or any first taxable year in which a business entity's tax liability exceeds five thousand dollars ($5,000).

SECTION 4. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(2) Every business entity subject to the provisions of Sections 1 to 17 of this Act shall keep records, render under oath statements, make returns, and comply with rules as the tax district from time to time may prescribe. Whenever the tax district judges it necessary, it may require a business entity, by notice served to the business entity, to make a return, render under oath statements, or keep records, as the tax district deems sufficient to show whether or not the business entity is liable for tax, and the extent of the liability.

SB 66, AN ACT relating to the merger of volunteer fire departments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 95A IS CREATED TO READ AS FOLLOWS:

(1) If two (2) or more volunteer fire departments merge after January 1, 2000, and each is qualified to receive the volunteer fire department aid under Section 2 of this Act at the time of merger, then the volunteer fire department aid shall be disbursed according to the provisions of this subsection as long as the resulting department remains qualified to receive the volunteer fire department aid.

(a) The Commission on Fire Protection Personnel Standards and Education shall, at the next regular disbursal date after merger, pay to the resulting merged department, for each of the three (3) years after the merger, one (1) share of the amount of volunteer fire department aid allotted in subsection (2) of Section 2 of this Act for each volunteer fire department merging and receiving the volunteer fire department aid at the time of merger; and

(b) The Commission on Fire Protection Personnel Standards and Education shall pay each year to the merged department for the fourth, fifth, and sixth years after the merger fifty percent (50%) of the annual disbursement paid to the department in paragraph (a) of this subsection, plus one (1) yearly disbursal of four thousand dollars ($4,000) as a merger incentive, as long as the department remains qualified; and

(c) The Commission on Fire Protection Personnel Standards and Education shall pay to the merged volunteer fire department on the seventh year after the merger one (1) share of the amount of volunteer fire department aid allotted in subsection (2) of Section 2 of this Act, plus one (1) disbursal of four thousand dollars ($4,000) as a merger incentive, if the department is qualified; and

(d) The Commission on Fire Protection Personnel Standards and Education shall on the eighth year after the merger pay each year to the merged volunteer fire department only one (1) share of the amount of volunteer fire department aid as allotted in subsection (2) of Section 2 of this Act as long as the merged volunteer fire department is qualified.

(2) The volunteer fire department shall notify the Commission on Fire Protection Personnel Standards and Education, in writing, within thirty (30) days of the merger or splitting of a merged volunteer fire department. Notification shall be

made in the manner prescribed by the Commission on Fire Protection Personnel Standards and Education in administrative regulations promulgated in accordance with the provisions of KRS Chapter 13A.

(3) The Commission on Fire Protection Personnel Standards and Education shall calculate and disburse to each department merged after January 1, 2000, but before the effective date of this Act, any payments owed the department according to the schedule set out in this section. In order to receive the payment, the volunteer fire department shall notify the commission in writing within sixty (60) days of the effective date of this Act that there has been a merger within that time. If sufficient funds do not exist to make a lump-sum payment at one (1) time owed under the provisions of this subsection, then the available amount shall be prorated evenly and proportionately and disbursed among those merged departments each disbursal cycle until the total amount has been paid to each of those departments in the most expedient, fiscally responsible time. The commission shall not reduce any other payments under Section 2 of this Act to make the payments under this subsection.

(4) If a new volunteer fire department is created from territory in an existing volunteer fire department merged under the provisions of this section, then neither department shall receive the four thousand dollar ($4,000) merger incentive, if receiving it at the time of the creation, at the time of the next disbursal. At the time of the next disbursal, the parent volunteer fire department shall receive one (1) less share of the volunteer aid fund provided in Section 2 of this Act, if qualified. In no event shall a qualified fire department receive less than one (1) share, minus any forfeiture from unsatisfactory participation in the fire incident reporting system. The newly created volunteer fire district shall be able to receive one (1) share at the next regular disbursal date, if qualified.

(5) If the resulting merged department becomes unqualified to receive the volunteer fire department aid for six (6) or more consecutive months, then when again qualified, the merged department shall only be entitled to one (1) share of the volunteer fire department aid if it is receiving more than one (1) share, and shall no longer receive the four thousand dollar ($4,000) merger incentive if eligible to receive it.

Section 2. KRS 95A.262 is amended to read as follows:

(1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Health Services, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky against hepatitis B. The program shall be funded from revenues allocated to the Firefighters Foundation Program fund pursuant to KRS 136.392 and 42.190. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred up to the amount allowed by the Cabinet for Human Resources for hepatitis B inoculations.

(2) Except as provided in subsection (3) of this section and KRS 61.316, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273. The commission shall allot eight thousand dollars ($8,000) annually to each qualifying department, and beginning on July 1, 2001, the commission shall allot eight thousand two hundred fifty dollars ($8,250) annually to each qualifying department. Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars ($500) of its allotment. *If two (2) or more volunteer fire protection districts created under the provisions of KRS Chapter 75 merge under the provisions of Section 3 of this Act after January 1, 2000, or if two (2) or more volunteer fire departments in cities of all classes, or volunteer fire departments created under the provisions of KRS Chapters 67 or 273 merge after January 1, 2000, then the allotment shall be in accordance with the provisions of Section 1 of this Act.* The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. Fifty percent (50%) of the firefighters shall have completed at least one-half (1/2) of one hundred fifty (150) training hours toward certification within the first six (6) months of the first year of the department's application for certification, and there shall be a plan to complete the one hundred fifty (150) training hours within the second year. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. No allotment shall exceed the total value of the funds, equipment, lands, and buildings made available to the local fire units from any source whatever for the year in which the allotment is made. A portion of the funds provided for above may be used to purchase group or blanket health insurance and shall be used to purchase workers' compensation insurance, and the remaining funds shall be distributed as set forth in this section.

(3) There shall be allotted two hundred thousand dollars ($200,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund that shall be allocated each fiscal year of the biennium to the firefighters training center fund, which is hereby created and established, for the purposes of constructing new or upgrading existing training centers for firefighters. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the

biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars ($200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters' training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.

(5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.

(6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.

(7) The amount of reimbursement for any given year for costs incurred by the Kentucky Community and Technical College System for administering these funds, including, but not limited to, the expenses and costs of commission operations, shall be determined by the commission and shall not exceed five percent (5%) of the total amount of moneys accruing to the Firefighters Foundation Program fund which are allotted for the purposes specified in this section during any fiscal year.

(8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

(a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;

(b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;

(c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;

(d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;

(e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;

(f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and

(g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

(11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.

(12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.

(13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.

(14) There shall be allotted each year of the 1992-93 biennium one million dollars ($1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars ($1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any

grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

Section 3. KRS 75.020 is amended to read as follows:

(1) The territorial limits of an established fire protection district, or a volunteer fire department district, as established under KRS 75.010 to 75.080, may be enlarged or diminished in the following way: The trustees of the fire protection district or of the volunteer fire department district shall file a petition in the county clerk's office of the county in which that district and the territory to be annexed or stricken off, or the greater part thereof, is located, describing the territory to be annexed or stricken and setting out the reasons therefor. Notice of the filing of such petition shall be given by publication as provided for in KRS Chapter 424. On the day fixed in the notice, the county judge/executive shall, if the proper notice has been given, and the publication made, and no written objection or remonstrance is interposed enter an order annexing or striking off the territory described in the petition. Fifty-one percent (51%) or more of the freeholders of the territory sought to be annexed or stricken off may, at any time before the date fixed in the notice, remonstrate in writing, filed in the clerk's office, to the action proposed. If such written remonstrance be filed said clerk shall promptly give notice to the trustees of the fire protection district, or of the volunteer fire department district, and the county judge/executive shall hear and determine the same. If upon such hearing, the county judge/executive finds from the evidence that a failure to annex or strike off such territory will materially retard the functioning of the fire protection district or the volunteer fire department district and materially affect adversely the owners and the inhabitants of the territory sought to be annexed or stricken off, he shall enter an order, granting the annexation or striking off the territory. In the latter event, no new petition to annex or strike off all or any part of the same territory shall be entertained for a period of two (2) years. Any aggrieved person may bring an action in Circuit Court to contest the decision of the county judge/executive.

(2) The property in any territory annexed to a fire protection district or to a volunteer fire department district shall not be liable to taxation for the purpose of paying any indebtedness incurred by the fire protection district or the volunteer fire department district prior to the date of the annexation of such territory, except such indebtedness as represents balance owing on purchase price of firefighting equipment. The property in any territory stricken off from a fire protection district or a volunteer fire department district by the incorporation of or annexation by a city of this Commonwealth shall not be relieved of liability of such taxes as may be necessary to pay its proportionate share of the indebtedness incurred while such territory was a part of that district. Territories stricken by action of the county judge/executive under the provisions of subsection (1) shall be relieved of liability for all indebtedness incurred by the fire protection district or the volunteer fire department district.
